Prophetic Poetry

*This book was written.....
Inspired by God.....
In hope of strengthening.....
Some other's heart.....
Yet as I yielded.....
To be His writer's pen.....
I found it was I.....
Confined in the den.....
So as you will read.....
Mysteries unfold.....
For while I was writing.....
I turned into gold.....
You will suddenly see.....
A psalm speaking down.....
A poem that was negative.....
Completely turn around.....
Little things His Spirit.....
Slipped within my soul.....
God's Still Small Voice.....
Quickened and made whole.....
This book is a journey.....
A gift to warn men.....
That they may be wise
Approaching the End.....
To give You sure light....
In the Pits and the Pens.....
In pursuit of divine destiny....
From the cave and the dens....
Elevating You to the Palace....
Tho' the battle rages on....
God promised you blessings....
Personally for You alone.*

CROSS-ROADS:

Detours to Destiny

Christ has crossed every road for us
Every road we would have to take
Every pain we would have to bear
Every agony for Humanity's sake...

When I think upon my troubles
And my burdens weigh me down
I think on the Way of His Cross
And it compels me to my crown...

If you would read with me slowly
The Passion Stations of His Cross
The Passion how He suffered
The Passion for Humanity lost.

So, let's take up our Cross daily
May it be the center of the heart
May it soothe and heal our souls
May it empower us to know God.

Beyond the long, twisted Cross-road
Past the end, I can see my King
Past His sufferings and His pain
Past all detours, there is My dream.

Let the Prophets Speak!

**Let The Prophets Speak!
First by two or three
And let the other judge
That they speak Destiny!**

**Then let the Prophets Speak!
All of them one by one

I Corinthians 14:29-31

LAMENTATION

How doth this great city sit solitary
And no more hath she found her rest
How is it that she hath become tributary
At the hand of her Father's request?

*Why is it that she's in great servitude
Zion's daughter with cloud-wrath cover
Why doth she weep with bitterness
None to comfort tho' many a lover*

All of her beauty now it is past
She lost her spot, now she is last
All her strength now it is gone
Without her God now she's alone

All of her friends are now an enemy
She cries all night, yet she's not free
All of her gates now they are gone
I sing for her a Lamentation Song

:

*"He hath hedged me round about
That I try but cannot get out
Although I lament and cry and shout
No relief has come in any amount!*

*I will search and I will try my ways
As in the Old time Father, renew my days
Tho' I am chastened, yet will I praise
For God is faithful and full of grace!*

*Remember O' Father my misery
My tears do flow as a troubled sea
Your fierce anger hath afflicted me
I have rebelled against my destiny!*

*Father You have seen all of my wrong
And how my enemies hath chased me sore
Thank you dear Lord for still drawing near
Your Spirit Lord, give me more and more."*

LAMENTATIONS: SUFFERING FOR SIN'S SAKE

The Judahites had been able to think of themselves only as God's chosen race. As such, they felt that they would always experience good things. God had made covenants of blessing with them, but these were conditional. Blatant disobedience would mean that the pleasurable aspects of blessing would be replaced by punishment. The fulfillment of the Promises of blessing would always skip a few generations of disobedient Israelites. The books of 2 Kings and 2 Chronicles describe the moral decline of the kingdom of Judah (in spite of prophetic warnings) that would lead to its defeat and captivity. The heartrending poems of the Book of Lamentations believed to be authored by Jeremiah, contrast the former blessings and strengths of Judah with chaos and suffering for their sin. The chosen, favored people had lost everything and were in a hopeless position. Everything of significance had been destroyed. Only after the people were completely humbled would they be able to think of restoration. *Spirit-filled Life Bible NKJV*

JEREMIAH

Forbidden to marry
Threatened to be killed,
Thrown into dungeons
But words never stilled.

He is God's holy prophet
Tested by stones and tried
He stood alone against evil
And false prophets who lied.

T'was one lying prophet
Hananiah was his name
To mislead God's people, Israel
Was his daily, deadly aim.

But the prophet of God, Jeremiah
Told everyone what to do
Proving Hananiah's prophecies
Could never stand right or true.

Then exposing false Hananiah
Hananiah's punishment was hard
For death came very quickly
Straight down from the Lord.

Jeremiah still daily implored
To the people and he begged
Yet Israel rejected him
In spite of what the prophet said.

Israel was daily warned
Beckoned, taught and told
"Beware of the false prophets
Coming proudly and speaking bold."

Is there yet a Jeremiah
In your life speaking today?
Are you listening Christians
To what God's prophet has to say?

The elect, God's holy elect
Or Will you too be fooled...
Will you too fall victim...
Will you too be ruled...

By the coming anti-Christ
And every false prophecy
Will you be lost and blind
Or will you know and see?

Wolves in sheep's clothing
They are all coming out
So study hard the Word
To have no spiritual doubt.

Watch out for the mountains
Don't run to the hill
But try the spirits, try them
And know what is false or real.

False prophets are coming out
False prophets are now here
The anti-Christ and evil ones
Will soon, very soon appear.

Do you hear poor Jeremiah
He's warning this hour this day
Will you be good and ready
Or will you be led astray?

Will you be standing strong
Or will you fall away?
Choose ye, choose ye wisely
Choose ye this poignant day!

Bow down on your knees
And Pray, pray, pray
Prophet Jeremiah is warning
What did Jeremiah say?

(Read Jeremiah 10)
6/7/99

Escape!

Escape, thou clean ones, from *Error*
And know the Spirit of truth
Be ready to receive and respond
Like Mary, Nicodemus, and Ruth.
Test your doctrines and traditions
Do they line up with God's Word?
Ask for God's holy wisdom
Forget dead doctrines you've heard.

Watch out for the Spirit of Error
He who thinketh that he stands
Make full proof of thy righteousness
Or die in the wanderlands.
If your church is caging you
And money is the primary goal
If it is giving you its own ideals
These are wolves to destroy your soul?

"False prophets, said Jeremiah, are lying"
Against prophecy of the words of God
They claimed they were true prophets
But they were not sent from the Lord.
Words spoken at the church of Ephesus
Paul warned seven years before
"Grievous wolves will soon ravage"
Strange teachings, children please ignore."

Jesus said in Matthew 7:15
Ravenous wolves will lead you astray
Paul said they speak perverse things
In the end causing great falling away.

II Thessalonians 2:1-12

ESCAPE (continued)

Jude said that the hypocrites will rise
This great apostasy nearing the end
Destructive heresies they will speak
And permit the evil, deadly trend.

Corruption in the church by God
This is a terrible sin beyond compare
Those doing it had better take warning
For the Lord He will not spare.
Look back, remember Sodom & Gomorrah
And the flood against the Human race
Remember Satan and the wicked angels
It is lethal to be against God's face.

Be not conformed with these lost servants
They are destructive walking in lust
Covetous, Greedy, Brute Beasts
Full of adultery from dawn 'til dust.
In Revelation, Chapter 17
Doctrine of devils are at work
Full of names of blasphemy
Here, the full-grown harlot church

The seven churches give the message
What church are you in today?
Of the seven, two only passed
Is your church measuring up God's way?
Christ is coming back for His church
A church without wrinkle nor spot
Not half good and not half bad
Not lukewarm or cold, but hot.
Revelation 4:1-8

So be strong ye mighty ones
Strive not in your mind and soul
But be saved to the uttermost
And in holiness, be thou made whole.

ANALOGY: SALT TO RIGHTEOUSNESS

"You are the salt of the earth. But if the salt becomes tasteless, how can it be made salty again? It is no longer good for anything, except to be thrown out and trampled under foot by men." (Matt 5:13)

If you have lost your salty flavor
Why are you called the Preserver, the Salt
Being tasteless what good are you?
Are you not then good for naught?

But listen for here is wisdom
Of righteousness and the salt
Learn of this spiritual analogy
Understand what Jesus taught.

Salt is combined of 2 elements
They are Sodium and chloride
Righteousness has 2 spirit elements
They are Love and Truth inside.

The 1st element Sodium is volatile
If the Chlorine is absent or set apart
The 1st spirit element Love is volatile
If the Truth is absent from the heart

The high volatile power of the Sodium
Reacts with water making it burn so bright
But with a fuel of itself of fierce intensity
That it casts a deadly, destructive light

This fiery light is not easily extinguished
So it gives light but with improper care
Yet it is used for the making Soap
And to purify molten metal ware

Analogy of Salt to Righteousness (continued)

It is also utilized to strengthen alloys
We speak of Sodium, the element of Salt
But after these things it has contributed
Sodium is useless and good for naught.

Sodium is nothing but soft materials
This is it's natural shape and form
But when it is combined with Chlorine
Indispensable for life, it then becomes!
Righteousness has 2 elements
They are spiritual: Love and Truth
Salt is equal to Sodium and Chloride
The chemical analogy gives spiritual proof.

The 1st element Love is volatile
If the Truth is not of the heart
Just like Sodium which is also volatile
If Chloride is not an included part.

The high volatile power of the Love
Reacts with Words making it burns so bright
But with a fuel of itself of fierce intensity
That it casts deadly, destructive light

This fiery light is not easily extinguished
So it gives light but the glow is impure
Yet it is a virtue essential for soul cleansing
And the power of purification to endure

It's used also to strengthen character
I speak of the Love of Righteousness
But if not for these contributions
Love is useless, good for nothingness.

Love is nothing but soft materials
This is it's spiritual shape and form
But when it's combined with Truth
Indispensable for life, it then becomes

Analogy of Salt to Righteousness (continued)

Then there's the 2nd element of Sodium
The chlorine has a cleansing effect
But poison to us without sodium
It contains the power to disinfect.

The second element of Righteousness
This Truth has a cleansing effect
But poison to us without love
It contains the power to disinfect.

Chlorine is essential in water purification
Yet it is deadly if not properly mixed
It reacts with nearly all other elements
With Sodium, a vital matrix for life to exist.

Truth is essential for doctrine purification
Yet it is deadly if not properly mixed
It reacts with all other aspects of life
With Love, a vital matrix for life to exist.

Lack of Knowledge Den

One day I thought, Yeah! I've finished college
I was so determined to get an education
And instead of obtaining a professional job
I got the swiftest kick from a Divided nation.

As if no law, the ignorance of racism; and
As if no God, the ignorance of sin; and
As if no Judge, ignorance of injustice; 'tis
Everywhere, the lack-of-knowledge den.

If it was not for prejudging ethnicity
It was the darkness or the color of the skin
Or because of goodness of truth or sanctification
The World showed me it loath and lived to sin.

Not for any lack of work experience
Or whether a harder worker than the rest
Not because I did not show promise or show up
Or not even lesser or better than the best.

But the Barriers of hate were so rampant
It was always near, in, and around my town
This Evil infiltrated and engulfed my college
The university obviously named after Sam.

Against all the odds I still graduated
In spite of all the spiteful deeds of evil
That same place Sam I also searched for work
A stone wall manifested of racial upheaval.

So I have traveled here and wandered there
And I have searched, sought, hoped to find
A place where I could just be God's creation
And just live with equality and peace of mind.

Lack of Knowledge Den (continued)

Everywhere and all the places I would go
I had taken the One, an Enemy in to court
So every employment opportunities landed
Somehow they managed to always fail or abort.

Though the court of law did rule unfairly
With unjust judges sitting lofty and high
God is known to bring down every high look
And His vengeance and His wrath draweth nigh.

And woe to you too, Mr. Doctor, Mr. Lawyer
Grievous burdens, lies to me you have lade
You have deceived many with your pretensions
Your sticky fingers have lended not worthy aide.

Compromises and negotiation hidden in secret
They will all be revealed to pure light
Persons you call insignificant will be exalted
And the Real Judge will rise up to fight?

The Righteous Judge will vindicate me
The Real Man will turn these things around
For all of my enemies He said are His enemies
And God's enemies, My enemies WILL go down.

2/6/99

THE DONKEY'S DESTINY

Ten days to go to fulfilling My destiny
Said Jesus on the road towards Calvary
This will be My greatest earthly victory
When I lay down My life for Humanity.

En route to Jerusalem 'twas mandatory to do
A detour to destiny, another town to go thru
His Jerusalem Destiny's about to come true
But first He must travel thru Bethpage, too.

What is this Bethpage? Bethpage is a place
The "House of Green figs" of sour taste
The place of frustration to deter the race
The place to get stuck and fall from grace.

But on His way there, He had to go thru
This detour to destiny He had to pursue
The city of Jerusalem and Bethpage too
Zechariah prophesied: His words came true.

Bethpage's the place where the Donkey was tied
He's pretty frustrated now and feeling denied
But this little Donkey had Destiny on his side
For Jesus sent for him to be His triumphant ride.

Prophecy and Destiny! (Matthew 21:1)
Stagnation/Frustration? (Matthew 21:2)
He's Tied and Tried (Matthew 21:2)
He's Free! Shout Jubilee!(Matthew 21:3-10)

Jesus, A Holy Name

The Name of Jesus, Oh, what a name!
Father, Son, and Holy Ghost, still the same
Bearing record in Heaven and in the Earth
Christ was sent for the Holy Ghost's birth.

God endorsed Christ, the Holy One
On that day He was baptized of John
On His mission to change man's heart
The Lion of Judah, our promised Lord.

On a shameful Cross, our Savior hung
After the temptation and miracles done
Consuming passion He redeemed man's soul
Jehovah thru Jesus accomplished this goal.

Elijah for prophets, Moses for the Law
All pointed to Jesus, standing in awe
Jesus, our Savior, Jesus our Lord
Jesus, the way to our Father, God.

Jesus, the Truth, the Prince, the Power
Jesus, the Good Shepherd, every hour
Oh baptize me in the name of Christ
He revealed the Father, my soul suffice.

He's in the Father and the Father's in He
I am in Him and He is in Me
Yes, baptize me in the name of my Savior
This is a must I will not waiver!

Our Jesus name is the only name
That when you call it, you experience change
Messiah and Christ is His official name
But the name Jesus can remove all pain.

JESUS, A Holy Name (continued)

I receive the Father and the Holy Ghost
I proclaim Jesus from coast to coast.
I get intimate when I call on His name
His name delivers the deaf and lame
Heals the sick, the possessed and maimed
You will no longer remain the same
All things are possible if you proclaim
The whole world is blessed because He came.

And more thereafter even when He left
For then the Holy Ghost manifested itself
The name of Jesus, Oh, what a name
Father, Son, Holy Ghost still the same

I am illuminated, I am justified
Filled with His Spirit, water baptized
In His great Name, I can do anything
He is my Lord, He is my King.

*The shackles are loosed and I walk thru
I walk not in What, I now tread in Who.*

The Red Sea Experience

Yes, a damsel in distress
Is what I used to be
But then that was before
I walked thru that Red Sea.

From a slave girl in bonds
To a daughter of the Lord
His Promises remain true
Never ever returning void.

With a mighty strong hand
Jehovah has brought me out
His love and His faithfulness
Why did I ever have doubt?

Instead of slave's poverty
He brought me out in wealth.
Instead of pain and sickness
He brought me out in health.

O' Egypt longtime enemy
I served under you so long.
For over four hundred years
But today, now you are gone.

My enemies are all drowned
No fear or cause to alarm.
They're annihilated, destroyed
Never again to cause me harm.

*Oh the great Red Sea
It stood up for me.
It barked to God
And gave me liberty!*

I was a damsel in distress
Trodden down by fools
But when God's had enough
He'll break all Nature's rules.

*Just like the damsel in distress
My name is Dee
What He did for her
He'll do for me
All of my enemies
They shall live to see
That God will part, too
A Red Sea for me.*

2/5/99

After All This Time

After all this time I have come to know
The deeper truths of God my soul did bestow.
'Twas the month of man and twice the seven
Giant steps I made higher heights to Heaven.

Growing in His knowledge and in His Grace
I learned to pray in a consecrated place.
I learned to "*shabach*" and give higher praise
I learned of the Holy Ghost, His Purpose, & Ways.

I learned spiritual warfare and secrets of the Word.
I learned things of God I had never heard.
Then a radical change I made for Thee
I did so in haste – and now I am *freeeeeeee*.

I had been so many places for so many years
Offering up prayers, strong crying and tears.
I had almost given up, and almost given in
Fallen into pits, pens, the caves and the den.

But fresh oil came in the sixth week of the new
There came a bright dawning with the Spirit's dew.
Of a greater horizon in just one morning
My God endowed me with a fresh anointing.

I became full of awe and had so much to say
Satan had silenced me and hindered my way.
Spreading his vicious lies and holding me back
He had kept me in bondage , riddled with lack.

But glory to God in the Highest I can pray
I can walk in victory each and every day!
Could it be that life is supposed to be sweet?
Peradventure daily for the humble and meek?

After All This Time (continued)

You mean all saints aren't poor and weak?
And there's no excuse for a life of defeat?
Yes! Glory to God I've learned to pray
I can walk in victory each and every day.

Now to higher levels in God I will declare
I will publish this news to saints everywhere.
As I walk in dominion - strutting God's style
He protects in the wilderness from besetting wild.

I shall walk to perfection in His ways and His path
I shall walk and not faint. O what Joy my soul hath.
I shall walk in His truth up and down in His name
I shall walk steps of faith and His Spirit shall reign.

Walking humbly before Him is how I ought to walk
In the newness of life will I walk to my talk.
I shall walk in His wisdom and walk in His might
Then at the Last Day we shall both walk in white.

Touch them Not!

*Be careful of what
You say and you do
God can be terrible
His words are true.
You say hard things
About men of God.
God can suddenly
Strike your heart.
They hated Peter.
They hated Paul.
They hated Jesus.
All great men called.
They crucified Jesus.
They murdered Paul.
They killed Peter.
They hated them all.
All God's anointed
All His appointed
Were challenged, confronted
Abused and hunted.
The disciples and Jesus
Did a many wonder
Yet they were killed
And sawn asunder.
When God puts greatness
Inside a man
He then gains enemies
All over the land.*

*Desperately wicked
Is a man's heart
And full of deceit
Saith the Lord.
All the miracles
Christ did perform
Yet His accusers
Caused Him great harm.
A man of God
Anointed and great
Will always be
A man to hate.
And what of David
Who cried each day
So many enemies
Stood in his way?
A man righteous
Doing what God said
If not for God
Would soon be dead.
Men of little faith
Little enemies has he
But men of great faith
Hath a greater enemy.
They turned against Moses
In spite of his rod
And Moses told them
It's not me rather God.*

*You fight not with me
I'm only a man.
It is God you attack
You fight His hand.
We are only messengers
Not the Holy One
Who sent the Holy Ghost
Who sent the Son.
But yet we're inheritors
Protected and sealed
Commissioned by God
And Spirit-filled.
So be careful of what
You say and you do
God can be terrible
His words are true.
He guards His words
He protects our souls
He chooses men
To reach His goals.
Until you've tried it
Don't you knock it
Until you know it
Don't you block it.
So tame that tongue
Watch you lip
Close your mouth
Or Alas! R.I.P.*

Life's a Game?

Though the tears come streaming down
And my heart aches with pain
Doors have been closed every day
Because life seems but a game.

The earth, it is the playing field
The player, they're you and me
Like a game of football or soccer
Winners and losers are we.

I see it now so clearly
The desire to control us with money
Pulling us with their power tactics
Making us like the puppet, the dummy.

Who are the "they" you ask?
Who are the leaders in this game?
Well, they are the power-crazed control freaks
Who will dominate anyone in pain.

Just don't you dare trip or fall
For if you're wounded, you'll be a disgrace
No more allowed to compete in the game
Someone else will take your place.

Life seems a game, so many players
So come let the good time roll
But don't suffer any deadly blow
Or you'll be expelled from the fold.

Life is but a game, win or lose
But everyone wants to win
So you must play with all your might
For after death, no chance again.

TRIALS, TRIBULATIONS, AND TROUBLES

Acts 14:22, Romans 12:12

We must go through much tribulation
To enter into the kingdom of God
But in tribulation, we do rejoice
Exceedingly within our hearts.

II Corinthians 7:4

Tribulation brings forth patience
Faint not, fiery trials will come
Patience worketh experience and hope
Let the work of God be done.

Romans 5:3; Ephesians 3:13

Don't think it's strange to have fiery trials
It is written in the Father's plan
For completion, perfection, entirety
Of the holy and upright man.

I Peter 4:12; James 1:4

In every trial and tribulation
Our Lord is standing by
Let not your hearts be troubled
He heareth the righteous cry.

St. John 14; Psalms 34:17

Out of all our troubles, He delivers
And quicken those who wear His name
Bringing up out of the enemy's pit
For if we suffer, we shall reign.

Ps. 34:17; II Timothy 2:12

We must go through tribulations
The Three T's is a must
So that we may grow to maturity
And on God, learn to trust.

GOD IS LOVE

*Love is of God
And God is Love
The Love of God
Directs my heart...*

*Bestowed upon me
And shed abroad
Esteemed highly
Love is of God...*

*My soul loves Him
For He first loved me
His Love's manifested
Perfected, perceived...*

*Not of the ordinary
God's love is no game
It destroys all fear
Succumbs not to fame...*

*It is called the agape
It outreaches all bounds
Goes above and beyond
Every other I've found...*

*This agape goes deep
For it of the soul
Of the righteous One
It never grows cold.*

11/8/97

pray, pray, pray

Go up to the housetop
And there you should pray
Like Peter at the sixth hour
Let the Spirit have it's way.

Rejoice now and forevermore
In the morning and noonday
In all things, give thanks
But never cease to pray.

Pray one for another
Give yourself to prayer
Pour out your soul to God
Casting all your care.

Prayer is the answer
Prayer is the key
Prayer changes things
Prayer will set you free.

Prayer along with fasting
'Tis yet a powerful Two
The duo for deliverance
Tested, tried and true.

HIGH PRAISES, We Are Free!

Clap your hands and magnify Him, With the voice of triumph, let's shout

He has set our feet upon a rock, Let high praises be in thy mouth.....

Your miracle request is already known, just grasp it in your hand

God has done miracles many times before and God will perform them again.

But let His will come forth in you, His perfect will for thee

All things you touch shall prosper, from bondage, He'll make you free.

Free from curse, free from pain, free from poverty, free to gain.

Free from death, free from sin, free from afflictions, free to win.

So clap you hands and magnify Him

With the voice of triumph, let's shout

He has set our feet upon a rock

Let high praises be in thy mouth.

He brings us up out of the horrible pits

Command angels to deliver us from pens

Protects us when driven to the mountains' caves

And rescues His anointed from dens.

For He is great and doth wondrous things

Compassionate and ready to forgive

Plenteous in mercy, truth, and love

Brings us to wealthy places to live.

So clap your hands and magnify Him

With the voice of triumph, let's shout

He has set our feet upon a rock

Let high praises be in thy mouth.

He brought His people out of the wilderness

He brought Christ out of the grave

He brought Daniel out of the lions' den

He brought David out of the cave.

He brought disciples out of prisons

He brought Saul to the light

He brought Lot out of the city of bondage

He brought His anointed ones out alright.

So clap your hands and magnify Him

With the voice of triumph, let's shout

He has set our feet upon a rock

Let high praises be in thy mouth.

That Night

*That night at that little church
When God sent His Spirit down
Was the most amazing sight
Miraculously turned my life around*

I bowed at an old wooden altar
My pride had gone away
The Holy Spirit rushed in upon me
As I continued to pray

I had thought that He didn't love me
That He didn't care for my soul
But that glorious heavenly night
Meant more to me than gold.

Touching me that very first time
My earthly thoughts slipped away
I experienced a glimpse of heaven
I cherish that night today.

O keep me in that perfect joy
That I received that holy night
Fill my cup till it flows over
Keep me in Your Holy light.

How real was that holy touch
That turned my life around
How powerful that majestic spirit
In it what joy I've found.

*Not another night since that night
The night He washed away all my sin
Oh to look back and remember
That great night again and again.*

8/26/97

Peace Perfect Peace

It's me again Father, Yes, here I am
At rock bottom and head bowed down
My heart and soul, my spirit doth yearn
For this negative season to finally turn.

Peace, Lord, perfect peace
Peace, Lord, perfect peace.

Make haste, Oh God, lift up my soul
For Your peace and serenity are better than gold
O, just to have that peace of mind
That alone do I seek to find

Peace in turmoil, Peace in pain
Peace in disaster, Peace in gain.

When things go wrong, when things go well.
When God seems faraway, when plans have fail.
Though been denied, though afflictions abide.
Though left alone, though hope seems gone.

Let me have peace
When the storms come
Assuring and confirming
Your will be done.
According to Your Word
Committing to the faith
In hope of the rapture
As I watch and wait.

Peace, Lord, perfect peace
Peace, Lord, perfect peace.

I have kept the Faith

*I have kept the faith
when I was young and misunderstood the wiles of man*

*I have kept the faith
when there was trouble on every hand*

*I have kept the faith
when saddened, broken and abused*

*I have kept the faith
when sick, in pain, and misused*

*I have kept the faith
when I've prayed, but didn't receive*

*I have kept the faith
when robbed, abandoned and couldn't achieve*

*I have kept the faith
when wearied, hungry and beaten down*

*I have kept the faith
when afflicted, lonely with no one around*

*I have put my trust and faith in You
Having the confidence you'll see me through
Many are the afflictions of a righteous man
By faith, I'll be delivered by Your Almighty Hand.*

Free-e-e-e-e-e

The curse is reversed
The pain is gone!
The chain is broken
Demons dethroned!

Eighteen years
Of living in chains
Not even one day
Without great pain!

The curse is reversed
Let me shout shout shout!
Satan, the liar
Is now cast out!

The curse is reversed
Yell victory!
No more bondage
I am set free-e-e-e-e-e!

The curse is reversed
There's no more curse!
He reversed the curse
The curse is reversed!

Reversed, immersed
By the blood of Christ!
It's over Satan
He has paid the price!

I'll say it again
What did I say?
The curse is reversed
Walk free today

Oh Grow Up

And I brethren could not speak unto you as unto spiritual, but as unto carnal, even as unto babes in Christ, I have fed you with milk, and not with meat: for hitherto ye were not able to bear it, neither yet now are ye able. For ye are carnal: for whereas there is among you envying, strife, and divisions, are ye not carnal, and walk as men? I Corinthians 3:1-3

*To increase, to mature, to thrive!
To be better, more productive, arise!
Firmly established and to go up!
These words all mean to grow up!*

You can't and won't grow
For you don't want to know
You don't want to learn
You don't even want to discern

You don't want what's true
You don't want what's new
You don't want what's pure
You don't even want to hear

You don't want our God
You don't want a new heart
You don't want His power
You don't even want revival

What you want is control
To destroy your very own soul
What you want are just lies
You don't even want true advice

What you want then is strife
What you want is a carnal life
What you spread, it is ill-will
You're sure prey for satan's kill

Christians, if you'd just grow up
Oh Israelites and be mature
Vessels of honor without shame
Working your salvation with fear

Oh Grow Up for goodness sakes
Twenty years you're still the same
You haven't stepped up one level
Your spiritual life is dull and lame

*You can't get off the baby pacifier
You're too weak for the gospel meat
All you can take is only a little milk
But you'll feast off the lies so sweet.*

We can do all things thru Christ
You say you can't but you just don't
You must progress to the kingdom
The dangerous fact is that you won't

Break the Cycle, Church!

Break the cycle, stop the pain
Cure the heartache in Jesus name
Break the cycle, stop the hurt
Mend the broken, O' faithful church
Halt the evil, remove the curse
Without intervention it'll get worse
Break the cycle, the enemy lurks
Rise Up! Awaken!, Use power church!

Evil men have crept in
Jude said they did it unaware
But you know that you see them
You know that they are there
Reprove, rebuke, exhort,
Uproot, tear down, rebuild
Jeremiah speaks against evil
Stop pretending that it's not real

God is truly a spirit
And Satan is one as well
He is fast deceiving many
Tricking and sending to hell
Demons are running loose
Even in the house of God
Because they're not cast out
In the name of the Lord.

I see agreements with unclean spirits
Bowing down and compromise
O Look and see what's happening

Open up your spiritual eyes.
Power to the church as once before
Power to the people of God
Power against every stronghold
Power to mend the broken heart.

Under our feet, you enemy
We trample you to the ground
People of God, let's claim attack
Let the trumpets of God now sound.
Let us take everything back
It's time to do something new
Time for Christians to act with power
Time to show we're the winning crew.
Let us take our promises back
They belong to us anyway
Satan has stolen much too much
We must come together and pray.
Christians, prayer is still the answer
With repentance, joy and love
Honesty, purity, and togetherness
Fasting and guidance from above.

1997

Many churches have lost sight of their purpose. We are called to be salt and light in a decaying, darkened world, to make disciples of those who live in it. But we often get distracted and the church of Jesus Christ becomes more a social club than an evangelistic army. Francis Frangipane

The Church as a whole cannot arrive at perfection till it has gone through suffering, Colossians 1:24-29

PURE AND WISE MAN

Many crossroads of decisions in life will come
As we grow older and wiser each day
Tough choices are put before us to make
We can make it though if we pray...

Living in sin and shame and drunkenness
Will deteriorate and destroy our health
A wise man of pure wisdom will change his ways
For pure wisdom is more valuable than wealth...

A pure man carefully weighs the facts
Understanding what is right and fair
And out of his mouth comes knowledge and truth
And from his heart comes instruction and care.

Potter's Clay

Jeremiah 18: The Potter and the Clay

God, you are my Potter and I am Your clay
So take me and mold me today I pray
Beaten down and broken, weakened in strength
Show mercy hastily for nights far spent
My Potter, my Love, I am in your Hands
I need you to help me and heal my lands
You are my Potter who can turn me around
On the wheels of destiny heavenly bound
Make me and mold me to a vessel that's strong
Mend the broken pieces where I've been wrong
Make me again unto a vessel that's pure
Giving perfect foundation solid and sure
Shape me in spirit with love and grace
When I look in the mirror let me reflect Your face
Take this clay, Potter, have Thine way
My soul is destined by whatever You say
Potter, Potter, daily I cry to Thee
Let your precious loving arms embrace me
Every day, every hour, I need your caring touch
There's nothing in this world I've wanted so much
I give you my all to work out on the wheel
I refrain from anxiety seeking You, standing still.

NOT SO LUCIFER!

Matthew 16:23

Not so! Satan, Lucifer
The word of God is true
Your lies and your deceit
Will soon turn on you

Not so! Satan, Lucifer
You're crafty as can be
Truth is nowhere in you
Don't bring your lies to me

Not so! Satan, Lucifer
You've tried to blind my eyes
With your snares, traps, and pits
And your deceitful, vicious lies

Not so! Devil, Lucifer
Your goal is to trap and fool
To kill, to steal, to destroy
But in me Christ reigns and rule.

9/20/97

Fed Up!

Make haste Oh God to deliver me
Make haste to set me free...
Lift me up from this horrible pit
It's so dark that I can hardly see.

Take now this bondage of sickness
Poverty, defeat, and pain...
Give back the joy of Thy spirit
And let sin have no domain.

Make haste Oh God to deliver me
Make haste, make haste I plea...
The waters are rising over
And the storm rages furiously.

For sin shall have no dominion
Neither sickness, defeat, or pain...
The righteous suffer many afflictions
But ultimately victory shall reign.

Please hear my call, my cry
My soul cries out to Thee...
Rebuke now Satan's bondage
Make haste and set me free.

I know You are a Deliverer
All things are possible with You...
Turbulent times and stormy waters
Are nothing for You to undo.

Make haste dear Lord, I need you
To remove the shackles and chains...
Break this power of evil
And deliver me in Your name.

So make haste, dear Lord, to help me
Because enough's enough's enough...
This bondage, it must be broken
I'm fed up with the enemy's stuff!

8/18/97

Repent, Ye and Turn!

Repent and turn, do not die!
Repent, therefore, and live.
Cast away all your sins
He's faithful to forgive.

Any sins in me that are hidden
Sins committed, omitted, unknown
Anything You are displeased with
Wash me 'til they're gone.

God said: "My people, My children
I'm here to bring you out.
Do you have faith to believe Me
Or do you still have doubt?"

I return to You, Precious Savior
Returning, I can now find rest
The fault was never in You Lord
It is I who have failed the test.

So now with Godly sorrow
I repent and earnestly pray
That God would forgive me my sins
I believe He'll wash them away.

I'm returning to you My Shepherd
I'm coming home My dear Lord
Revive me and sanctify me
And mend my broken heart.

I abhor all my sins and error
Out of mercy, may He forgive
From whence I have fallen
I turn back that I may live.

Like Jacob, I vow a vow
My whole life I submit to You
Give back Your sweet, sweet spirit
And make my life brand new.

I repent so that I perish not
For the kingdom of God is at hand
Purge me, deliver me, mortify
Refresh my anointing again.

Protect me as I make this vow
And never leave me alone
Always be with me Sweet Savior
Guarding me from Your throne.

Hedge me with your guarding Angels
And keep me safe in Your Care
You told me LO, I'll be with you
So please Lord always be there.

Blue and beautiful
Bright and gay
Are the skies
Of Heaven every day
except When it is cloudy.

But always know...
With every season
In all life's turns
There is a reason
then the sun shines again..

cycle love

She had put aside the bad attitudes
And all the spoken words and deeds
She thought she needed the love
That only he could satisfy her needs.

Just for that little affection or love
And sometimes a sweet touch
She forgot all the latching out
And words that hurt so much.

Sometimes he was so mean
Why, she just didn't know
He'd rant and rave and threaten
Tell her to pick up and go.

He was angry and so cold
Yet he was sweeter than sweet
Like a roller coaster nightmare
His act was sly and neat.

Smooth -talking hypocrisy
And a million-dollar smile
But underneath the clever visage
Lied deceit of undetectable wile.

Cycle love is what I call this
Here you go around and around
A roller coaster treatment
How did she get so bound?

He'd hit, hurt, or hound
Then shower with acts of care
If you hadn't witnessed his rage
You wouldn't believe it was there.

If something would tick him off
He'd blame and put her down
Then the cycle started again
Just like a merry-go-round.

Why I feel Forsaken

You ask me why I feel this way
I have suffered every night and day
All my life has been lived in pain
Mistreatment, rejection, and disdain

When as a baby, a child and right now
I've been abused and made to bow
To injustice, unfairness, evil and wrong
In spite of tears and prayers all night long

All things I've accomplished in pain and toil
Seem to always fade, escape me or spoil
Career, marriage, ministry, my health
The harder I tried comes poverty, not wealth

Every good thing or greatness in life
I've tried to grasp but then came strife
I'd push harder, pray, fast and sought
But yet I've lost, the more I fought

Tho' prayers for guidance, answers and help
Yet forced backwards step by step
I pressed to go forward but to no avail
With every progress came the crucifix's nail

Crucified with Christ living only by faith
Slain and delayed oppressed by hate
I'm not alone, I could write a list
Bible sisters and brothers suffered just like this

Why do I feel forsaken, I guess I'm like Christ
He lived, He loved, He gave, He died
And His dying words were this you see
My God My God why hast thou forsaken Me?

9/29/97

God Said

I'll be there with you my child
O'er the mountains and hills.
There to comfort and guide
Thru the rivers and fields.

So let me be your Father.
I live far in the sky.
But though I seem away from earth
My spirit draws very nigh.

My child, do be patient.
For I will take my time.
I have blessings manifold
For you, Precious one of Mine.

Don't question my Love or Actions.
You can not understand.
I'm sorry my dear child
My thoughts are higher than man.

But my dear one, there's happiness
Right there where you are.
It's just around the corner
It's not at all very far.

So be strong and love me still
Don't let the enemy win.
For he knows you have a blessing
And wish that you would sin.

He has said that you would curse Me
And say, Lord what's the use,
I might as well just die...
And he'll destroy your spiritual fruits.

He has tried to make you sick
And to even destroy your look.
That's his very evil job
He is the conniving crook..

Don't let him do it child.
Don't let him tear you down.
Don't let him win your soul.
Don't let him get you bound.

Pray on, my dear child.
Stay down on bended knee.
Every problem that confronts you
I will set you free".

I LOVE ALL MY CHILDREN.

Perry

*Death's spirit was in the house
We could feel it in the air
Yet we were totally unprepared
We were unaware...*

I, at the age of three
And Perry being only five
Did not know the terror
Of what would soon arrive.

Mother must have felt it
Some unseen dreadful power
For I can clearly remember her
Quietly reading her bible.

Time moved on and on
And my father left the house.
My brother, Lo, left with him
The horror will now arouse...

All of sudden came a burst of fire
The fire grew fierce and wild.
Mother struggled to rescue us.
Marve Nell grabbed the child.

Safe and sound, we felt
As we sit upon the ground
But somehow not relieved
In some way we were bound.

Then we heard a distressed cry
Who could this possibly be?
Hadn't Perry left with father and Lo?
Or could this cry be he?

With the house full of flames
And the memory days before
Mother by her faith in God
Walked thru the flaming door.

She searched the smoke-filled house
For her eyes could not see
Then she came upon Perry
By God, they came out free.

Five year old Perry asked Mother
What must I do or say.
For I want to give my life to Jesus
And live for Him every day.

And Mother said to Perry
"Go to him and pray".
He, being only five years old
Knew not what words to say.

Mother told him: *"Say, save me Lord"*
And Perry said the same
In the beauty of Holiness
He was saved in Jesus Name.

God's Ideal Man

What more could we ask of a man?
For this man has labored and toiled
For this man has sacrificed his life
And to everyone, he is loyal.

What more could we ask of a man?
For this man has the qualities of good
For this man has an understanding heart
And has always done the best he could.

What more could we ask of a man?
For this man is always right there
And he knows how to lend a hand
For anyone who is in despair.

What more could we ask of a man?
For this man loves the church so well
He has great influence statewide
For this gospel he loves to sing and tell.

What more could we ask of a man?
For this man is one full of love
For he is one of many talents
That God has given him from above.

What more could we ask of a man?
He is a shepherd for the sheep
A divine leader for His people
And like Jesus, he's kind and meek.

What more could we ask of a man?
For this man has that certain touch
Commentators say this about him:
"This man is just too much".

He's a man of God, humble of heart?
He's kind, faithful and true
He's a unique man, God's ideal man
PASTOR, this man is you.

A PRECIOUS JEWEL

*I have not met a woman yet
Who has done what she has
I have not seen one so clean
Who has done what she has
I do not know one so whole
Who has done what she has*

From a child alone, abandoned
To a woman anointed of God
She has put forth her life
As sacrifice to her Lord.

She teaches strong the word of God
And her life is spiritually led
She has not respect of persons
Many she has blessed and fed.

Severe childhood mistreatments
She placed her hands in Christ
And told Him, "If you save me,
I will dedicate to you my life."

I have not yet met anyone
Who shows so much care
To her most vicious enemies
Of whom she's quite aware.

This is why she's pressed on
In spite of all the lies
And held on to God's Hands
No matter how Satan tries.

She continues to nourish her children
Her motto is "To Go through"
Thank God for our First Lady
She's faithful and she's true.

She stands firm on God's word
She prays the sinners through
She helps the lost find Jesus
She knows how and what to do.

A precious jewel she's called
What a way for us she has paved
Ministries would not exist today
If she had not been saved.

For if not for our First Lady
Where would we and others be
As a girl she prayed for our pastor
And God joined them for this ministry.

IT'S NOT SUNSHINE FOREVER

A saint will be the one to go to heaven
But we should know it's not sunshine forever
Not down here on this earthly ground
Can we not have trials and be heaven-bound
The words said rejoice and be exceedingly glad
With dark clouds around us, we shouldn't be mad
We must have trials in order to stand
With the Holy Spirit, I know we can
It's not sunshine forever in this world of sin
The saint has to tolerate the sin of men
But he must not forget to be of good cheer
We are serving a God in whom we do fear
Many have heard that this is a pressing way
It is indeed from night until day
It's not sunshine forever, the rain will fall
Rejoice for Jesus for He's our All and All
And we have this promise that He'll always be there
Sunshine's not forever-sometimes it's bad or fair.

**THERE
IS
NO
EXCUSE.**

There's no secret in God's doing
Like the house sits on a hill
Or a candlelight in darkness
Everyone should know He's real.

Today His way of Salvation
Has spread the world abroad
TBN, 700 CLUB and others
Have carried the Word of God.

On the television they worship Him
You can turn on your radio
They worship Him in song and dance
He can be heard wherever you go.

You may avoid the preacher next door
And hide from God's missionary
Flee the saints and ignore the Word
But the truth you just can't bury.

Sisters, Brothers, Sinners, Sinners
Whoever hath ears to hear
If you're still making excuses
Christ's return is very near.

Harken to what God says
And harden not your heart
Deny yourself, all ye proud ones
And cry out to the Lord.

There's no excuse for not living right
All things in Christ you'll find
Health, happiness, virtue, love
Joy and peace of mind.

Yet many will wait too long
Till down on their deathbed
Then they say to themselves,
"Was that right the preacher said?"

Sermons are preached each Sunday
And the Bible is right and true
Are you fixed up to go to Heaven
Have you done what Christ said to do?

Are you reading just parts of scripture
And letting it stand at that?
Do you distort God's holy words
And tell lies as partial fact?

Love, Peace, Joy, Joy
Joy is what you'll find
The Holy Spirit will comfort you
And clear your confused mind.

Stop making excuses, stop telling lies
Stop all your ways of sin
If you stop your wicked ways
The Holy Spirit can abide within.

Open up your heart to Jesus
Ye sinners, one and all
Good, bad, rich, and poor
Answer yes to the Lord's call.

Need I say more about living right
Are you convinced there're no excuses?
The Just soul wins life everlasting
But the Unjust dies and loses.

Exalt, Esteem and Dare to Dream

Philippians 2:2-5

Dear people of grace who love the Lord
Let's not compete with one another
Remember that we're on the same side
Let us support our sister and brother.

Let us celebrate one another's gifts
Let us not boast that we are the best
Let another man praise or exalt you
This is a conquest and not a contest.

*These are they, they exalt, and they esteem
These are they, the chosen, God's dream.*

How great it is to hear one another preach
With one accord the same love and mind
No deadpan faces in this spirited audience
This is the fellowship of a people divine.

If you can't console, enjoy, esteem anyone
No one will console, enjoy, or esteem you
You are the stars of the sky, the promises
You are the Christian, the Muslim, the Jew?

*These are they, they exalt, and they esteem
These are they, the chosen, God's dream.*

The secret to being a success in His kingdom
Is loving, enjoying, and esteeming the other
Christ-leading, God-believing in fellowship
Humanity, we are sister and we are brother.

According to our gifts, talents, and purpose
Exalt, Esteem each other and dare to dream
Do all things, every thing, with God in mind
You will receive miracles no one's ever seen!

*Exalt, Esteem and Dare to live the Dream!
The Conquest for Destiny of the Redeemed.*

IN ALL THY WAYS

ACKNOWLEDGE HIM
IN ALL OF YOUR WAYS
ACKNOWLEDGE HIM
FOR ALL OF YOUR DAYS
YOU WHO NOW SEEK
PATHS TO BE FOUND
MUST PRAY AND PRAY
HEAD BOWED DOWN
FOR THE WORD SAID
THE PSALMIST SPOKE
IN ALL THY WAYS
YOU MUST INVOKE
THE LORD OUR GOD
IN ALL THINGS YOU DO
WITH ALL THINE HEART
TO GUIDE YOU THRU
NOT MAYBE OR SOMETIMES
BUT ACKNOWLEDGE IN ALL
EVEN IN THE BIG ISSUES
AND EVEN IN THE SMALL.

2/26/5

I did it all for you!

I must do the will of my savior Christ
So that someone's eyes might see
That God is still a miracle worker today
For His miracles are still working in me...

I had almost given up sometimes
It was so dark till I almost gave out
But I kept on pressing to lift up Jesus
By telling others what My Savior is about...

Nevertheless, there will still be doubters
And unbelievers until Jesus comes
But when Jesus comes back second time around
I want hear Him say, "Your work is well done".

My work is done, I'm finished dear Lord
I have done what you have told me to do
I have sacrificed my mind, body, and soul
I did it all Lord - did it all for You.

WISDOM

Wisdom dwells with prudence...
Gives counsel and strength...
By it, kings reign.
And princes rule...
It hath riches and honour...
Knoweth the righteous ways...
Leads to great treasures...
Wisdom is of God.
And existed of Old...
Before there were depths...
And the mountains settled...
Wisdom was there.
Before the hills...
The dust or fields...
Wisdom was there.
In the heavens' creation...
The clouds and fountains...
Wisdom was there.
Wisdom stood by...
Together with God.
Rejoicing before Him...
His daily delight...
When thou find Wisdom...
Thou findeth life.
Wisdom was there...
Wisdom is here...
Get Wisdom, Get Life.

FOR MY DISCIPLES

I pray not for this world, Father
But for the church who are Thine
For the temple, I love and will die for
For those who are Thine and Mine.

For soon I will leave this world
And will have to leave them here
I have kept them in thy Holy Words
Except for one, I have kept them pure.

Father, I come to Thee with a request
For my disciples, Your future sons
Empower them Father with Thine Holy Spirit
As We Are, Father, make them one.

11/11/97

Injustice

Who's to say what's wrong
And who's to say what's right
Injustice has been just so long
That no one wants to fight

Men of color are told stay down
Women of color are told stay low
I will then get along with you
And be your friend and not a foe.

I am the Supreme, the Power
Injustice is my goal and aim
I keep racism and hatred alive
Discrimination is my Game.

I will ignore your education
Because your color is still the same
It doesn't matter what you know
You still can't win in my old Game.

My game is to smile in your face
While lynching you behind your back
Never leading on to my prejudices
And always evading the ugly fact.

With this game I can brag secretly
My friends and I all love to play
We work together as team racists
Old roads of racism pave our way.

You don't have to have your knowledge
Nor your skills or expertise
You see, I am a part of the subtle clan
I can keep you down with ease.

With slander, I degrade and frustrate
Till it eats away your self esteem
I'll continue to look my peaceful self
With my racist discrimination team.

My team backs me up with cover up
For they will need me too
To help keep the undesirables out
We function so no one can sue.

Yes, the Game is really working
The system's on our side
I have power all the way to the top
And injustice is my guide.

So stay low my ethnic brother friend
Make sure you don't try to succeed
My bigoted Gamers and I
Will knock you back to your knees.

We'll beat you down with poverty
We'll give you the dead-end job
We'll shut all prosperous doors
We can play the part of God.

Who's to say what's wrong
And who's to say what's right
Injustice has been just so long
That no one wants to fight....
That no one wants to fight...

Their Journey Together

**Tribute to parents*

Together they walk in His footsteps
Righteousness shall be their crown
Everlasting life is destined (Dan 12:3)
For those who are heaven-bound.

They will be as stars in the firmament
In great brightness, remarkable glare
Turning many souls to righteousness
They will shine far beyond compare.

Pressing forward onward the journey
As they continue standing strong
Thorns and thistles along the way
But yet singing a precious song:

A better country belongs to me
The Golden City of God
Mansions, crowns, rewards I see
After rapture to our dear Lord.

Beyond the sun above the clouds
He will open the heaven's door
My citizenship shall be Heaven
Where trouble will be no more.

God's workmanship of excellence
In morals bonding Christian love
With sweet qualities of godliness
And holy knowledge from above.

He called them to proclaim the gospel
To declare it to all fallen men
To this day they're doing God's work
And many are delivered from sin.

By their hands miracles are wrought
Thru their lives of constant prayer
Leaders of this type are hard to find
They're unique, they are very rare.

They shook the wicked town, Groveton
By faith, in Palestine, they raised the dead
In God's power, traveling near and far
And many sick ones came off their bed.

Let's pray that God will uphold them
And endow with strength and power
To keep them going no matter what
As we approach this our final hour.

Which Way is Best

JESUS CAME INTO THE WORLD
THE DEVIL CAME TOO
THE ONE YOU DECIDE TO LIVE FOR
IT ALL DEPENDS ON YOU.

THE WAY YOU LIVE FOR JESUS
IS A REMITTANCE OF ALL SIN
BUT LIVING FOR THE DEVIL
IS WHERE THE SIN BEGIN.

THE GIFT OF GOD IS ETERNAL LIFE
SO START NOW ON YOUR QUEST
SIN'S WAGES IS ETERNAL DEATH
YOU DECIDE WHICH WAY IS BEST.

6/5/75

BACKBITING

IT IS WRONG AND UGLY
IN THE SIGHT OF GOD
ARE YOU PROFESSING SALVATION
BUT HAVE SIN IN YOUR HEART?
IF YOU'RE TALKING EVIL
ABOUT YOUR SISTER AND BROTHER
YOUR PASTOR, HIS WIFE
OR EVEN ANY OTHER
IF YOU'RE BACKBITING
BUT HYPOCRITE A SMILE
JUDGMENT AWAITS YOU
O DECEITFUL CHILD
IT'S BUT FOR A MOMENT
JUST A MATTER OF TIME
WHEN GOD SHALL APPEAR
WILL YOU BE LEFT BEHIND?
HE'S ON HIS WAY BACK
TO CLAIM HIS OWN
THE EXACT TIME HE COMES
TO ALL IS UNKNOWN
YOU NEED TO REPENT
AND ASK OTHERS TO FORGIVE
OR STAY AS YOU ARE
AND CHOOSE NOT TO LIVE
IF YOU KEEP BACKBITING
JUST TO DESTROY SOMEONE
YOUR CHANCES FOR HEAVEN
ARE ZERO TO NONE!

2/8/78

Other Fold

I have other sheep not of this fold
My sheep worship me in different ways
I can feel their sweet humble spirit
I can hear their earnest praise.

You think because your church has been here
That your church is so wise and old
But that does not matter to me
What matters most is are you a holy fold?

Your church fold is not the only one
I have other sheep that you do not know
I will judge thru Mine Own eyes of judgment
To reward all men for what they sow.

If you are sowing seeds of religious judgment
Verily I say it's coming back to you
While standing before the great white throne
Where judgment is final and true.

10/25/97

*And other sheep I have which re not of this fold; them also I must bring, and they will hear
My voice; and there will be one flock and one shepherd. John 10:16*

Gospel Giants!

Gospel Giants will come forth!
To the Rich, to the Poor
To the Wise, to the Foolish
Sound the Trumpets before!

Gospel Giants are coming!
To help bring Them back in
Up out of horrible pits
The pens, caves, the den.

Gospel Giants will come attacking!
With Christ as ultimate Source
In the power of His Spirit
Taking back by His Force.

Gospel Giants are coming forth!
Endowed messengers of God
Planting seeds of deliverance
Harvesting peoples' hearts.

Gospel Giants come executing!
Convincing ungodly men
Shaping up and Challenging the lost
Compelling prodigals to abandon sin.

10/25/97

Brethren, if anyone among you wanders from the truth, and someone turns him back, let him know that he who turns a sinner from error of his way will save a soul from death and cover a multitude of sins. James 5:19-20

The Comforter is come to reprove of sin
I shall rejoice and be of good cheer
My Blessed Savior shed blood with pain
He is so humble, meek and pure
They put a thorn upon His Head
They even pierced His side
They nailed Him to a rugged cross
And My dear Savior died.
Without in Him a bone broken
He rose up from the dead
And gave up the Holy Ghost
The glory of His bloodshed
Yes, the Comforter is Come
For it I will give praise
Gladly, I have received it within
I shall cherish it all my days
Not just Easter will I celebrate
But every day of my life
I shall live in the light of Christ
And in the Comforter abide.

3/29/77

EVERY DAY

*Each Day I need your Help Father
To carry me all the Way
Guide me, teach me Lord
This I earnestly pray.*

*Your sweet, sweet spirit abides in Me
It's sweeter by the Day
I love you Lord with my heart and Soul
Don't take Your Spirit away.*

*And now that I have grown wiser
I can trust You come what may
I have sought You since my childhood
In Your loving arms I lay.*

*I know that I have spiritually matured
For I acknowledge You everyday
I have put away all childish things
I receive every word You say.*

THE RIGHT PATH!

First before you make that step
Be sure that you have measured depth
And if you see you can't percept
Stop and ask the Lord for help.

Second, before you start to climb
Be sure you're in your rightful mind
And if you just think things are blind
Talk to God, the right path you'll find.

Third, before you start to run
Be very sure the search is done
And that you have that race begun
Which surely will one day be won.

9/16/77

All scripture is given by inspiration of God
It is profitable for doctrine and reproof of heart

For correction are the scriptures for things overlooked
Instructions for righteousness are in His Holy Book

Prepared for God's followers that they may be perfect
Just read your Holy Bible for it's really worth it

Be ye therefore perfect as Your Father is in Heaven
Listen to the Elders and listen the Reverend

With the sword of the Gospel, we can conquer sin
Prayer and fasting and the Holy Ghost within

All these together create the armor of God
A shield of faith for the pure in heart.

2/28/79

New Wine

*To the Upper Room, go higher, climb
And wait until you receive Christ's Sign
Of another kind, this is that New Wine
From the new branch, King David's Line
God the husbandman, Christ the True Vine
Drink of this wine and joy you'll find
From the new branch, Christ Divine
All things twisted, He came to unwind
All things bound, He came to unbind
If we would just drink of this New Wine
He is the author of Life, Creator of Time
The Maker of Sight for all men Blind
The Giver of Life for the Dead and Dying
The Prince of Peace for the feeble in Mind
This is that New Wine of another Kind
From the new branch, King David's Line
Now God's people can Arise and Shine
Arise and Shine and take what's thine!
New wine is yours, New wine is mine
Christ did it all - what Love sublime!*

Praise Power

Power in Your Praise

Have you ever really thought
About the power He has given
The miracle of His passion
After that He was risen?

You should think and you should act
Upon this supernatural fact
You will grow wise and strong
And you will always keep a song.

There is power in the Spirit
There is joy in singing psalms
So keep a song down in your heart
For in His presence power comes.

1997

Praise will be your secret weapon of war against the attacks of the enemy. You will triumph even in the darkest hours through sacred worship in the secret place of My presence. Marsha Burns *Psalm 63:1-5 "O God, You are my God; Early will I seek You; My soul thirsts for You; My flesh longs for You In a dry and thirsty land Where there is no water. So I have looked for You in the sanctuary, To see Your power and Your glory. Because Your loving-kindness is better than life, My lips shall praise You. Thus I will bless You while I live; I will lift up my hands in Your name. My soul shall be satisfied as with marrow and fatness, And my mouth shall praise You with joyful lips."*

I Surrender

Every sin, every iniquity, every wrong..
Committed against Your holy throne..
Forgive me, cleanse me and purify..
Renew, repair, revive, mortify..
Wash me, cleanse me thru and thru..
I surrender Lord, my all to you..
Take this broken vessel and restore..
I give my soul, mind, body, and heart..
Deep down within to the root..
From the top of my head to sole of foot..
Wash me, cleanse me and make me pure..
Touch me until my righteousness is sure.

8/18/97

Pray: *"Father, I want Your will above all else. Please do not let me miss Your plan and purpose for my life."* Such surrender has the guarantee of His guidance, Proverbs 3:5-6. Pat Robertson

This is the time of restitution: he that repents and willingly submits to refinement shall be restored to life. p234 p4 Testament of Love

LET IT BE

Holy Savior, Son of God
Hear now this plea of my heart
Prosper me from heaven above
Show me now your wondrous love
Establish me so that I will be
What my Father wants to see
Strengthen me so that I can live
In God's way and truly give
Lift me up and lead the way
That I may please Him day by day
Keep me from the evil one
Let God's will in me be done
Keep me from sins of the past
His righteousness help me hold fast
Let the New Things perfect in me
For His purpose Lord Let It Be.

Mystery

Great is the Mystery of Godliness.
God was manifested in the flesh.
Justified in the Spirit.
Seen by men and Angels.
Preached among the Gentiles.
Believed on in the World.
Rejected.
Abandoned.
Crucified.
Sacrificed.
Received up in Glory.
Praise His Name!
Alpha and Omega.
First and the Last.
The Beginning and the End.
Who Is and Who Was.
and Who Is to Come..
Worthy of Power,
Riches, Wisdom, Strength,
Honor, Glory, and Blessing,
Soon He Shall Reign
Forever and Forever.
Reign and Rule in Peace.
Amen.

One more chance

Grant me one more chance Father
Endowed with the joy I need
Another chance dear Lord
This time I earnestly plead

Lord do it for me once again
Giving me strength and hope
Another chance dear Father
As I struggle and strive to cope

O Lord do it once more
That I may dance in holy peace
And soar with wings of an eagle
With power that'll never cease

Grant me one more chance Lord
Endowed with the joy I need
Another chance dear Lord
This time I earnestly plead.

I WANT

I want to testify and tell of the Lord...
I want God's love to fill my heart...
I want to do more today than yesterday...
I want to kneel down every day and pray...
I want to always be a help to someone...
I want to have value on all I've done...

I want to be loving and always kind...
I want to always stay in my right mind...
I want to be led by the Spirit of God...
I want to forever praise my dear Lord...
I want to love every enemy and friend...
I want to be tough and not easily bend...

I want to have what it takes to walk upright...
I want to always in His pathway delight...
I want to have meaning in all I do...
I want to keep faith that I'll make it thru...
I want to be loving, kind, faithful and true...
I want to be longsuffering and joyous, too...

Each day I want to more and more improve.
I want to rejoice and be exceedingly glad...
I want to be temperate and not ever mad...
I want to please God and not just man...
I want to give someone a helping hand...
I want to be one that causes only peace...

I want to do good till earth hath ceased...
I want to honor my mother and my father...
I want to be to them a wonderful daughter...
I want to love my sister and my brother...
I want to be help to them and all other...
I want to keep going until the end...

I WANT, continued

I want to triumph victory and surely win...
I want to try hard and be a success...
I want to always do the very best...
I want to stand up and be on my own...
I want to some day see His throne...
I want to always sing a happy song...

I want to be ready to go on home...
Each day I want to more make Jesus known.
I want to be a nice and sweet old lady...
I want to be gentle to everyone daily...
I want to be a sweet child while I'm young...
I want to bring joy from what I've done...

I want to be one in that chosen few...
I want to be one that in knowledge grew...
I want to be just and stay happy and free...
I want the devil to never devour me...
I want to do all these things I have said...
Hereafter, I will by putting God ahead.

This World's Not My Home

*I used to wonder why
There's so much evil, bad and wrong
Then I understood it
Ha! this world is not my home.
A great and holy city
He's prepared just for me
Of gold and precious stones
A divine city evil-free.
A place of eternal joyful bliss
All trouble and anguish cease
There will be no more liars
At last I shall live in peace.*

SINKING

I was sinking down down down
My heart was ticking slower
I was broken down, discouraged
Sinking down lower and lower

I was going down slow and quiet
Because the pain was so strong
My faith in life had dwindled
I had been down for so long

I could not get up this time
I had pulled up before
But this was just too much too long
I couldn't take it anymore

I kept sinking down like quicksand
An evil had torn me down
I was Sinking, sinking, sinking
I was Bound, bound, bound

Broken, hurting and lonely
Misused, abused with scorn
Rejected, denied and forgotten
But now I am reborn!

Thank God for the wisdom
And knowledge of the Lord
Praise God I opened up to Him
And He healed my broken heart.

3/26/98

BROKEN HEARTS

*A merry heart doeth good like a medicine:
but a broken spirit drieth the bones. Proverbs 17:22
A happy heart makes the face cheerful, but heartache crushes the spirit.
A merry heart maketh a cheerful countenance:
but by sorrow of the heart the spirit is broken. Proverbs 5:13*

When you give life all you've got
But receive nothing---broken hearts
If you suffer, give and give
But they just take and take---broken hearts

Who, please tell me, can soothe the pain
Of broken hearts and wounded souls
A heart is broken when no one is there
A heart that's broken in human despair...
When all doors have closed evil will kill
The broken in heart with broken will
Heart stop weeping, sweet spirit mend
This broken heart to joy again...

The Spirit of the Lord has anointed me
To preach the gospel and set captives free
Heal broken hearts, recover the blind to see
And set the oppressed at liberty.

And Jesus said:

The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised. St. Luke 4:18

Pure Gold

Joseph cast in a pit.

In this pit, Oh Lord, I'm in
I need consolation lest I sin
Let your goodness overcome
Let your will to me be done.
Ensure me that You will bring me out
With Your word without a doubt
Your Compassion strong and sure
I know Your love's genuine and pure.
Oh Father deliver now my soul
I kneel at your throne confident and bold
Quickly cure my anguish and pain
Pull me out in Jesus name.
Out from under this darkness of night
Bring me to your Holy light
Endow your servant with holy strength
For all my sins, I confess and repent.
Incline Thine ear to my voice sweet Lord
Thou art my Savior and my God
After the long night affliction past
Aha, it's me, pure gold at last!

america

Unless you have the money and things
They throw you into awful lines
Like a soup kitchen with indignity
This is how they do it in America
*Unless you have the money and things
That the power in it America brings.*
When life gives you a hard kick
They stomp on you when you're down.
This is how they do it in America.
*Unless you have the money and things
That the power in it America brings.*
America, they boast with pride
Claiming to love God but yet you see
They have no care for the downtrodden,
The truly poor, hurting, lost ones.
*Unless you have the money and things
That the power in it America brings.*
God will judge them for it.
The rich buy the lands, buy friends and clergy.
And with audacity, buy justice.
I believe they will try to buy or
create their own God.
*Unless you have the money and things
That the power in it America brings.*

Trapped by Poverty: *"Money isn't everything, but it's up there with oxygen."* The number of Americans living in severe poverty - with incomes below half of the poverty line - increased by 1.2 million in 2003, to 15.3 million. Still, nearly one out of every four African Americans lives in poverty, which is 8.8 million people. Miss O

*Don't say \$uccess is so hard to handle!
Cause failure is surely hell on earth!
Failure is what makes a person break!
Suicide, emptiness, dreading no worth
I will not continue to fail in life
There's too much good to life to live
I will find my trail to my \$uccess
This vow, this day, I hope, I give
\$uccess in the natural and in spiritual
For failure tormented and broke my heart
Ever 'da downtrodden ever' da put down
Failure fail cause my hope's in da Lord!
Verily I declare "Good \$uccess is mine!"
And I will fail NO MORE, I'm gonna win
I possess the attributes of a winna!
As do all of God's children of men
But don't say \$uccess is so hard to handle
Cause failure is surely hell on earth
Failure's what breaks the soul of man
To an emptiness, to a void, to no worth.*

Angels singing

They were sweet incessant voices impossible to describe. How it astonished my mind for it was so wonderful and marvelous and glorious. Ever since that vision and that dream, I have never been the same. Singing used to be something I did a lot, but since I heard angel voices, no one has compared. I'm not saying that no one can sing, but if you had heard those angelic voices, you would feel the same way I do. It was May 15, 1994, Sunday morning. As usual, I did not feel well. My body wrecked with pain as always since 1980. So I was going to just stay in bed, not go to church, try to rest or feel better. As I lay down, I heard something that sounded like voices in the wind. It was as if the voices took over my being. Isaiah heard them and called them a great antiphonal chorus and said such singing it was. It shook the temple to its foundations and suddenly the entire sanctuary was filled with smoke. They weren't male or female, they were humming, perfect melody. It tuned out everything. The power of the Voices made my heart hurt. It pierced through me and took my breath away. I felt fear, joy, and sadness simultaneously. I said to my husband at that moment, "That's it! I'm going to church!." The reason I said it that way was because just a month before, I'd had another dream. In this dream, I was in old our house on Rose Street.

I heard voices so strong, loud, rushing as if they were upon me. I pulled back the window curtain and I saw Angels in the clouds coming up and down towards earth swiftly--very swift and singing *Allelujah, Allelujah*. I wanted to say "Forgive me Lord" but it was too late. Everything seemed so quick. Quick. I can't explain the quickness of it. They were huge, yet they looked normal. The sky was dark, but the clouds were white and I could see them coming in the clouds. I remember no faces. There was some light that they made. So it was dark, yet it was light. I have seen other visions, and had other dreams but never have I been so affected by any such as these, but Since hearing angels, I have awoken to things not seen or heard before. Before all this, I was traveling, showing revelation's end-time movies about Prophecy. My ministry suddenly changed. Doors were closed. Problems and trouble overwhelmed me and I stopped. God let me hear those angels and after that, for the next two months, I was brushed with death, but God let me survive for a reason. I am determined even more today to do God's will. So I pray, "Please help me Father to do whatever you say in the right spirit and in the right way. Thank you for the Visions. Open my eye and ear to hear what the Spirit is saying and walk in it accordingly." Amen. 1994

JUBILEE FOR ME

*I will fast and pray
That God will make a way
To bring me out
Of these bonds today*

*I shall loose it on earth
For what it is worth
Golden promise of God
Giving Saints a new birth*

*A prophecy of past
Till today at last
Shall spring forth now
As I pray and fast*

*Fasting and praying
No more delaying
Seeking, believing
My heart receiving*

*Jubilee, Jubilee
I will be free
Of all the bonds
That are holding me*

*Jubilee, I see
Jubilee, I'm free
Jubilee, I believe
Jubilee, I receive*

*Jubilee, Jubilee
Jubilee, for me
Jubilee, Jubilee
Jubilee, for me*

*Spring forth Jubilee
Come now for me
I receive Jubilee
Jubilee for me*

*Debts be cancelled
Sickness be healed
Afflictions be lifted
Death be stilled*

*Christians needn't fear
Thus today it's near
It's our time, our thing
For Jubilee this year*

*I proclaim Jubilee
I request to be free
Jubilee, Jubilee
Jubilee is for me*

*I claim Jubilee
I seek Jubilee
Thank God, Amen
Jubilee sets free*

*God's people shall rest
In majestic grand stand
As we declare Jubilee
All across His land*

*It's Jubilee, Jubilee
God's children be free
Thank God, thank God
Thank God I'm free*

*It's time to shout
It's time to glow
It's time to dance
To reap and sow*

*So long you've waited
For your day to come
Get ready! Get ready!
For your destiny bomb!*

*Don't be surprised
Lend your ears to hear
This day for you
Is the Jubilee year*

*I proclaim Jubilee
I request to be free
Jubilee, Jubilee
Jubilee is for me*

*I claim Jubilee
I seek Jubilee
Thank God, Amen
Jubilee sets free*

*Aren't you so glad
That you have Jubilee
Shout with trumpets
I'm free! I'm free!
Play with instruments*

*I'm free! I'm free!
Sing with loud voice
I'm free! I'm free!
Clap your hands
I'm free! I'm free!
Break in holy dance
I'm free! I'm free!
Shout! Shout! Shout
Dance! Dance! Dance!
Run like the wind
For it's JUBILEE!
Comes now the harvest
Of sweet Jubilee!!!!

BOUND TO GIVE THANKS

Ministering, praising, giving
Offering always a sacrifice of thanks
For in thanks to God I'm bound
I shall always thank and praise Him
For thru thanks, grace shall redound.

Ministering, praising, and giving
I publish with a voice of thanks
With thanksgiving I read His word
For in Him I am a true sanctuary
And in gratitude my prayers are heard.

Ministering, praising, and giving
Divine thanks and praise I give Him
Jesus did it with the loaves of bread
Jesus thanked Him calling forth Lazarus
And Lazarus came forth from the dead.

Ministering, praising, and giving
Jesus thanked Him upon taking the cup
For the Cross that He was to bear
Christ was always confident and grateful
Thanking the Father without despair.

Ministering, praising, and giving
He always called Him Father
With adoration, gratitude and praise
Saying, it is My Father who sent me
He has taught me His holy ways.

Ministering, praising, and giving
That's why I always thank Him
With praises that'll never cease
He sent Christ then He made Him
Lord of Lords and Prince of Peace.

Ministering, praising, and giving
So shall you do the same thing
Give Him thanks and enter His grace
Then He will do greater things
When you enter His secret place.

Ministering, praising, and giving
Be bound to give Him thanks
Be tied up with joy in His will
Get locked into His holy words
And your prayers will He fulfill.

Ministering, praising, and giving
Remember to count it all joy
Giving thanks, thanks without cease
Enter His gates with thanksgiving
In His presence is Power and Peace.

Ministering, praising, and giving
How thankful we should remain
For God has done such great things
So much He has provided for us
He has carried us under His wings.

Ministering, praising, and giving
He showed forth His love and led us
From Egypt and the wilderness of sin
O' Father, You have brought us
Out of the pit, pen, caves and den.

Ministering, praising, and giving
My enemies could not stop me
I thank Thee for being my Lord
You sent down fire and water
You are the treasure of my heart.

Ministering, praising, giving
I am bound to give You thanks
I am bound to praise Your name
I am bound to always worship You
The more I thank Thee, the more I gain.

Just Another Pit

*Pits and Pens
Caves and Dens
Wicked women
Wicked men
Worst than ever
Once again
Another job
I don't fit in
This they said
Just yesterday
I arrived to work
To hear them say
You don't match
You must go
Your skills are great
Still this is so
Those wicked pits
The snare, the trap
Of wicked people
To my mishap
I'm at my end
I've tried so hard
Most fearful of all
Where's my sweet Lord?
Just another pit
Just another pen
Just another cave
Just another den.*

GOD REMINDS:
"Your Blessing is near"

Your blessing is here
Your blessing is near
You should not fear
Today, be of good cheer
I want you to prosper
And be in good health
Live your life in joy
And walk in wealth

Tho' you feel down
For now you're bound
I am setting you free
Even if you don't see
For in a minute I can
Do much more than man
Tho' impossible to you
Just watch what I'll do

For I am the Lord God
Who created all earth
I have known thy name
Even before thy birth
You are my creation
I command you to live
I love you My child
And My Love is Real

I am bringing you out
Believe what I say
For without a doubt
Today is your day
You have seen My mercy
I have compassion on Thee
I will show you my works
I'm setting you free

You will be surprised
Of what I will do
But see that I care
And I'm bringing you thru
They have put you down
And left you behind
Criticized and abused you
But yet You are Mine

Mistakes you have made
But I have forgiven thee
I do not condemn you
I have set you free
You would not have failed
Or made that wrong step
If faith had been there
To guide you to help

But you've learned hard lessons
Only experience now tell
When you rise up to victory
You've no reason to fail
Get ready for freedom
Out of bondage so long
Get ready to soar
And sing a brand new song

Beautiful birds out of cages
Treasures hidden in caves
Great wise ones hindered
Will no longer be slaves
You are a princess of God
A daughter of the King
Royalty and peace is yours
Get ready for a new thing.

Hypocrites

Are you tired of him?
And sick of them?
Fed up with evil
And ignorant dishevel
From carnal folk
Who live to provoke
Blinded eyes and ears
For so many years
Self-centered and mean
Unholy and unclean
Pointing and judging
Hating and grudging
Unforgiving, but wise
Satan in disguise
Testify salvation
Yet lie to your face
Proclaim to be righteous
But have shown no grace
Say they love you
But only words, no action
Everything they do
Is for form and fashion
This is another pen
This is another pit
We have to tolerate
Every hypocrites.

Father, why not me?

*You sent angels down to prisons
To set holy prisoners free
Opened doors no man closeth
Daddy, why not for me?
Me too, I'm Your child
Begotten by Your Spirit of Love
That same joy You speak of
The One that appeared as a Dove
When Jesus was water baptized
And You said, He's my Son
The Spirit that quickened Mary
With that same Spirit I was born
Born of the Sweet Holy Spirit
Born of Your Comforter my Lord
The One Your Son Died for
Yes the One that changes the heart
I abide in Your Spirit and Word
Why can't I too receive?
Blessings, deliverance, & prosperity
I have the Spirit and I believe
So many miracles You've performed
For those who profess Your Name
Me too, I'm Your child
And the Holy Ghost is the same*

*One spirit, One God, One baptism
They are all one in You, my Lord
Father, Son and the Holy Ghost
You're King Jehovah Father God
You've delivered men from enemies
Divided the Jordan and Red Sea
You've shut the mouths of lions
Holy daddy, do something for me?
You made enemies to bow down
And come begging hand and knee
Brought men from rags to riches
Oh Lord why not me?
You sent plague after plague
To make Your enemies believe
For Your people You did it all
I'm Yours ABBA do it for me
I saw you perform that miracle
When she stood right next to me
The virtue overtook her
While I cried, Lord make me free
Now I do not understand
I really can not see
What's the meaning of it all
I just wonder why not me?*

1997

And behold, a woman of Canaan came from that region and cried out to Him, saying, "Have mercy on me, O Lord, Son of David! My daughter is severely demon-possessed." But He answered her not a word. And His disciples came and urged Him, saying, "Send her away, for she cries out after us." But He answered and said, "I was not sent except to the lost sheep of the house of Israel." Then she came and worshipped Him, saying, "Lord, help me!" But He answered and said, "It is not good to take the children's bread and throw it to the little dogs." And she said, "Yes, Lord, yet even the little dogs eat the crumbs which fall from their masters' table." Then Jesus answered and said to her, "O woman, great is your faith! Let it be to you as you desire." And her daughter was healed from that very hour. Matthew 15:21-28 (Spirit-Filled Life Bible, NKJV)

Soar Soar
Soar

Let Me Soar

This time I have something more
Something stronger than ever before
A church and leader I just adore
Now like the eagles Lord let me soar.

I shall not tire, falter, or stop
But go all the way to the mountain top
And I will give You all I've got
Come rain or shine, cold or hot.

Thank God for leaders today to adore
Men and women who stand ashore
Full of compassion you can't ignore
Empowering God's flock to rise and soar.

Who're in love with God and love His fold
Who're tried and tested, righteous and bold
Who know the paths of the ancient of old
Mind, soul and body to Christ they're sold.

I will not stop until I'm at my best
I will continue the journey of my quest
Faced with crazy challenges, I stand the test
I will soar like the Eagle as I press, press, press!

Bless my soul

Guard my heart
Make evil depart
My afflictions heal
And all that's ill
Honor my desire
Give Spirit fire
Order my steps
Careful of depths*

*Thine Holy Will

But set me free.*

A New Day

*Today's new day
Opportunity's way
To do something great
Changing tomorrow's fate
This day is a new day
The dawn is true
Twelve plus twelve
Do use it well
Redeem this time
While it is thine
For today we begin
Tomorrow's end
Conquer this time
Grasp this hour
Stretch yourself
Stir your power
Gird yourself
Stand up tall
Master the gifts
Use them all
Walk in faith
Take back your stuff
Rebuke your enemies
Enough is enough*

Who You Are, not What

*He's making a Destiny deliverance call and He's calling just for you
It's not because of what you were or are but it's because of who
It's who you are not what you are that will determine what you do
Your Destiny is activated contingent upon the "WHO" inside of You.*

Jacob was called an opportunist
A con artist and an addict too
Joseph was a thrown-away sibling
A slave and a prisoner too
Moses was a fugitive prince
A rageholic and a murderer too
David was a lowly shepherd boy
An addict and a pleasure lover too
Peter was a hot-tempered businessman
A liar and a bigamist too
Paul was an arrogant Sanhendrin
An executioner and a mass murderer too
*But God looked beyond all of their what-ness
And put His purpose inside their Who
It is not what we are that moves our God
It is who we are that Destiny comes true
Our Father has a Destiny call today just for you
Are you ready to walk in purpose and walk in Who
Forgetting the past of what you were or used to be
And live life with a purpose, your divine destiny.*

1/19/99

If you were able to behold your own spirit for a moment, you would be amazed knowing who you are; you would marvel at his light, and you would feel respect for yourselves. But if you are unable to see him with your physical eyes, have faith in him through his manifestations, and in this way, the flesh will not keep on being a prison or an obstacle toward his elevation. The Third Testament

Keep in mind that your spirit, as a being similar to the Creator, is predestined to carry out worthy deeds of the One who gave him life. Saith the Lord: Let me fulfill your righteous purpose. I will give you treasures hidden in the darkness, secret riches; and you will know that I am doing this, I the Lord, the God of Israel, the one who calls you by your NAME! Isaiah 45:3 You are my Servant, a Prince of Power with God, and you shall bring me glory! Isaiah 49:3

VOICES OF COMFORT

Utterance of angels crying out...
Exultation of wondrous things
Stored for Us, His People
After the long night of affliction

Past.

Justice Run Down

Let Justice Run down as the River and Fall

Let it Flood the Earth and free us All

There can be no Peace lest there be Justice

There can be no Justice lest there be Love

There can be no Love lest there be GOD

Justice Roll down as a Rock of all Ages

Come now and Save us while War still Rages

Sweet Justice Fall down and Free us All

Hear now our Cry and answer our Call

Bring Peace with you so that there is Love

Shower us and flood us from Heaven above.

Let Justice Run down as the River and Fall

Let it Flood the Earth and free us All

Young Dead Man

Young dead man, I did warn you
And warned you again and again.
God required something of you
Your life was in His Hand.
How could you be so careless?
Didn't you even understand?
God is also a terrible God
And your life was in His hand.
Of warnings you took no heed
Too late to warn you again.
God warned you in 1995
Instead of obeying Him, you ran.
His warnings, you took no heed.
Too late to warn you again.
You lay dead across the altar.
To become ashes in the sand.
So quick, too soon you leave us
Your choice O' young dead man.
Now comes eternal judgment
You will be sorry you ever ran.
How could you be so careless?
Didn't you even understand?
God is also a terrible God
And your life was in His hand.
Sinners, know that God gets angry
His anger is greater than man
Remember Sodom and Gomorrah
And know your life's in His hand.

The Sower

Matthew 13

The sower sowed seeds
Some fell by the wayside
Then they were trodden down
And then they were devoured

Do you identify?

This is What you are:
You heard the word of God
But then the enemy came
He took the Word away
Satan is his name.

The sower sowed seeds again
Some fell among the thorn
Their fruits did not perfect
They were choked and torn

Do you identify?

This is what you are:
You heard the word of God
But fame robbed your soul
Cares, riches, pleasures
Snatched away your spiritual goal.

The sower sowed seeds again
Some fell upon the rocks
And when they finally sprung
They dried up on the spots.

Do you identify?

This is what you are:
You heard the word of God
But temptation made you fall
Tho' you received it with joy
You had "no root" at all.

The sower yet sowed seeds again
These fell upon good ground
They sprang up and bare fruit
Fruits grew in great abound.

Do you identify?

This is Who you are:
You heard the word of God
Obeyed and honored it
O what a wondrous blessing
That the sower did not quit.

12/23/98

“Assuredly, I say to you, whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven. Again I say to you that if two of you agree on earth concerning anything that they ask, it will be done for them by My Father in heaven. For where two or three are gathered together in My name, I am there in the midst of them.” Matthew 18:18-20

Because they did not understand my call
And did not minister unto my pain
But instead treated me as an outcast
And used my gifts in vain
I shall continue to seek and seek
And I will seek until I find
My true calling and my purpose
And what is His will Divine
No longer wandering lost in darkness
Not ever knowing where to turn
But stand still and settle down
For sustainment my soul doth yearn
The Holy Bible, it is my compass
His words they are my guide
They are light for my every footstep
For I have the Holy Spirit inside
Oh for the joy of loving life
Everyday in His perfect will
It is sometimes a long, hard journey to

THERE!

Where His divine purposes fulfill.
For between here and there is a Battle
A battle in the Wilderness
Daniel contended with the Prince of Persia
The enemy comes at every station to test.
You must bind and loose, Touch and agree!
You must stand together, Pray two to three!

Rise Up! Get Up!

Rise up God's People
And take back control
Go back and get
What the enemy stole
Heaven before you
Hell down below you
God is calling for
He wants to restore you.

Rise up, Rise up!
Wake up, Wake up!
Get up, Get up!

Take it back!

No more slack!
Have no lack!
Just take it back!
With force and power

This very hour
Take it back!

With holy strength
Time is far spent
Take it back!

No fight or flight
But with heaven's might
Take it back!

With help from Heaven
Seven times seven
All things taken
Will be shaken

Take it back!

NOT AN ANGEL NOT A KING

This thing is serious
It is a serious thing
Satan is just a prince
Deviously seeking to be king
Scheming to lord it over
Every living man's soul
To be higher than God
The ancient of Old
But he's just a prince
God made Man king
To reign over Earth
And dominate everything
A prince is just a title
While the king yet lives
The prince can only take
What the throned kings gives
We are kings and queens
In our Father's eyes
Yeah, the kings of truth
But Satan's prince of lies.

mENdON'TcHANGE?

Men don't change
At least not on their own
They need a little help
Help only from the Throne.

Okay, maybe a lot of help
From angels and the throne
The pastor, the congregation
His community and his home.

His sister and brother
His father and mother
But only righteous counsel
And not any other!

3 kings

King of Harps

King David, shepherd, psalmist, musician

*A cunning player of the harp
With the anointing of God, he played
He mastered instruments of art
King Saul was bound in spirit
An evil spirit that troubled him so
That this shepherd son of Jesse
Played his harp and made evil go!*

King of Wisdom

*A wise man was King Solomon
What man was wiser than he?
But apparently the women were
700 wives, you think he was free?
300 more we think we know of
But there could have been even more
He was a king so wise, but not
Common sense, he seemed to ignore.*

King of Kings

*HE IS THE KING OF GLORY
HE IS THE KING OF PEACE
HE IS THE KING OF SALVATION
THE KING OF MAN AND BEAST
HE IS THE KING OF LORD
HE IS THE KING OF GRACE
HE IS THE KING OF TRUTH
THE KING OF EVERY RACE
HE IS THE KING EVERLASTING
HE'S CHRIST, THE KING OF KINGS
THE KING OF EVERY KINGDOMS
THE KING OF ALL LIVING THINGS..*

A Clean Snake Act

A snake spirit who knows his stuff
Is skillful in the roar of his mouth
If God says right, he says left
If God says north, he says south
Subtle, smooth, deceitful, cunning
O thou art a crafty and lofty one
You are never to be trusted
Deadly poison is in thy tongue
You are twisted and distorted
You are a worm of the dust
You slime your way thru lives
Power and evil you seek to lust
What a liar, proud confident liar
You're a clean-act conniving snake
But I will pull your cover to surface
And reveal you're a class-act fake
A clean snake can hide it's true visage
As the snaked one lurks beneath
Discernment will manifest his cover up
Old serpent, DOWN under MY feet!

2/12/99

We are humble followers
We are sheep prone to stray
We all need the shepherd
For we are such an easy prey
So quickly we can get lost
On a dark cloudy day
We all need the shepherd
To guide us in this way
The sheep that are lost
For reason have strayed away
Lost in trampled waters
Hurt, sick and led astray
Are frightened and confused
And scattered far away
Save us now O' Shepherds
Protect and love us today
Please care for God's holy flock
With power, drive enemies away
Feed us now O' Shepherd
And teach us how to pray
Lead us to good pastures
Oh please don't delay
We all need the shepherd
The sheep need Him every day.

CALAMITIES

Until these calamities are overpast

Touch me. Touch me again.

Hold me. In Your Loving Hand.

Love me. Stronger than love of man.

Heal me. In all my lands.

Cure me. I know you can.

Uphold me. And let me stand.

Until these calamities are overpast

While I endure this test, this task

My Savior will stand in the gap for me

Till deliverance comes to me at last.

The Question of Divorce

I ask this question of the married
When has divorce solved anything?
What about the love and sanctity
And significance of a wedding ring?

God said to give your wife love
Love your bride as did Christ
He guided, nurtured, and provided
Then He ultimately gave her His life.

Just as the circle of Life is
The ring symbolizes eternity
Marriage is Christ and His Church
Married ones seek not to be free.

Man, love your wife as your own self
Then she'll honor, obey, and praise
And she'll treat you like a wealthy king
Cherish her with for all her days.

Hardheartedness leads to divorce
Holy union of husband and wife
God commands Leave mom and dad
Join permanently with a wife for life.

A mate is given to you as a gift
God ordained it to make you one
Do you understand this mystery?
Of the Father, Holy Ghost, the Son?

That what God has joined together
How dare a man tear it apart
Solemn vows of marriages broken
Are grieving our Father's heart.

But remember God did say gift
He's a gift to be treated with joy
She's a gift to cherish, esteem
Neither a gift to abuse or annoy.

Honor, praise, and love each other
Wives submit to husbands and pray
God forbids though men to enslave
But submit to Christ the same way

If the mate is an unfaithful partner
Or an unbeliever who wants to go
The Bible said don't detain him
Lest he hinders you and be your foe.

God doesn't ordain any kind of abuse
It's contrary to His holy word
If a spouse harms or hurt a mate
It is unbiblical, unGodly, and absurd.

I Peter 3:1, 6-7; Ephesians 5:21-33; Titus 2:4-6; I Corinthians 7

Rid Hidden Sin

Sin hidden must be ridden
Ridden from Christian life
For if the sin stays hidden
The Christian will suffer strife.

For if he sins and be alone
Sin will withdraws him from help
Isolating him to be lost and driven
Drawing him to deeper depth.

Confess brother all your sins
Open confession brings it down
That you may turn things around
And no longer to it be bound

Satan knows that sin that's hidden
And not brought out to the light
Will ultimately poison till decay
Causing sin to win the fight.

Revealing it to our brothers
Should deliver us of the stains
Confessing it to the Lord
Will take away it's domain

But God's word said: CONFESS it
To the fellowship of God's friends
Come out of solitude and speak up
Destroy strongholds of the sins.

Let us not be the proud ones
But let's lift up one another
And keep our hearts humble
To accept our sinful brother

Like Christ alone in the Garden
Christ pleaded, asked, and cried
To not face alone the Cross of Sin
His friends slept and Jesus died.

Sin hidden must be ridden
Ridden from the Christian life
For if the sin remains hidden
The Christian will suffer strife.

Sin hidden must be ridden
Get rid of all the hidden sin
For iniquity shall abound
Adding again the sin to sin.

BASILICA

(kingdom)

Under Christ Jesus' reign
Everyone is understood
All are Gods beloved
All are righteousness, All are good

His reign will show compassion
Instead of domination
His reign will give respect
Instead of intimidation

All the poor and needy
Will have perfect peace of mind
For all His beloved children
Will be treated as divine

Hierarchies will be over
We will all be one and the same
Prestige and status will be extinct
When Christ the Lord shall reign.

THE FOWL, THE THORN, THE ROCK

Swallow your pride
And apologize
Escape the net
Don't you fret
Thorns and briers
Reap only fires
Devils rebels

Crooked hedges
Set on edges
Rocky places
Deceitful faces
Evil Stronghold
Devil's Foothold
Bind and Loose
Call a truce
Holy Power
Come and Shower
Now Liberty
We are free!

Like a tree, David's line chopped down
But from the Stump, God brings a Shoot
Yes, a New BRANCH will spring forth
It is the New Branch of the Old Root

He will be clothed with fairness and truth
Wisdom, understanding, and might
All nations will rally to Him
In His Presence is God's Pure Light.

Paul, the Singing Sufferer

Jesus warned him about sufferings
The sufferings for His Name Sake
From then on for over thirty years
Apostle Paul did not have one break

Immediately and in succession
The sufferings intense to unreal
In Jerusalem and Damascus
His murder was a plotting deal

Iconium attempted to stone him
Lystra stoned and left him for dead
He was beaten with rods at Phillipi
These were the warnings Jesus said

Thessalonica tried to mob him
In Berea, he was driven away
Corinth plotted evil against him
But Paul kept singing each day

They tortured and imprisoned him
They beat him over and over again
But Paul yet sang as he suffered
He was honored to be God's man

Paul, the Singing Sufferer (continued)

Jesus told him about these sufferings
Unceasing privations of every kind
Shipwrecks, perils, and pain
But thru it yet what joy he'd find

For Paul said, "I give God glory
A great treasure He's given me,
'Tho' troubled on every side,
This grand gospel it set me free.

I'm not distressed or in despair,
I'm not forsaken or destroyed
I'm always bearing in my body,
The crucifixion of Christ my Lord."

Paul sang songs as he suffered
Proving full proof of his call
What an awesome portrayal of Man
Paul humbly gave God his all.

What secret did Apostle Paul have?
How did he guard his soul?
When Paul had a glimpse of heaven
Heaven then became his earthly goal.

DEEP WATERS

Others went out on the sea in ships; they were merchants on the mighty waters. They saw the works of the Lord.... ~ Psalm 107:23-24a

Deep waters will show God's works
When we have no control or hold
God sometimes takes us here
Making us wiser, stronger, more bold

Deep waters of life Joseph was taken
To prison, rejected and enslaved
For well over seventeen years
But in the process, Joseph was made

During the time of his deep waters
He experienced anointed dreams
His gifts began to administrate
Granting him wisdom to see the unseen.

All those deep waters of life
Were sent for Joseph's preparation
For an assignment he couldn't imagine
Greater than anyone in his generation.

God put this great task upon him
With too much at stake for mistake
So deep waters served the purpose
Ensuring survival for the Lord's sake.

This determined if Joseph had pride
At an age where it surely engulfs
Being a young man with power
Fighting pride could prove to be rough.

Deep Water, continued

If God's taking you thru deep waters
Know that there is a specific reason
The greater the Call is upon your life
The more intense will be your season.

Trust, love, and continue to obey
With all of your heart, mind and soul
God may launch you out into the deep
To make you wiser, stronger, more bold.

Twelve Chosen Men

Each of these twelve men of Destiny
Everyone, they all came out
Steadfast and standing on His Promises
Without a shadow of a doubt
They put on perfect charity
Bowels of humility most of all
With Meekness and longsuffering
Then they conquered their Destiny call
12 Conquistadors of the Promises
12 Disciples who made history
12 Tribes of Israel, the Father's chosen
Twelve denotes completion and totality!

The Special Meaning of the Number 12

- The number 12 has always been seen as referring to the twelve tribes of Israel.
- The special meaning of the number also denotes completion and totality.
- This number also abounds in the passages of the Book of Revelation.
- The number of apostles chosen by Jesus also numbered 12 to signify a relation to the twelve tribes of Israel. Since Jesus came to begin the reign of the New Israel, the number 12 in the apostles is a way of continuing the tradition of the number 12 of the tribes of Israel.

TO THE GARDEN

In the Garden of Gethsemane where Humanity began
In the Garden of Eden, God made the Woman and the Man
So back to the Garden called Gethsemane once again
Emmanuel restores Humanity back to the Creator's Hand.

COMES THE PASSOVER DAY.....

I'm hosting a dinner for my special friends
The Holy Last Supper nearing the end
Then it's back to the Garden to apprehend
The Holy Comforter My Father will send.

This beautiful Garden smelling so sweet
Was My place of refuge to rest my feet
Until they came with weapons meet
Deceitful deadly kiss, the betrayer's greet

It was a place of peace My disciples and I
Could fellowship, praise Him and glorify
The Lord our God, My Father in the Sky
Now comes that Day and time for Me to die

My Father had told me that this would be
This deed My Son it will set Men free
Yet while travailing at Gethsemane
I had to ask, Can't you take this cup from Me?

To The Garden Continued

Then Daddy answered saying sternly "NO"
See hear this mystery of how I love You so
To go up high, you must first go low
You must be planted , then Your seeds will grow.

That beautiful Garden always smelling so sweet
Was really symbolic of My greatest feat
A detour to destiny of my most holy seat
For t'was in the Garden I was made complete.

Gethsemane had taught Me and given Me strength
To pray angelic hosts down Heaven- sent
Now the mystery is revealed of times far spent
I understood and received what My Father meant

Thus back to the Garden where we first began
Where the serpent beguiled both the Woman and Man
Back to the Garden, Humanity's blood shed again
The Crucifixion restored Man back to His Hand.

Rudiments

of the World

Even so we, when we were children, were in bondage under the elements of the world...but now after ye have known God, or rather are known of God, how turn ye again to the weak and beggarly elements, whereunto ye desire again to be in bondage? Gal. 4

Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ. Blotting out the handwriting of ordinances that was against us, and took it out of the way, nailing it to his cross. Let no man therefore judge you in meat, or in drink, or in respect of an holyday, or of the new moon, or of the sabbath days: Which are a shadow of things to come; but the body is of Christ. Colossians 2

Philosophers, Legalists, Exterminators. We do not minimize right ordinances for they are good, but only unto Christ. Is not a Christian one who loves Christ, a person, not a thing, a doctrine, or a commandment? You are perishing in error. Doctrines, you exalt above Christ, our only Hope. You preach ordinances. What folly. Loving doctrines and ordinances more than Christ. You have grown cross and hard and sour toward everyone who does not believe what you believe. Is this like Christ? No! Can a doctrine hear your Prayer? Can Christ through doctrines and commandments prevail? Yes. Seek the Commander, not the commandment. Why do you exalt dead things? You are a legalist!

*Can a doctrine hear a prayer?
Can a doctrine heal despair?
You're a living nightmare.
Among wheat, are you not tare?
Search your pride, be aware.
Are you a bastard, not an heir?
You say I'm right that you don't care.
You experience Christ only by a glare.
Christ comes to purge but you're not there.
You accept the devil and the devil's fare.
Search yourself or you will share.
The hottest fire none can compare.*

From Suffering to Glory

Romans 8:18-30

For I consider that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us. For the earnest expectation of the creation eagerly waits for the revealing of the sons of God. For the creation was subjected to futility, not willingly, but because of Him who subjected it in hope; because the creation itself also will be delivered from the bondage of corruption into the glorious liberty of the children of God.

For we know that the whole creation groans and labors with birth pangs together until now. Not only that, but we also who have the firstfruits of the Spirit, even we ourselves groan within ourselves, eagerly waiting for the adoption, the redemption of our body. For we were saved in this hope, but hope that is seen is not hope; for why does one still hope for what he sees? But if we hope for what we do not see, we eagerly wait for it with perseverance. Likewise the Spirit also helps in our weaknesses.

For we do not know what we should pray for as we ought, but the Spirit Himself makes intercession for us with groanings which cannot be uttered. Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God. And we know that all things work together for good to those who love God, to those who are the called according to His purpose.

For whom He foreknew, He also predestined to be conformed to the image of His Son, that He might be the firstborn among many brethren. Moreover whom He predestined, these He also called; whom he called, these He also justified; and whom He justified, these He also glorified.

My *Halley's Bible Handbook* explains the above scriptures in these eloquent words: The whole natural creation, including ourselves, is groaning for a Better Order of Existence, to be revealed in the day of God's Completed Redemption, when the Body of This Death (7:24), shall receive the Freedom of Heaven's Glory, now in the various processes of creation. It is a grand conception of the work of Christ. Not only is the in-dwelling Spirit our pledge of Resurrection and Future Glory, but through His prayers in our behalf we are assured that God will make Everything that might happen to us Work Together for Our Good. We might forget to Pray. The Spirit Never Does. God will see us through. Let us never forget to Trust Him.

LETTER
SHORT OF
TERROR!

Hold out! Hold on!

Hold out, Hold on, it won't be long
Keep holding on, Keep holding on
Hold on with peace, Hold on with love
It won't be long you'll hear from above
Hold out with joy, Hold out with grace
Hold on with confidence and give Him praise
Praise Him for the answer for His words are true
There is no limit to what He can do
Thank Him and thank Him for He is good
If anyone can do it our God could
He's a shield and a buckler, A mighty strong Tower
We can run to Him any day any hour
We must hold on, we must hold fast
Standing strong that we may last
Hold on, Hold out, Sing loud and shout
Believe it, confirm it without a doubt
Believe, yes, believe that is the key
To unlock the door to sweet victory
Hold on, be strong, it won't be long
He'll answer your call, just make it known
Ask and believe, knock and receive it
Seek and find this peace of mind
They that wait shall renew their strength
So wait and wait whatever the length
Sarah, Jacob, Rachel and Noah
Had to wait many years and many, many more
Joseph, David, Peter, and Paul
Ruth, Hannah, Daniel, they all

Hold out! Hold on!, continued

Fasted, cried, for the gospel's sake, died
Suffered, prayed, as captives obeyed
Sought, wandered, held to promises and hopes
Yet accused, abused, beaten with rods and ropes
They sung psalms and preached with no one around
Some were stoned and driven out of town
They were lied to, lied about, and criticized
And confronted by enemies triple their size
Thrown in dungeons and pits and pens
Stomped on and crucified by heathen men
Left to die and sold as slaves
Hunted, challenged, hounded all their days
Look at these miracles to plainly see
God gives miracles and they are free
Sarah had a baby, Jacob wrestled God
Noah built an ark, Moses had a rod
Peter was rescued, Paul made new
Daniel delivered and Joseph too
He made Paul an apostle and David a king
The poor men rich and Esther a queen
He made shepherds royal priests and men of God
And a little cute baby Christ Jesus our Lord
Three Hebrew boys, they were thrown in the fire
Their great holy faith, you have to admire
They spoke these words without a doubt
"Our God O King He can bring us out!"
Is there anything that He can't do?
I'm sure there isn't, but how about you?
He heals the sick, make the dead to rise
Took Enoch and Elijah alive to Paradise
So wait and wait and wait, but believe
So wait and wait, don't be deceived
Then you will gain sweet victory
Can you count all the blessings that he hath done?
Can you count all the miracles that he hath performed?
Whatever the problem, situation or foe
Prayer with believing will unlock the door
He said He'll never ever leave us alone

Hold out! Hold on!, continued

That He is preparing us a heavenly home
His eyes are on the sparrow and He knows our need
But beware of the devil, of his crafts, take heed.
There is no limit to what God can do
Turn it over to Him, He'll see you through
Hold on, rejoice, your answer will come
Maybe not right away, but consider it done
God knows all, when and what to do
How, how much, and what is best for you
It is written in the word of God of what He can do
And every written word of God is pure and true
Your friends, the time, and the world may change
But not Father God, He remains the same
He gave Solomon wisdom more than any man
Took Christ back to heaven to sit on His right hand
He opened up the earth that enemies fell through
Every situation, God does know what to do
Hold out, Hold on, it won't be long
Keep holding on, keep holding on.

1996

21. Those men have shined and you have not wanted to behold their light; they have been before you and you have not wanted to follow their footsteps. They left you an example of the road of sacrifice, of suffering, of charity and you were afraid to imitate them, not knowing that the suffering of those who follow Me, is happiness for the spirit; it is a flowery pathway and an horizon filled with promises.

22. They did not come to breathe the fragrance of the flowers of the Earth, nor to intoxicate themselves with the fleeting pleasures of the world, because the aspiration of their spirit was no longer toward the impure, but instead toward the elevated.

23. They suffered, but they did not seek to be comforted, because they knew that they had come to console. They did not expect anything from the world, because they were waiting for after the struggle, the rejoicing of seeing the resurrection toward faith and the life of the spirits, of all those who had died to the truth.

24. Who are these beings of whom I speak? I say to you that it deals with all those who have brought you messages of light, of love, of hope, of health, of salvation. It does not matter what name they bore, nor the pathway where you saw them appear, nor the title they had held on Earth.

25. You can also be like them, by imitating the great examples I give you at every step through My envoys. However, do not take as an excuse, the incomprehension of Humanity toward your deeds.
Third Testament

THE WILDERNESS

*Stop wandering in Wilderness aimlessly
But ponder in the paths of sure destiny
Know your purpose and seek His will
Let God's Divine Call for you fulfill
Before you spring forth you may have to wait
And endure suffering for the Master's sake
But remember your vision, let it not die
You must first go low before you go high
And God is a God that He can not lie.*

Conquer you to Bless You

I must remember the Promises
Of what Father said He'd do
If I would stand fast and holy
How He would see me thru

I know it still looks bleak
And evil still does abide
But I must rest assured
His Spirit will lead and guide

Seems every time I progress
In grasp of a stable life
Turmoil and turbulence rise up
And cuts like the devil's knife

They constantly oppress me
How do the billows roll
Hell is uptight and uneasy
Afraid I will reach my goal

Demons lie and cause uproar
How do the heathen rage
Hell is about to break loose
Cause God is setting the stage!

But arrive soon still I shall
Like them, My Father won't stop
He said it and I believe it
I'm taking you to the top!

I don't care how low you go
To the depths of humility
My Son, Jesus did it
And didn't I set Him free?

There's a place I'm taking you
Your suffering, I will reward
Yes, fiery trials are tough
I know child that it's hard

But I see the end results
I see a Princess of Power
I see a Prayer Warrior
I see a beautiful flower.

I conquer you to bless you
I'll crush the flesh away
Till there's just my Spirit
As the Potter forms the clay

Now look!, you're standing there
Tough, ready, and anointed
A true vessel I will honor
Tried, Proven and appointed.

The Lord has now spoken
I stand and I believe
I meditate on His Promises
I concur, submit, receive.

CRUCIFIED

I am crucified with Christ
Nevertheless I live
I bow down in His Presence
My soul, my heart I give
I am persecuted and cast down
Troubled on every hand
If He does not deliver me
I know without doubt He can
The Lord has heard my call
The Lord has received my prayer
I stand in awe and sin not
For I know my God is there
My mourning He turns to dancing
He gives me peace and rest
After the trials of my faith
After the fiery test.

Persecution : Pursue

God will pursue
Make new, subdue
God will shake,
Break and make
Bring down pride
And lofty stride
Reduce and abase
Put us in place
Wash and cleanse
And recompense
Show us, grow us
Anoint and bestow us
Pursue, subdue
Give a breakthru
Shake and break
For His kingdom sake
No pride or stride
Let humility abide
Abase and place
To run this race
Purge, cleanse
And recompense

DEDICATED TO JAMES BYRD JR'S FAMILY

(my mother's family)

Lord, how long will men kill us
It was You who put us here
We ourselves did not paint our color
Why are we to live in fear?

How vicious and evil men are
Prejudiced, biased, and a threat
Against us, your chosen children
Who have never been treated fair.

We've tried to escape this evil
But it is planted everywhere
When will You deal with this nation
Of the unjust, unholy, unfair?

They are pits to all of America
A disgrace to all peoples and race
An insult to God's brotherhood
God will judge man face to face.

But, oh how men have fought us
No matter where we live or go
Father, You are our Creator
And I know you love us so.

Your Justice, It will prevail.
For we are Your Masterpiece
We are a Piece of You, Master
You will make all hatred cease.

Marriages today are more of a failure than ever in the history of the world in Christian and non-Christian homes. Divorce is the norm. God ordained marriage to be holy and sacred. What has happened? When marriage is a holy union with a holy pair, God is very present and His personality is seen through the relationship, but when marriage is a snare, the couple will hinder each other from God's holy purposes. Then we are tempted to ask: Is this a holy wedlock or unholy deadlock? When Christ is not the heart of the marriage, you can be sure, that it is a deadlock. What God has put together, let no man put asunder. The key words: God put

together. God is not putting some marriages together but lust, money, convenience, etc. is the inspiration for some marriages today. There is an epidemic of wife and domestic abuse in our communities today. Somebody is trapped in an unholy deadlock. Some have died in a union which was supposed to bring love and devotion, but instead brought lies, deceit, and death. Television glamorizes lust, pornography and abusive relationships. Books promoting the same forbidden fruits are readily available in stores and elsewhere. It takes three for a marriage to work. Yes, God, the husband and the wife..

Battling for her Soul

She's mine said Satan
She has committed adultery
Yes I know said Christ
But I have set her free...

She's mine said Satan
She has committed fornication
Yes I know said Christ
But I gave her salvation...

She's mine said Satan
She has had an abortion
Yes I know said Christ
But now I am her portion...

She's mine said Satan
She even attempted suicide
Yes I know said Christ
But instead it was I who died...

She's mine said Satan
And I am going to attack
Go ahead said Christ
But I've got her back!

Crippled, but not destroyed.....

A SUFFERING MINISTRY

II Samuel 9, Acts 3, John 5

I'm crippled you see
It's my misery
I was only age five
My nurse kept me alive
My family's all gone
I am left alone
But David, the king
Did an honorable thing
He took me in
From Lodebar, the den
Lodebar no more
Sick, broken or poor
I sit with the king
I have a new thing
God fetched me out of
To give me His love
Tho' I limp from birth
God values my worth
Now for forty years
I've shed many tears
By this beautiful gate

Peter prayed with faith
Asking in Christ's name
For me a beggar lame
God fetched me out of
To give me His love

Then He said, "*Soon,*
I'll heal every wound,
I'll break every curse,
I'll cleanse the earth.
No more pain or stress
No more crafts or hex.
Crippled ones be glad
And be no more sad
I hand you the key
To life and liberty
I turn limps into leaps
Of sweet victory
For your misery
Marks your ministry.

I Need An Usher

I need someone Lord,
Please send an angel down
Someone to usher me
To help turn things around..

Didn't you help Abraham?
And pull Joseph out of bonds
You sent help down to Daniel
You loosed these your sons...

Your daughters are crying now
Lamenting, we weep and mourn
Esther, Hannah, Veronica with me
We're broken and we're torn...

Because we need a breakthrough
An usher to bring us in
Our hope depends upon You
To deliver us from the Den..

I have done all I know
Gone where you said to go
Still I need more progress
Should things be this slow?

If so, help me to endure
And please lighten the load
Help me to carry this cross
Down this hard, rugged road...

To reign with You I suffer
But only for a while
Let Your Spirit usher me
And guide me this last mile...

Oh Father, how I yearn
To take my heavenly seat
How I long to see You
And sit down at Your feet...

Just for You to hold me
To hear Your still small voice
To live in Your holy presence
And rejoice, rejoice, rejoice!!!

Visions in the Clouds

You showed me once a glimpse of heaven
In great visions in the skies
It happened during my college days
So amazing, I couldn't believe my eyes...

I saw first the clouds spiraling
As I began saying the Lord's prayer
The Holy Spirit had led me to Matthew 6
And moved me to the window there...

Then a great giant face I saw
Made of clouds came to me very near
Like lightning disappearing swiftly
So real, I was moved to fear...

When the clouds had started spiraling
I really thought I was going to die
But then the face flashed before me
I had too great awe to cry...

Then I saw next a mightier figure
A giant figure standing to His side
His arms stretched out before Him
And His hand was opened wide...

And I saw there in His hand
Was a person lying safe and sound
This vision then began to comfort me
For at this time I was feeling bound...

This night, God showed me something
A night I felt betrayed and alone
A night I was brokenhearted and sad
He sent a message from His throne...

I had no one to go to but Father
There was no one I could call a friend
Not even one person could I trust
On every corner were deceitful men...

So God showed me this Holy Vision
I can see it still for it was real
When I read "God Said," poem dictated that night
I can not explain the love I feel.

St. John 20:18, I have seen the Lord!
St. John 20:25, We have seen the Lord!
St. John 20:29, Blessed are those who haven't seen me and believe anyway!

BETTER

THE SPIRIT SAID:

Because I have something better for you
I have to do this so see Me through
I must wash, cleanse and purify
I must remove the evil, the lie
So be encouraged and remember Christ
Be strong, be tough for I give new life
If you want to be lifted up
You must stand still, don't interrupt
I will fix it and make it right
I will take over and win the fight
It may at first be a little sorrow
But know you'll have a better tomorrow
The way things are, there'll be no peace
You must decrease, let Me increase
Until My will is in full force
I am Your strength, I am Your source
So wipe your tears and do not cry
I'm holding you up and standing by..

AND MY ANSWER:

I shall refrain and succumb to Thee
Whatever Your will to set me free
I can not dwell on the temporary
But push, press, and think on eternity
Whatever You say, Lord I agree
All things to work Your will in me
I shall stand still and let it be
Take me, carry me to sure destiny.

Amen.

GET CONNECTED

I am connected to God today
Surely good things are coming my way
Health, joy and happiness
Wealth, peace and much success
Love, hope and joy sublime
Life of abundance and peace of mind.

I am connected and plugged in to God
He is the treasure of my heart
All charged up and ready to live
He hooked me up and so I give
All that's right and all that's real
I am connected to perform His will.

Unplug from wrong, get connected today
Come to God, and children, don't delay
When death comes, then it is the end
But starting today, you can begin
Don't wait till tomorrow, it may be too late
When Death comes, it will seal your fate.

Angel in my Pocket

By Chris Cooper

I have an Angel in my pocket
Who is always around
Whenever I'm at my lowest
This Angel never lets me down.

I have an Angel in my pocket
Who will never betray or deceive
If you open up your heart to him
You, too, will believe.

I have an Angel in my pocket
Who gives comfort in times of pain
Whenever I'm feeling weary
All I have to do is call out his name.

I have an Angel in my pocket
Who watches over me day and night
Even in the darkest hours
He always guides me to the light.

I have an Angel in my pocket
Through good times and through bad
If you ever needed a true friend
This is the best friend I've ever had.

I have an Angel in my pocket
Who protects me from all evil
Especially dealing with Satan
The master at being deceitful.

I have an Angel in my pocket
Whom sometimes I may not see
But I know I'm under the blood
As protected as I can be.

I have an Angel in my pocket
Who said, "Be ready in these last days"
Because in order to make it to Heaven
All sinners must change their ways.

I have an Angel in my pocket
Who said, He's coming back any day
If you want to be delivered
The best way to start is Pray.

I have an Angel in my pocket
Who will never ever mislead us
Some call him the Son of Man
I just know him as Jesus.

Cooper, 1989.

CALLED OUT

Called with a holy calling...II Timothy 1:9

You're set aside to be holy
To you no one can compare
Israel, you're Mine, you're the Father's
Holiness shall be the garment you wear.

You're commissioned, anointed, appointed
Called out to do great warfare
To lighten the load to loose and bind
To carry the cross I bear.

ANointING

**Lord God today
Show me the way
To use Your anointing
For Your appointing
To no more waste
This treasure in haste
Fighting goons and imps
Little devils and wimps
But to conquer all
According to Your call
No more wasting time
But possess what's mine
Let Satan not steal
Or hinder Your will
I belong to Thee
Now till eternity.**

SURE DESTINY

Ruth

I know your eyes can't naturally see
But the Lord my God has set me free
From an evil and dark eternity
You see this change only spiritually..

Though I may look bound outwardly
My faith now stands like a living tree
I love to pray now continuously
For I find that prayer is truly a key..

I am steadfast in faith prayerfully
My steps have purpose, God's guiding me
In my savior's name doth my soul decree
I have greater hope of sure destiny.

Your Breakthru Will Come!

Don't be afraid and do not fear
For this is the time your blessing year
I am still here right by your side
My Holy Spirit is glad to guide
So be encouraged, be courageous and strong
Your breakthrough will come, it won't be long
Walk steady, look up to the skies
For soon, my child, you'll surely rise
My will will come, my joy remains
Without any suffering, comes no gains
So steady rock and hold on strong
Your breakthrough will come, it won't be long
I am the Father, I am the Son
I am the Spirit, We are all One
Working in unity and jointly fit
As One in One closely knit
Whatever the need, whatever the task
Come through the Son and boldly ask
Speaking in the Spirit, I understand
I am the Author and Creator of Man
So keep in mind, write in a song
Your breakthrough will come, it won't be long
Remember David, Remember Christ
They made it through but paid a price
Not bought with money or by being good
But the anointing comes to those who stood
Against calamities, sorrow, death and pain
They crossed over Jordan in My Holy Name.

Solemn Prayer Request

The conference, each man, each woman, every child, bless and protect....

*For every meeting
And every occasion
Lord, fill this place
With heaven's persuasion
May every woman
Man, girl and boy
Be ready to move
Our God to Joy..
Anoint, sweet Lord
Even these grounds here
The building now
And the one to appear
Let Your glory come forth
Let Your joy overflow
Let them come and be saved
From every bench, each row
Anoint this Your altar
Cleanse, heal and lift
Every burden and care
Let not our souls be sift
Just finish this greatness
This newness of life
Kill quickly sweet Lord
Envy, hatred, and strife
Keep us ever before You
These glorious last days
We honor You, Love You
And give You all the praise...
This is our holy prayer
Let Thine will be done
Hallowed by Thy Name
Surely Thy Kingdom Come.*

Amen

GREAT SPIRIT

It's God
It's Christ
In me
It's Life

Great Spirit of God
Circumcise my heart
Let flow the Wind
Help me to Mend
My ways and soul
Great Spirit control
Great Spirit greater than
Any soul of Man

Oh Great Spirit
Come into my heart
Sweep over my soul
Take me closer to God
Great Spirit of Love
Comfort me always
Lift me with joy
Fulfill my days.

THE SECRET PLACE

Let me dwell in Your secret place
Almighty God, the Most High
You are my refuge and fortress
Why You love me, I know not why..

Surely, You shall deliver me
From the snare of the fowl
Under Your wings and feathers
Is deliverance from the wicked and vile...

Let Your truth be, yes a shield
A buckler blessed shall it be
I will never have to be afraid
There shall no evil befall me...

I make Thee my habitation
Where the angels guard my soul
To help keep me in Thy ways
Till I walk the streets of gold...

This is my place, a safety net
Against fear, war and death
I shall fret not of the Y2K
I say again, "I won't be left."

Psalms 91

***DON'T WORRY ABOUT ANYTHING
PRAY ABOUT EVERYTHING!***

Don't worry but do pray
God is telling us this today
I am the Way, I am the Truth
The Holy Bible gives you proof.

Don't worry but do pray
God's reaching out to us today
Ask, knock, seek and find
Walk confident in His will divine.

Don't you worry but do pray
And you will stand, come what may
With holy strength and heavenly might
You may lose a battle, but win the fight.

So don't you worry, but do pray
Let' God's Spirit tell you what to say
All your concerns give them to prayer
Christ has said, "Lo I'll be there!"

I'll be there with you to the very end
Every broken heart, I will mend
So don't you worry, don't you fret
I have never failed my servants yet.

GO TO BED, GET UP, PRAISE GOD!
Inspired by P.H.

Woman, Art Thou Loosed?

Woman, art thou really loosed?
Have you overcome your sin
Do you really know *sis*
If you're on the side to win?

Woman, art thou really loosed?
You're not tied up in the flesh
But you're entangled in Christ
And you're walking in holiness?

Woman, art thou really loosed?
Your past is now all behind
And patience is your virtue
And God stays on your mind?

Girlfriend, are you really loosed?
Not hanging out with the hung up
Or agreeing with the enemy
No longer carnal or corrupt?

To be loosed and free, set free
How joyous and what a wonder
What a glorious happiness
What an awesome path to ponder.

7/14/99

BLIND, BALD, BOUND...

AND READY TO DIE!

Blind, bald, bound and ready to die
Tell us Samson, the mighty man, why?
Your power and strength gone in one day
Because of a woman it was snatched away
Was it her beauty, was it her charm?
How is it that Delilah caused you this harm?
Delilah took control of your soul and mind
And left you bald, then made you blind
Sent you to prison to be chained and bound
Then she never again came back around
This was the wife forbidden you chose
She proved the strongest of all your foes
But now your heart and soul is bruised
Without any doubt, you know you were used
So in your final and last earthly hour
You asked the Father to give back your power
And to your enemy's unexpected surprise
Your hair grew back before they realize
And just like Christ whom they thought was gone
Had just stepped up to a heavenly zone
The Lord came down and stood up in you
You were not one man, but then became two
The mighty temple you brought to the ground
After this exploit, you were no longer bound
For like Christ you became so ready to die
You destroyed more enemies with just a sigh.

Why am I here alone Lord
By myself in church praying
So many people were here last night
What is this truth saying?

Can't they see that we need help
Don't they know that this is war?
How complacent and how satisfied
How sleep and tired we are.

Pray now for soon no more
Will we not have this time
He said, "Seek now My face
Or wait and you'll not find.

So take full advantage my friends
Know that it's nearer the end
Let the Holy One prepare you
Wait, watch, pray and attend!

For a weary ONE like me

*He's getting ready to part the Red Sea
Just for a weary one like me
I'm not worthy in mine own eyes
But God said, "For My little ones, I shall rise!"*

In a mighty wind and rushing sea
As a loud voice thundering from His throne
He said He'd reach down below and fetch
Then He said His coming won't be long.

O how I love Him with all my soul
I need Him more than anyone can tell
All the turmoil, chaos and the pain
Most all my days seem like living in Hell..

But He never left me completely alone
He would always keep a remnant around
And if He didn't have a man on earth
He said He'd send representatives down.

*He's getting ready to part the Red Sea
Just for a weary one like me
I'm not worthy in mine own eyes
But God said, "For My little ones, I shall rise!"*

*Job 3:17, Galatians 6:9, Job 7

PURPOSE

A lifetime of searching
I've searched a lifetime
Now that peace is come
I know His will divine

I now follow His steps
I pray not to stumble or fall
My life has been a real trip
Until I answered His call

I surrender to the ministry
I lift my hands and heart
I stop knocking against it
But I give my all to God

I give up Lord
I give up now
I surrender Lord
My soul lay down
No more fighting
Against Your will
I give it all up
Let destiny fulfill.

ANGELS

Her beautiful little angels of God
How she loved them more than gold
She wished that they were with her
Both present in her arms to hold

What a sweetness never compared
But a pain yet no one explains
Is there no cure for this tragedy?
But still she had given them names

What's her excuse for this outrage
Yes, dark pride and darkest fear
Oh that they would ever forgive her
Her treasures, Her darlings, Her dears

This was her hope, one spark of hope
To see who they could've been
Perhaps with Father God's return
They will unite in Heaven again.

Love Shouldn't Hurt

I Corinthians 13

Love, true love is patient and kind
That's why real love is so hard to find
Love is not proud, boastful or rude
Lest we let our hearts be crude.

Love, true love, it does not hurt
True love will never mistreat or desert
It will endure circumstance and withstand
Love will always forgive again and again

Love, true love it will last for life
It will never surrender to petty strife
Love is the ultimate, sacred bond
That's why people married are considered one

Love shouldn't hurt, but you're hurting me
Do you have a heart, do you not see?
Love shouldn't hurt, you're breaking my heart
Love does not drive loved ones apart.

A love gone bad, how pitiful and sad
One day you'll miss what you could've had
I'm moving alone, goodbye, farewell
The word was supposed to be fell not fail.

7/26/99

Treacherous husbands

God blasted, "There is treachery!"
*And I will cut them off
From My Covenant, every last man
For I am very wroth!*

*I don't want your offerings!
So stop offering with your tears
I'm not paying any attention
You have left the wife of your years!*

*Yes, I have abandoned you men!
For treachery in divorcing your wives
Who have been faithful to you
And have given you their lives.*

*I united you with your wife
It was in my own wise plan
Together, you are one in My sight
But you've rebel, O faithless man!*

*I command you to get right
Stop now your treacherous ways!
Be with the wife of your youth
And I will add to your days.*

*I, the Lord the Host, hate divorce
Woe to the disloyal and cruel man
Let there be now no divorcing
Lest I stretch out My Mighty hand!*

Treacherous men are unreliable
A perfidious and deceitful one
A palter, violator, covenant breaker
A feigner with a lying tongue.

Malachi 2:10-17

DemonBuster

Jesus is a demonbuster
He told those bad spirits to go
So they had to take a hike
Every demon, enemy, and foe

The unseen realm does too exist
Jesus used power to demonstrate
He healed the demon-possessed
Whether or not the victim had faith
Matthew 4:24

He cast out those evil spirits
Sometimes with just a word
Dumb men possessed were freed
Speaking loudly and clearly heard
Matthew 8:16
Matthew 9:32

The demons even knew Him
They shook and spoke with fear
But when Christ Jesus rebuked them
They could but disappear.
Mark 1:23-27

All diseased and possessed ones
They took to Him to heal
He delivered them by multitudes
Casting spirits out at will.
Mark 1:32-34

When those nasty spirits saw Him
They fell down and loudly cried
They could not run from Him
Or find any place to hide.
Mark 3:11-15

Then Christ called His disciples
He ordained the twelve to preach
Gave them power to cast out devils
And the healing power to each.
Mark 3:14-15

Today, God's beloved are in bondage
Abraham's daughter is still bound
Veronica is crawling to touch Christ
Who can turn this captivity around?

Are we not demonbusters
Empowered to cast demons out?
To heal those in spiritual bondage
Lest we fail them with our doubt.
Matthew 7:14-21

People mean, sick and mad
Mentally ill, depressed, sad
Who're you gonna call?
Demonbusters!

People cursing, full of lust
Deceitful, treacherous dawn till dust
Who're you gonna call?
Demonbusters!

People jealous, full of strife
Won't tell the truth to save their life
Who're you gonna call?
Demonbusters!

You say go left, they say go right
You say it's wrong, they say it's right
Who're you gonna call?
Demonbusters!!

My People Perish

How well do I remember
A saying so bold and clear
What you don't know won't hurt you
So don't worry, fret or fear.

But this saying proves untrue
And dangerously this is so
For what harms us the most
Is that that we don't know.

I have long been perishing
Because of what I didn't know
And reaping severe troubles
Every place wherever I'd go.

I could not fully understand
Many things in the Holy bible
So I read it inconsistently
My soul longed for revival.

I purchased and read study guides
But church folks had this to say
We don't believe in any of that
The King James is the only way.

All you need is this here bible
And the Holy Spirit of the Lord
Study guides, books, and things
Are just things you should avoid.

So I read less while studying little
Haphazard in uncertain time
I hadn't notice the devil's process
Of falling short and far behind.

Then I went down to the *Potter's*
And there I learned things anew
Suddenly the Rhema Word of God
Enlightened and broadened my view.

I then realized I had been perishing
In spite of my earnest love for God
But now the walls came tumbling down
That stood between me and my Lord.

Satan had successfully blinded me
My prayers and peace nearly gone
Although I shouted and praised God
His deeper truths had I not known.

Without the knowledge of God's word
You cannot live abiding in Him
You will forever walk in carnality
And in the spirit I call D.I.M.*

What you don't know *will* hurt you
'Tis dangerously sad and it's true
But those who dig deep to study God
Are but only a faithful few.

I was intrigued of clueless errors
How I thought and what I believed
Oh how bound I must have been
I had lived a life being deceived.

3/6/99

***D.I.M. = domination, intimidation, and manipulation**

Why Lie?

Why do you lie
To have your way?
God will stop you
This very day!

Who do you hurt?
Deceiving and lying
It is not mere man
But God you're defying!

There are six things
The Lord doth hate
And a lying tongue
Meets a deadly fate.

A man of lies
You can never trust
He practices deception
From dawn till dust.

3/3/99

old fashion compassion

His compassion, it fails not
But of this what have we?
Has the world grown so smug
That we care not what we see?

Compassionless, arrogant irritators
Sitting high and in the way
Have suffered not mine infirmities
Hypocrites and exploiters are they.

A child beaten cries out for help
Yet no one seems to care
Abused women, the system exploits
They stand alone with no one there.

You have shown Me no compassion
Neither agape, unconditional love
You will see My servants in heaven
But I will thrust you from above.

The broken seek for something new
It is compassion they're looking for
Instead they fall upon again
Abuse, misuse and war.

Compassion's not just sympathy
Or simply just a listening ear
But the eyes, hands, and heart
Upholding all Creation as dear.

Christians, non-Christians alike
Shut doors and windows closed
God is saying "These are mine,
It is I whom you have opposed.

It means a caring consciousness
With a desire to alleviate
To change things as Christ did
He altered the multitudes' fates.

I was hungry and you fed me not
You cared not for My shame
You gave no clothes for nakedness
Yet say you wear My name?

My daughters have been shut out
Of places you stood before
My children, you did not pity
But instead you locked your door.

How long shall I endure you?
You fear the very wrong thing
You open yourself to the evils
That the door of pride doth bring.

Selah!

A Praise

Let me forget all my terrible days
Make their memories become a praise
Spark Your fire into me ablaze
And Your Name I'll wear with grace.

Anoint me to prosper and to rest
Understand and accept that Your way is best
And not to ponder, wonder or quest
But just stand still and endure the test.

Forgive me for all my faults and sin
Restore me daily Lord again and again
Let me know that I have power to win
Against every pit, pen, cave and den.

It's just a praise
A new song to sing
You wouldn't understand:
It's a Holy thing.

Kings and Queens

Hello there great women of God
Let's talk the worldwide net...
The One who sits on the circle
Is turning the stage to be set.
Isaiah 40:22-23

That greatness down deep inside
Hell did not want us to know--
God is stretching forth to escapade
Wealthy places He scattered to sow...

Lucifer knew we were kings and queens
He took advantage of our stolen throne--
We were driven to America's slavery
To become no more our own...
Genesis 9:18, 22, 25-27
Genesis 25:14

But though the ships came for evil
God has turned it around for good--
We were broken and poverty-stricken
But now own our neighborhood...
Ezekiel 30:9

The ancient, royal kings and queens
Of opulence, the magnificent Black--
Affluent, rich and powerful ones
God humbled and now we're back.
Genesis 10:6-20
Jeremiah 10:14-21

Mother Church

She was such a sweet old girl
Born nineteen hundred and one
I am one of her babies
From her womb, I was born
What a great father we had
A legacy to never forget
He had a unique ministry
Against the evil net
He suffered and brought us in
And took us to a place
A new dimension in God
It was criticized to be a phase

Old girl, please don't be lost
You've pearls, diamonds, and gold
You are our old sweetheart
Cornerstone, foundation of old
Hear ye now old girl
I am bidding to thee
Get up, step up, step over
Sweet girl seek to be free
I have always loved you
Praying for you all the time
Accept now the breach repairer
Rise up dear church and shine!

You have been so beautiful
It doesn't have to fade away
Humility will bring you back
Consider new paths and obey
Watch out, sweet Mother Church
Search, seek, surrender and see
Stop now any pointing fingers
Confess: "I look first at me".
Grand Old Church arise
Your first glory was the best
Your humble beginnings have changed
Will you survive the end-time test?

God's Anointed in Bondage

And the Lord spoke to Moses, saying, "Go in, tell Pharaoh king of Egypt to let the children of Israel go out of his land. Exodus 6:10-11

God's anointed in bondage
Angels encamp about thee...
The Lord's eye is upon ya
And He will set you free.

Joseph was forced to bondage
At the hands of his enemy...
Those who were his brothers
God soon set him free.

Joseph's dying words to Israel
"God will surely visit you...
To bring you out of Egypt
Joseph's words came true.

Moses was anointed in exile
For God called him out...
To do the awesome task
What Joseph spoke about.

Enslaved Israel came forth
Then bound in the Wanderland...
After Moses, Joshua rose up
Now Joshua was the man.

Israel still fell victim
Idolized again and again...
Then God rose up judges
To destroy the enemy's hand.

Then King David was anointed
But first driven to the cave...
In hideouts in the wilderness
Near many times to his grave.

Also Jeremiah and Daniel
Job, Peter, and Paul...
God's anointed held bondage
Alas! Jesus excelled them all.

The grave, it could not hold Him
Forty days wilderness too...
The enemy couldn't defeat Him
Christ victored all the way thru.

God's anointed held bondage
Conceive the victory
God's eye is upon ya
He's here to set you free
God's anointed held bondage
He has heard your plea
His ear is ever listening
The Lord that healeth thee
God's anointed held bondage
Stand together, touch and agree
There is power in unity
Togetherness brings mastery.

4/18/99

Six steps and then a Praise

He listened to the mulberry trees
He hid in pits and caves
But a warrior so worthy
Six steps and then a praise...

Famed for being mighty
Yet humble to amend his ways
Ready to repent to God
Six steps and then a praise...

Now all his enemies dead
Now king the rest of his days
A dancer with every instrument
Six steps and then a praise...

So when I feel defeated
I realize it's just a phase
For I remember King David's
Six steps and then a praise.

David's Wilderness Men of Might

*Abiezer, Joash, Jeziel, Pelet, Berachab, Jehu, Ismaiah,
Jeremiah, Jabeiziel, Johanan, Josabad, Eluzai,
Jerimoth, Bealiah, Shemariah, Shephatiah, Haruphite,
Elkanah, Jesia, Azareel, Jolzer, Jashobeam, Kornites,
Joelab, Zebadiab, Ezer, Obadiab, Eliab, Mishmannab,
Machbanai, Attai, Eliel, Johanan, Elzabad..., II Samuel 5:7*

As David's helpers they came
Against the band of rovers
They were chief and mighty men
Of valor and God-lovers...
Day by day, they came
All to be his support
They multiplied in number
This great host came forth...
Armed with their bows
Using left hands and right
Mastered shield and buckle
Fit for battle and fight

*These were David's men
The Wilderness Men of Might!*

They had awesome faces
The faces as a lion
Feet swifter than roes
Took down strongholds of Zion
They lifted up King David
Against the band of rovers
They were his mighty men
Of valor and God lovers
Armed with their bows
Using left hands and right
Mastered shield and buckle
Fit for battle and fight

*These were David's men
The Wilderness Men of Might*

II Samuel 23

Remember David, Remember Me

Let Your will be done in me
Remove the obstacles to true destiny
My weary eyes near faint to see
That place in You I long to be
Remember David how he swore to Thee
A vow and prayer to be set free
With the Holy Spirit, I now agree
Arise, perform, and use the key.
Remember David, Remember Me
Like David, Father, set me free
Remember David, Remember Me
Like David, Father, set me free
Remember David, Remember Me
Like David, Father, set me free
Remember David, Remember Me
Like David, Father, set me free
Set me fr-e-e-e-e-e-e-e-e-e.
4/6/99

Certify me.

2 Samuel 18:19-19:8

Still in the wilderness
I go back again
Until you certify me
Against the wicked men

I will tarry here
And my people too
Until You give the Word
Of what we're to do.

All my conspirators
Absalom, my son
O how I love you
Can do you no harm.

You revolted against me
And they took your life
My beautiful son
Slaughtered by knife.

To the chamber I ran
And over the gate
This pain, this loss
Is just too great.

Thus He certified me
Over the Jordan I come
To gain the victory
His Will be done.

Then the king was deeply moved, and went up to the chamber over the gate, and wept. And as he went, he said thus, "O my son Absalom – my son, my son Absalom – if only I had died in your place! O Absalom my son, my son!"

DANCE OF DOOM

'Twas the night she danced with doom
She made a major step too soon
It filled her soul alas with gloom
And took her heart for love of whom
Her eyes too late visioned this loom
Take now advice: Never assume!
Believe thee not promise of the moon
Or lusty kisses, morn, night or noon
But tell the devil that you are whom
God has empowered against imps & goons
Or you will make a step too soon
Then you will dance the dance with doom.
The dance with doom, the dance with doom
Is when you make a step too soon
It gives your life a deadly gloom
Cause heart to bleed and soul is wound
Beware the dance, the dance with doom
Never make a major step too soon
But tell the devil that you are whom
God has empowered against imps & goons
Or you will make a step too soon
You'll surely dance the dance with doom.

GOD WILL DELIVER!

Heter-, Homo-, Bi- and Tri-
Where are they who live the lie?
Nymphs and pimps, the pedophile
Demons of lust perverted and vile
In the church? Yes, sitting in pews
Know today that the Lord God rules
Give it all up, Don't live life bound
He'll clean your life and turn things around!
Take a honest and spiritual look at yourself
You know yourself better than anyone else
Are you Living right according to what's true?
Inquire to God about it, then start life anew
Stand up! Be bold! Stand out from the rest!
Be like King David and ask God for a test
If you are living righteous, holy, and true
This should be a task you would want to do
But if you are perverted, wicked and vile
You're trapped by Satan's crafts and wile
Give it all up, Don't live life bound
He'll clean your life and turn things around!

Fighting and Failing

Fighting and failing
With no victory
Tell me why
Am I not free?

Fighting and failing
With no victory
Show me why
For I can't see.

Fighting and failing
With no victory
My life and the word
Do not agree.

Fighting and failing
With no victory
Yet I search
On bended knee.

Fighting and failing
With no victory
Making circles
Continuously

Fighting and failing
With no victory
After 25 years
Comes DELIVERY!

The fight now differs
There is victory
The circle is broken
I am set free!

Now I'm fighting
And I am winning
It's an awesome
New beginning.

That new thing
Prophesied before
Is coming to past
And now I'll soar.

Over 40 years
The 42nd chapter
I now go forth
Today and hereafter!

Jonah

and BABYFIED MEN

I've said it once and I'll say again
Who wants to deal with babyfied men
Except for a mama who is full of void
No woman or wife, not even the Lord.

To babyfied Jonah, God said to *Go!*
Jonah did the opposite telling God "No"
Back to the womb, Jonah was then sent
In the whale's belly three days spent.

After three days stay in the belly of the whale
Jonah grew quickly to a full-grown male
No running against or running away
Jonah made his trip in just one day.

A babyfied man is a mama's boy
Responsibility is his very annoy
Babyfied men are not men at all
Real men stand true, great men stand tall.

Wearing His Name

Why is it that because
You wear his name...
All you've encountered
Is just more pain?
A good name is better
Than chosen riches...
But all you've obtained
Are pits and ditches
Trouble and anguish
Abuse and misuse...
Coldness with boldness
And words to confuse.
His name you're wearing
Is wearing you out...
His name has caused you
To wander about
Not knowing, Not receiving,
Hindrance, dismay...
If you'd known yesterday
What you know today.

inspired by Dr. Love at the Potter's

Who is this man?

Who is this man
This Bishop T. D. Jakes?
What's all the stir
For heaven's sake?

Oh my there are hundreds
Thousands running to church
On Sundays, Saturdays
Wednesday nights worse!

Who is this man...
That in, what?, just a year
Potter's membership doubled
And 20,000 appear!

And who are these people
Where are they from?
They overflow this church
And still they come.

The cars are backed up
Miles and miles they walk
Arriving early 6 a.m.
This is not just talk!

The cars still backed up
Feet race, walk and run
Just to get in the house
To hear this God-son.

They push thru the doors
Then run down the aisle
Just to find a good seat
After standing a long while.

Then they all in unison
Worship, praise and give
Full attention to the Word
Convinced withal couldn't live.

But who is this man
Who seemed to just appear
And brought thus this commotion
Down to Dallas here?

Just up out of nowhere
He took us by a storm
Before we even knew it
The Potter's House was born!

This reminds me of Moses
Of Christ, Peter and Paul
I see---he's like them...
Tearing down many a wall.

Traditions and ignorance
Dead things and true lies
Like Christ, a revolutionist
Come breaking deadly ties.

O yes I see it now...
And I can understand
When the real comes forth
No need to search again.

So I'm with them now
What a pastor, what a man
Is there not a cause
To heal this broken land?

I was broken in defeat
With nowhere else to go
Had always been in church
But nourished not to grow.

Soon after joining P.H.
God's holy words took root
Yes, Satan's very angry
But here, he's *under* my foot.

After all this time....
It's so amazing to me
All my life I was bound
Now I'm being set free.

So who's this man you ask
This Bishop T. D. Jakes?
He is a living epitome
Apostle for Destiny's sake.

4/20/99

Are You One of D.I.M.?

The mind is so powerful
Yet the mind is very weak
For the mind is easy prey
For a scheming religious freak.

Domination, Intimidation
Need immediate eradication
All Demonic indoctrination
Are cancers to salvation.

Read the bible yourself
Please study it faithfully
Ask God for revelation
He will give it graciously.

Take a look in the mirror
Tell me what do you see
Do you see a happy person
Fulfilling his own destiny?

Do you think for yourself
Or are you being controlled
Do you ever stand up
Or are you never bold?

Are you being snowed over
To satisfy other peoples needs
Are you giving and giving
And they're calling it your seeds?

Is your soul prospering
Are you growing in Christ's grace
If you aren't inspired or spirit-filled
You need to find a better place.

The mind is extraordinary
That's why Satan has a trap
Ways he can control your mind
Once you fall into his lap.

Whether it is a loved one
Or even your best friend
Your mind can be brainwashed
If you let the enemy get in.

With rituals and traditions
God's word will have no effect
The isolation and separation
You're caught up in his net.

False doctrines are taught
To manipulate the mind
This is evidence of a scam
A cult of the spiritually blind.

If you miss their meeting
Then the sheep beatings begin
Open up your eyes Oh man
You know this is all but sin.

The government can do it
The politicians know how too
And of course religious leaders
They can brainwash me and you.

If you do not believe it
Just think about Jim Jones
And think of all the cults
That committed these wrongs.

CARNAL MAN

VS.

SPIRITUAL MAN

Meet the carnal man
With his carnal mind
Only fasting and praying
Will deliver this kind---

The carnal mind
In the carnal man
All things of the Spirit
He won't understand---

Strife and division
Conflict and discord
Open opposition
Enmity against God---

Full of earthly wisdom
Variance and contention
This is the carnal man
Of deceit and dissention---

Where the carnal man is
There is much strife
Where the Spirit man is
There is truth and life.

Meet the spiritual man
With his Godly mind
He has power to loose
And power to bind---

The spiritual mind
In the spiritual man
All things of the Spirit
He will understand---

Peace and unity
Honor and respect
Harmony, purity
He is God's elect---

Servants of Christ
Abiding in His love
This is the Spirit man
Full of wisdom from above--

The spirit of bondage
Is the mind of the flesh
The spirit of freedom
Is life lived in holiness.

KNOW YOUR FOE

It's a tedious matter
My heart speaks true
When it came to foes
I didn't have a clue.

Seems those I trusted
Would always doublecross
Then I was always the one
To suffer great loss.

Oh Lord my God
And Christ the Son
Please expose my foes
So Thy Will is done.

Just to know my foes
To discern and recognize
Who or what they are
Where are these spies?

Increase my inner sight
Let pure wisdom show
Reveal to me the enemy
Identify to me the foe.

Quickly, Lord I say
Manifest every scheme
All the hidden agendas
Lord, reveal everything.

It is I who need it
Yes I need to know
Who is the real culprit?
Who is the evil foe?

Against Eve, came the Serpent
Against the prophets, Jezebel
Isaac had to strive and fight
When he tried to dig a well.

And those evil brothers
Joseph had to contend
He shared all his dreams
Not knowing they'd offend?

Did Joseph know his foe?
He did not have a clue but
In the end God blessed him
And brought him through.

Against Israel was Pharaoh
Against Christ, the Devil
The rulers and the priests
And every diabolical rebel..

Against the disciples Herod
He was the early church's foe
Brotherhood or government
Give discernment to know.

Holy Spirit of God
Please increase my sight
Open my spiritual eyes
Let me know who's right.

We need to know our foe
For he's skilled and wise
Soon the antichrist comes
And he'll be in disguise.

Know Your Foe, Continued

Be ye as wise as serpents
Christ taught us and said
Be as humble as doves
Righteous and spirit-led.

I admit it gets hard
Too quick to even discern
But each day every trap
Force us to study and learn.

Recurrent malevolent spirits
Evil spirits of the air
They oppress and depress
Cause dismay and despair.

Help us to know our foes
Every time, every place
Every move, every plot
Against this Christian race.

Who, tell me, are my foes
Do I even have a friend?
Where are these instigators
Ready to strike and offend?

Judas betrayed Jesus Christ
With a traitor's kiss of death
And when the going got tough
All His friends up and left.

Let's pray to know our foes
Against the Father's plan
Against the Father's will
Against the destiny of Man.

The Lost Queen

She endured harsh slavery
Rape, degradation and shame
She stood strong against adversity
Kept her dignity, but lost her name.

Why such malicious bias?
O' how the heathens rage
Wisdom staggers at ignorance
It pities the simple and vague.

Her husband was brutally beaten
Her sons were taken away
Her daughters were molested
Her only weapon was to pray.

The Black woman, she has suffered
Yet triumphed despite crucial pain
Ancient times crown her a true queen
Her strength causes her to reign.

Down thru the horrid years
Trouble has been her friend
Terror has been her companion
When will the torture end?

For a time downtrodden and hated
I wonder why she is such a threat?
Think maybe God has something
He has not revealed to others yet?

Every tongue and every kindred
All colors, peoples and race
But when it comes to this fair lady
She is treated with utter disgrace.

If we would research her history
Far back in the ancient time
We might find the Black woman
The first woman of humankind.

I speak not of fairy tales
Fables, fictions or lies
As a black educated woman
Just look into my weary eyes.

Oh Eve, mother of all living
And Adam, our Creator's son
Speak to this sick, biased world
Make them see that we're all one.

I guess the world will soon discover
Once she is given back her name
The Black Queen sold to slavery
God will restore her soul to reign.

StoneCOVENANT People

*The Old stone-etched Law
Although it began with glory
Can not even be compared
To the New Redemption story...*

The New Covenant is a holy treasure
A light and awesome power within
Endows us exact likeness of God
For His Son died to wash away sin...

The bible states it clearly
Men will not understand
When they read Moses writings
It's like hiding truth in the sand...

With sincerity and Christ's authority
Let us preach this living Word
Ministers of the New Covenant
A message no one has heard...

The bible says it again
"You will not understand"
The old law covenant of Moses
Only shadows the Son of Man.

Let us spread this Good News
As a perfume of sweet, sweet smell
A fragrance scented of Christ
The living Word that will prevail...

No more sacrificing of bulls
Doves, birds, or the flesh of a ram
We have a Christ, a better covenant
The son of God, the great I AM.

This Covenant's not just in writing
The Comforter is here today!
Not just of laws, but of the Spirit
The old system has faded away...

StoneCovenant People are confused
Stuck in Old Laws before Christ rose
A Brilliant mind even the Apostle Paul
Was convinced by these demonic foes

This New Covenant is so glorious
For it makes us right with God
The Old Covenant veils the truth
The new one changes the heart...

It took Christ Himself to awake him
How did he believe murder was right
Or torturing, hating, beating and jail?
He believed lies until that one night??

Acts 9, Saul's conversion

3/22/00

But their minds were blinded. For until this day the same veil remains unlifted in the reading of the Old Testament, because the veil is taken away in Christ. But even to this day, when Moses is read, a veil lies on their heart. 2 Corinthians 3:14-15

I met JEZEBEL

Lord, this is a wicked one.. .
Let's destroy the enemy's nest...
Let her toss, and toss and turn...
Let her have no sleep or rest.
Send your burning wrath...
Fight against this foe...
She came in sheep's clothing...
I suspected it but now I know.
Oh the wiles of Jezebel...
Sirens and heirs of evil...
Advocates of the devil...
A conjurer of dishevel.
A lying woman's tongue...
With wicked heart and mind...
Let's defeat this one quick...
Oh holy Father Divine.
Turn her backwards around...
Shut the doors lock and key...

Empower me to win Father...
Holy spirit strengthen me.
I ask the Holy Angels...
Of heaven to stand and fight..
May the heroes of heaven...
Support me with holy might.
Come go with me to battle...
Let's finish this demon off...
For father you and I together...
Are angry and we're wroth.
The audacity of Miss Jezebel...
Wicked women at her best...
The witch must be stopped...
And her control put to rest.
Guide me, cover me, attack...
Let's outwit this conniving crook...
For the world is full of them...
They cram Your Holy Book.

10/29/99

The story of Jezebel can be found in I Kings 16:31- 2 Kings 9:37. She is said to rank amongst the most evil women of the Bible. Her evil influence of idol worship destroyed the entire northern kingdom. Here plan was to wipe out the worship of God in Israel. Today's Jezebel is much like the Bible's Jezebel in that the spirit working here is that of "the spirit of control."

Give not that which is holy unto the D.O.G.

D.O.G. = Doctrines, Ordinances, & Gobbledygook

Jesus said, "Do not give dogs what is sacred, Matt 7:6. NIV"

**"Watch out dear children," warned the Apostle Paul
Be vigilant, be wise or else you will surely fall.
Doctrines are preached, old ordinances and old laws
But they are not of Christ and don't promote His cause.
Christ, He is no doctrine. Why err and minimize?
For He is all sufficient, you must not choose the lies.
Do ye not understand Christ's new hope of glory?
How art thou blind to the greatest redemption story?
Take time out to search in humility, search and seek
Test the word of truth, greatness comes to the meek.
Remain in sound doctrine and be nourished with faith
See whether it's of God, a doctrine, pure and free of hate
Those too arrogant and ignorant, stubborn heads of flint
With conscious seared with hot iron, choose to die, not repent,"**

6/5/00

Jesus answered them and said, My doctrine is not Mine, but His who sent me. If anyone wills to do His will, he shall know concerning the doctrine, whether it is from God or whether I speak on my own authority, John 7:16-17.

*Through thy precepts I get understanding therefore: I hate every false way, Psalm 119:104, KJV.
Thou hast trodden down all them that err from thy statutes: for their deceit is falsehood, Psalm 119:118, KJV.*

*I am writing these things to you about those who are trying to lead you astray, I John 2:26 NIV.
Dear friends, do not believe every spirit, but test the spirits to see whether they are from God, for many false prophets have gone out into the world, I John 4:1 NIV.*

If anyone comes to you and does not bring this teaching, do not take him into your house or welcome him. Anyone who welcomes him shares in his wicked work. 2 John 1:10-11 NIV

Do not be carried about with various and strange doctrines, Hebrews 13:9 NKJV

Be not carried about with divers and strange doctrines, Hebrews 13:9 KJV

He causes all, both small and great, rich and poor, free and slave, to receive a mark on their right hand or on their foreheads, Revelation 13:16, NKJV

Study Jesus

Study Jesus and learn His ways
His philosophy and how He prays
Seek His wisdom and His passion
Don't you cease till soul satisfaction
Observe His actions, what He said
How He lived His life Spirit-led
How He loved His friends, foes and brother
His sister, Father, and Mary, his mother
Oh yes and what about His precious bride?
For His bride, Christ Jesus died.
Learn to study Jesus and focus on Him
Keep your eyes on Him and not on them
Study King Jesus and study the Christ
Study His philosophy and study His life
His walk, His will, His faith, His trials
How He conquered Satan in all his wiles
Study Christ Jesus and learn His ways
His great philosophy and how He prays
Seek His wisdom and grasp His passion
Don't you cease till soul satisfaction.

Humanity

FROM GENESIS TO REVELATION

**NEW CREATION TO DEGRADATION
DEGRADATION TO ERADICATION
ERADICATION TO VINDICATION
VINDICATION TO EXPLOITATION
EXPLOITATION TO SALVATION
SALVATION TO JUSTIFICATION
JUSTIFICATION TO JUBILATION
JUBILATION TO TRIBULATION
TRIBULATION TO CORONATION
CORONATION TO RESTORATION
RESTORATION TO NEW CREATION**

Now listen up students one and all
Stand up for something or you will make a fall
Don't run with the crowd who's doing wrong
In your books in the classroom is where you belong
Education is the key to life and hope
Not guns, not violence, gangs or dope

So get an education and stay in school
Obey the teacher and obey the rule
If things get tough, there is a place to turn
Just voice your opinion and you will learn
There is a solution - don't have a doubt
Let's stand together and NOT drop out

Yes, crime is rampant and destroying school
But let's be an exception to that rule
If we stick together and stand against crime
Our schools will change in just a matter of time
So let's make a pact and truly believe
And open our eyes and not be deceived

Education is the answer – school is the way
To brighten your future, hear what I say
Without a true goal, there's no direction in life
Just hustling, struggling, disdain and strife

So get an education and stay in school
You'll soon find out it's a powerful tool
Without it your future could be dark and grim
Your chances of survival very, very slim
Without it, you're likely to turn to crime
And end up hopeless without a friend or a dime
You need an education - this is no game
If you drop out of school, you have no aim.

JAMES

If you really think we're there
That America has finally arrived
Think again on a name among names
That name to remember is JAMES.

You may turn your heads away
And pretend our nation is there
But his name speaks above names
The name once again is JAMES.

James Byrd Jr. died for a reason
All things work together a cause
To teach us, show us, awake us
To caution us to see our own walls.

God's America has practiced too long
To kindle not to kill the hate
It's time to be healed and be free
And not wait until it's too late.

James, the last of a line of martyrs
Finale of the twentieth century
May God serve righteous justice
To send murderers to the penitentiary.

James, continued

His innocent blood, it cries out
As Abel's, the brother killed of Cain
May this Millenium break Cain's spirit
Proving James died not in vain.

There was a James, the chosen disciple
Another James, Jesus Christ's brother
But this is our cousin James of Jasper
And we pray God forbid any another.

I stand in awe of this incident
The thorny truth again rises its head
How can we change this ugly mindset?
So there'll be no more bloodshed?

Christian churches all over America
Here is the message that is true
There's no love without brotherhood
So what is it that love's got to do?

Black is only a color, it's not a race
This started the world's biggest lie
God made men tribes and nations
So don't you ask the question why?

People wake up and smell the ignorance
The twisted concept of red, white and black
Why is America prejudiced over skin color?
It's cause cultural wisdom here is sure lack.

12/13/99

Look up!

**There shall be no more sorrows
No more sickness, death or pain**

**All things shall be made beautiful
When Christ comes back to reign**

**So look up into the Heavens
From whence all help shall come**

**For our Father watches over us
And His Will shall always be done**

Make it Happen *Thy Vision Comes*

Make it happen Lord
Let the vision be known
Open the sealed books
From Thy holy throne.

Let Your power fall
Saturate us this day
With your holy anointing
Teach us how to pray.

Clothe us with garments
Of healing and wealth
Righteousness and peace
Prosperity, good health.

I can picture the vision
One day we'll see Your face
Pour out Your sweet Spirit
Upon this the Human Race.

Make the vision happen
As we stand in Your will
Waiting for Your glory
Hoping, standing still.

Your promises are true
Your words are never void
That is why we wait on You
You are the One True God.

M.V.S.P.

MEAN - VAIN - SELFISH & PERVERTED

Ask yourself a question
Take a long look
Are you really living
By the good book?

Or are you mean?
Conceited and vain?
Is your tongue loose?
Or is it tame?

Are you selfish?
Are you converted?
Are you righteous?
Or are you perverted?

Mean and vain
Selfish and perverted
Full of lust and pride
Just won't be converted.

Yet you go to church
And do your thing
You play your music
Clap, stomp and sing.

You're still so selfish
Vain, selfish, and mean
Perverted, not converted
Wash ye, be clean.

a still small voice

Father, help me to overcome at last and be free
Of any and all bondage that's working against me
Bad times, bad memories let me leave behind
Help me to have greater joy and peace of mind
Then a still small voice spoke to me and said:

*"This is what to do to triumph with victory.
Meditate on the Father and His Word
Think of good things that you've heard.
Into the night and each and every day
Think on His goodness and always pray.
Things that are lovely, things that are true
Let the Holy Spirit's light guide you through
Whatsoever is pure, whatsoever is just
Things to build you from dawn till dust
Things that are noble, if there be any virtue
Think on these things, meditate and nurture.*

*Think on the miracles He's performed for you
And how many times He's brought you through
Think on His Spirit and how he saved your soul
Think on "one day you'll walk streets of Gold"
Think on His Spirit and how it leads and guides
Think on His Word which quickens and abides
Think on the joy of eternal love and life
Think on My prepared world for Christians to abide.*

MILK & HONEY

Abundance, prosperity, and happiness
Isn't that what it's all about?
Every human being is searching and seeking
To find this road, this route.

It is the land of milk and honey
A symbol of abundance and success
The Israelites wandered in the wilderness for it
That Canaan land of blessedness.

Take me to the land of milk and honey
The Father's blessings, they too are mine
For I am my Father's daughter
It's my year for my thing, it's my time.

Our Creator, Our Destinator

Our Creator looked inside Himself
And He saw there so much to give
So He pulled out of Himself, WISDOM
And gave Angels a spirit life to live
And Then He saw inside Himself
How His heart was so full of grace
So He pulled out of Himself, LOVE
And created us, the Human Race
All things new, He spoke them
He spoke the Day and the Night
He called the darkness evening
Morning, He called the Light
He communed with LOVE, Adam & Eve
From the day humanity began
He nurtured both the man and woman
But then Man chose to sin
Then, the Father in Him manifested
To again restore human destiny
All answers right there inside Him
To redeem back humanity
Since Man disobeyed His Destinator
War of evil and good was born
Man had become a fallen soul
Broken hearted, blemished & torn
God spoke once and down came rain
It rained forty nights and days
Prior to the rain, He had spoken to Noah
To warn men to change their ways
Then later He spoke to Father Abraham
Making him His Old Covenant friend
He gave him an eternal promise
Of a nation born to never ever end
For times He sent down Angels to fight
He spoke to young Joseph in his sleep
He talked with Moses on the mountain

Our Creator, Our Destinator, continued

His words caused Jeremiah to weep
He spoke to the clouds for Israel
Then the clouds became their guide
He commanded the great Red Sea
To take Israel's children to its other side
He spoke strongly to Minister Joshua
"Get up, get ready son to lead.
Go now, go out to possess the land.
Be encouraged, be strong, take heed."
He spoke to the appointed judges
To the prophets and to the kings
To all the Hebrew nation
He promised them most glorious things
Then He looked deeper inside Himself
And saw the most brilliant of all
It was POWER, LOVE, and WISDOM
The WORD to cure Man's fall
So the Destinator stepped within Creation
The Living Word, Christ Emmanuel
God With Us alive among us
Christ Jesus to save all from Hell
He sent His Holy Gift for everyone
Thru Christ, the Living Word
Thru the Bible, the Written Word
He's speaking, but have you heard?
He is speaking in the pulpits
He is speaking in church pews
He is speaking thru holy tongues
To spread His Gospel news
He is speaking in the whirlwinds
The Destinator of all Heaven and Earth
The time is slipping away, my friend
Do you know what your soul is worth?
The Destinator Does.

My Sister at Phone's End

Jesus healed me yesterday
When I entered my closet to pray
With the cell phone in my hand
After his sermon, I up and ran
To call *Breakthru* on the phone
By faith I made my request known
The lady speaking on the other side
With a voice pleasantly replied,
“What can we do today for you Dee
Tell us dear, what is your plea?”
Then I told her about my pain
That twenty years it had remained
And how that I experienced no peace
And how the misery would not cease
Then I told her I’d tried it all
And that’s when she began to call:
“Jesus please heal this your daughter
And she’ll witness what you taught her
I lift her up, Dear Lord, to you
I know that you can pull her thru
Lord I command this thing to go
Because of Your blood this is so
Now, Dee, put your hand on the place

Believe in God and His grace
Oh how I feel such great power
I feel His Spirit this very hour
Sister believe it, God has healed you
Thank Him now for this is true
Daily give Him your holy praises
For His graces forever amazes
His love is strong and it goes deep.”
We began to shout , rejoice, weep
“You are healed already daughter
It’s a gift from your holy father
Claim it now, every night and day
Don’t let your healing ever slip away
Dear God bless my Breakthru friend
My prayer sister at my phone’s end
Wonderfully blessed let her life be
From now on Father until eternity
For I’ve lived in bondage 21 years
Everyday I have shed many a tears
The horrible pain has now been eased
And my afflictions have now ceased
Thank God for the Breakthru prayer
And for His warrior who was there.

9 o'clock Prayer

At precisely nine
And right on time
I shall but pray
Abundance is mine

That I am powerful
That I am blessed
That I am relaxed
I'm not distressed

That I am God's
That I am well
That I'm successful
I will not fail

That I am conqueror
That I am glad
That I am loved
I'm happy not sad

A prayer at nine
Twelve six or three
Nine days or nights
Of the Trinity

Twelve, six
Nine or three
Give me Lord
The victory

Twelve, six
Nine or three
Father God
I pray to Thee

Watch the hour
See the time
This time later
Victory is mine.

Almighty Creator, the Great Consuming Fire
My buckler, My shield, My rock and defender
Son of the Celestial Highness
Ruler of Wind, Rain, and Fire
As the sun heats and soothes the Earth from the Sky
So shall Christ heal, deliver, save and restore us
And as the sun replenishes, nourishes
Christ's Holy Spirit breathes upon us
Causing us to be whole and full of the Light of Heaven,
The Glory of God, the Joy of our Father
In full force and in His holy delight.
I grant you peace
I call you blessed
I proclaim prosperity
I renounce all evil
I denounce all curses
I speak to you life
I speak to you hope
I speak to you health
I declare to you wealth
Wholeness and sanctification
Be well
Be free
Walk in
DESTINY!

Purpose?

Searching for some meaning
Seeking for an explanation
Of the ancient days to now
The beginning of creation

I have always questioned
And tried to understand
The goal of humanity
The divine purpose of Man

Why vicarious suffering?
Where does it all lead?
How do we prosper?
How do we succeed?

For what is prosperity
In the eyes of God
Knowing we're predestined
What's our divine part?

CRUCIFY the FLESH

Abstain from lusts of the flesh
Flee its every enticing call
For all flesh is as the grass
And prerequisite to a fall
The works of the flesh manifest:
Envyings and fornication
Strife, seditions, heresies
Witchcraft, wrath, emulations
Uncleanness, lasciviousness
Variance, adultery, and hate
Reveling, murder, drunkenness
All yield a calamitous fate
Don't flatter the flesh but flee
In your youth or any age
Human nature will always fail you
And the flesh does yield its wage
Stand fast in spiritual liberty
Abstain, mortify, say No!
Dare not to play with fire
It's the Holy Spirit's foe
Run man, run like Joseph
Fight with the word like Christ
Let the flesh be crucified
Be spirit-filled, holy, be wise.

*Gal. 5; James 4:7; I Tim. 6:9-11; II Tim. 2:20-20; Isa. 40:6;
Rom. 6:19, 23; Rom. 8; St. Luke 4; Joel 2:28; II Pet. 2:9-10
I John 2:15-17; Col. 3; I Peter 2:24*

One Simple Word

One simple word Jesus had to say
Demons and imps had to go away.

Legions of demons and multitudes ill
Foul spirits fled at the Savior's will.

All He said was the one word, GO!
That word alone was a lethal blow.

It's power so strong that they had to flee
'Twas the power of God to set victims free.

And that same power, is it not in you?
For with God's Spirit, we have power too.

The five words of Warning

“She thinks she’s got something!”
Those five strange little words
From the man of God’s lips
Unbeknownst to her back then
He was giving her tips
To admonish and warn her
Of that the Viper’s grip
Since that day and thereafter
Life was a dolorous trip.
She thought she had something
But her thought was wrong
‘Twas because of her thinking
She had suffered so long
She wished she could’ve seen it
What if she had known
She thought she had something
Now that thought proved wrong
She knew she had nothing
But God specializes in all
He turns nothings to somethings
He changed Saul into Paul
Is there not always hope
When there is still breath
Isn’t God a miracle worker
Then there’s hope until death.

Live or Die?

**ALIVE IN CHRIST
DEAD TO SIN**

**ALIVE IN SIN
DEAD TO CHRIST**

WILL YOU LIVE?

**DEAD TO CHRIST
ALIVE IN SIN**

**DEAD TO SIN
ALIVE IN CHRIST**

WILL YOU DIE?

And if Christ is in you, the body is dead because of sin, but the Spirit is life because of righteousness. Romans 8:10

For if you live according to the flesh you will die; but if by the Spirit you put to death the deeds of the body, you will live. Romans 8:13

Talk to Me More

Talk to Me, Your Father
You are My prized creation
Holy sons and virtuous daughters
My chosen generation

Where've you been Love
Haven't prayed in a while
But I've waited and waited
And looked for you My child

Pay Me more visits
Come to My throne of grace
I assure you greater love
And perfect peace in My holy place

Don't let it be too long
Come to Me all you want
There are blessing if you do
But much defeat if you don't.

Destiny of All Creation

The destiny of all creation
After the 42nd generation
After the mount of His temptation
Jesus Christ received confirmation

Christ deserves standing ovation
Every day and night a celebration
On His shoulders rested destination
Of every human, God's creation

Stand up, be counted, every nation
Christ has redeemed God's creation
Heaven, Earth receive proclamation
Rejoice and shout with great elation

The destiny of all creation
On the mountain of temptation
The Holy Spirit gave revelation
Of Christ's anointed incarnation

Thru tribulation and dedication
Comes justification and legislation
He is the Hope of every nation
A new generation and declaration

What revelation you say, you ask?
Tis' pure knowledge eternity past
It compelled Him into the wilderness
To wander in a 40 day's fast.

After the mount of transfiguration
After the mount of His temptation
After the Cross of degradation
We became heirs of His salvation

The revelation when John baptized
Jesus Christ, God opened His eyes
"Remember, a lamb will be sacrificed,
And You My Son shall be the price."

The destiny of all creation
On the Mount of Transfiguration
Moses and Elijah had conversation
With the Lord, the True Foundation.

MUSIC

There is Music recorded in the New Testament as well as the Old Testament, contrary to the beliefs of some. Let us learn to appreciate and accommodate Music in our churches. The World honors and rewards it's musicians and singers.
Cast the spirit of King Saul out!

Matthew 24:31	Great sound of a trumpet
I Corinthians 13:1	Brass and cymbal
I Corinthians 15:15	Trump, trumpet
Hebrew 12:19	Sound of the trumpet
I Thessalonians 4:16	Trump of God
Revelations 5:8	Everyone with harps
Revelation 14:2	Harpers harping with their harps

God Rules! **God Reigns!**

The Nile He turned to blood
Magicians couldn't imitate
God used Moses' rod
To challenge Pharaoh's faith

Animal gods, they worshipped
Crocodiles, the frogs and bulls
But God used Moses to prove
He is the God who rules

Plagues of flies and lice
Murrain, boils, and hail
But Pharaoh's hardened heart
Caused Egypt to weep and wail

One of the worst of plagues
The locust God did send
They devoured everything
It was just the 8th out of 10

Egypt had yet another sun god
And RA was its name
Then God send down darkness
And then the darkness came

But yet without surrender
The last and final blow
To the Pharaoh of Egypt
Angels proclaim, Woe!

Woe to the proud, the arrogant
The man who stands against God
Who worships nothing but idols
And hath harden his heart

The death of the first-born
Of all the Egyptian clan
God at last declared
I am the true God of man.

The Prince of Egypt

MOSHEH (drawn out of water)

Forced to give up his royal pryncedom
Son of Amram and Jochebed
Adopted son of Pharoah's daughter
From his kingdom, Prince Moses fled

He settled down in Midian
Where he sat down by a well
There he fought shepherd oppressors
Against the daughters of Priest Reuel

He then became a husband and shepherd
A champion, a father, God's son
For God gave him a divine commission
Moses surrendered; "Thy will be done".

A prince chosen to be a pauper
A future king who became a slave
This adopted son of Egypt royalty
Now had a mission to save

Would you choose righteousness
Like Moses in the midst of fire
Would you give up great wealth
And all earthly carnal desire?

The Prince of Egypt, continued

This would-be prince Moses did
He had a heart as good as gold
Unlike his adopted father Pharoah
But a heart that God could mold

God took a prince thru wilderness
From the luxury of the rich
Out of the comfort of the palace
He made a holy, divine switch.

Bondman, you're that prince
You are that would-be king
Exiled from your ancestral lands
Get ready, freedom's about to ring.

Power of the Pen

*Let's use the power
The power of the pen
To tell of Wisdom
And truths to Men*

*Let's use the power
The power of the pen
To eradicate evil
Till it rise not again*

*To advocate
And validate
To liberate
And educate*

*To communicate
And cooperate
To affiliate
And integrate*

*Let's use the power
The power of the pen
To shake up injustice
Till it literally end*

*Lest we use that Power
God's formula to win
Then truths will be hidden
From the eyes of men.*

The Last Wedding

The Church, His Bride, is getting ready
For the Bridegroom, Christ, will come
The greatest wedding of all the earth

The exact time the Wedding is set for
Only the Father will know the hour...

Righteousness and praise will spring forth
She's adorned with jewels of salvation
Made perfect to wed her lover, the Christ
Before all peoples and every nation...

The Bride was made the Perfect One
For she heard the Bridegroom's voice
The Lord God Omnipotent reigns
Let us honor Him, be glad and rejoice...

Wisdom and knowledge are married
A new people will now be born
Giving us back our Creator's memory
That we lost while in earthly form...

Let us be glad and rejoice
The marriage of the Lamb is come
These are the true sayings of God
Here is wisdom: It is Done!

Spiritual Destiny

Denial - I ain't

Disbelief - I can't

Defiance - I won't

Deliverance - I don't

Spirit-born Son

By the water and by the blood
I was revealed as God's Son
The Spirit, the Water, the Blood
Testify of what was done

Eternal life through the Son
This is what God has testified
Those who don't believe in this
They are saying that God has lied

Do you believe that Christ Jesus
Is the spirit-born son of God
Flee and abstain from all things
Which take truths from your heart

The Father, He gave us the Son
The Son, He gave us His Life
The Spirit, He gave us the Truth
The Church represents His wife

Christ holds us safe and secure
Those who believe He's God's Son
Those who trust Him for victory
Who believe He and Father are One.

WIVES IN LAW

The Kennedy family leaders
The Davidic family clan
The Abrahamic family husbands
The American family man

Handsome, famous, eloquent
Rich, wealthy, smart
But evidently and unfortunately
All breakers of a woman's heart

Gifted, talented, well-built
Brilliant, trained, wise
But incredibly and outrageously
All subject to dirty lies

Fathers, providers, charmers
Politicians and a President
Seek counsel of the wives in law
For truths of nights far spent

Do you want the unadulterated truth
Of the Kennedys or any other clan
Just speak with this fellow's wife
She knows the mystery of her man

No, it's not mama or big sister
Or daddy, friend or brother
God has ordained the married pair
A unique union shared by no other

Wives in Law (continued)

He's with the intimate love of his life
Where he spends his days and nights
Where his deepest scars and flaws arise
And in the darkness he rages and fights

Truths and facts are heard by the wife
God placed her only there to know
It is without challenge or debate
However vile it is or however low

To speak of my brothers I am silent
My sister in laws have the upper hand
I know my brothers as brothers only
But a wife, she knows her man

But my words as wife to my own husband
I'll tell any family member or friend
Tell your thoughts, ideas, and gestures
I know where he is and where he's been.

If there be dysfunction of any kind
Any suspect there's something wrong
It is a certain you will find out
When Wives in laws sing the same song.

THE VIPER

Apostle Paul shakes it off!

The viper strikes again
For it can not stand the heat
Rest assured that spirit fire
Will manifest those of deceit.

The viper's poison tongue
This is what it will do
After all the joy and glory
He'll strike without a clue.

Paul shook the viper loose
That latched onto his arm
Others expected him to perish
But Paul suffered no harm.

God's anointing is too super
It is the power of the Lord
It is the moving of His Spirit
To fight vipers, you need God?

A Fight for My Destiny

Fight against those who fight against me
Plead my cause and grant me victory
Beckon the Angel of mercy, set me free
Against all villains of my true destiny
Take hold of shield and buckler, Stand for me
Let their evil plans destruct immediately
Angel of Vengeance pursue and decree
In shame and dishonor make them flee
Like chaff before the wind, Lord let this be
Cast in their own net thrown out to sea
Silence all the attackers of my destiny
And clothe me with justice, Your Majesty
Stir it up, awake to vindicate me
Make haste, make haste, Oh hear my plea
Fight against the workers of iniquity
Bring forth allies who speak truthfully
Destroy every plot of the adversary
Then open up eyes for all to clearly see
The deceitful ones working wickedly
Give me more power with holy entirety
To walk in Your love to meet my destiny.

A minute later

A minute later so nice
A minute later so mean
A minute later laughter
A minute later yelling
A minute later I'm wonderful
A minute later I'm worthless
A minute later, I'm good
A minute later, I'm bad
A minute later, I'm a saint
A minute later, I'm the devil

This is just a day
Yes, just one day
Of what the Passive-
Aggressive spouse might say

Such things to you
Yes, you, his spouse
This nice mean one
Will destroy your house

It's up and down
And down and up
Then round and round
Violent tempers erupt

Then nice and sweet
The laughs and the smile
But one minute soon
The verbal abuse is vile.

He's the perfect gentleman
So smooth and so fine
Girls, take precaution
Beware of this kind!

THE END OF MOSES LAW

Romans 10:4

Matthew 5:20

Saint John the Revelator
Recorded everything He saw
Proving Christ is our Righteousness
And He is the End of Moses' Law.

7/16/01

For the law of the Spirit of life in Christ Jesus has made me free from the law of sin and death. For what the law could not do in that it was weak through the flesh, God did by sending His own Son in the likeness of sinful flesh, on account of sin: He condemned sin in the flesh, that the righteous requirement of the law might be fulfilled in us who do not walk according to the flesh but according to the Spirit. Romans 8:2-4

Spoken Down

Are you one of God's children who's spoken down
Treated like Christ forced to wear a thorny crown
Who is the great accuser, the famed enemy of man
“Walking to and fro, he brags, up and down the land?”

I have tried to avoid it in every way every day
But still I get accused no matter what I do or say
And so was Jesus Christ, Peter, Paul and Moses
Life for serious Christians is not a garden of roses.

If you study Jesus' life, look at His ministry
Notice how accusers hounded Him continuously
Everything He said, even miracles He performed
The religious leaders plotted to have Him harmed.

Seven times recorded, Christ healed on the Sabbath
They accused Him of violating the Old Testament tablet
Christ was spoken down, then brutally crucified
Because of their accusations, the Savior bled and died.
Exodus 24:12, II Corinthians 3:3

The great accusers are talking and stirring up strife
Oh that untaming tongue with power of death and life
Words can hurt you, destroy, slander, and kill
The great accusers of the brethren are full of ill-will.

Are there righteous in the bible genuine and pure
Who did not have to ever weep or shed a tear
Jeremiah, David, Peter, Jesus and St. John
Had to shed some tears for God's will to be done.

Be ready to be accused, but know how to react
With wisdom and power, knowledge and tact
Offences will come but woe to those who offend
For surely the accusers may reap a terrible end.

Spoken Down (continued)

Matthew 18

Look at yourself--examine and clearly see
Are you an accuser who speaks down to me?
Do you make opinions based on what you know?
Do you sound like a friend or sound like a foe?
Are you trying to find a flaw or find a fault?
Are you lifting me up or hiding me in a vault?
Can you not see good, you only see the bad?
If I prosper in abundance would it make you mad?
We need to check ourselves and purge our hearts
Are we a servant of Satan, or a servant of God?

What a Woman

A woman anointed
Appointed by God
Is no longer her own
But belongs to the Lord
Her words, her ways
The way she acts and walks
She uses tact and wit
Every time she talks
They usually say
Oh what a man
But oh what a woman
A woman God-planned.

She's misunderstood
And often pushed aside
Pregnant with destiny
God is her guide
Anointed to heal
Anointed to pray
Anointed to live
Holy everyday
They usually say
Oh what a man
But oh what a woman
A woman God-planned.

Anointed to preach
Anointed to teach
Anointed to reach out and
Prepare the breach
A woman anointed
A woman brave
A woman pure
Preserved to save.
They usually say
Oh what a man
But oh what a woman
A woman God-planned.

This woman's awesome
This woman's anointed
This woman's called-out
She is God-appointed
She's Dorcas, she's Ruth
She's Esther and Abigail
She's Deborah, she's Eunice
And those who now prevail!
They usually say
Oh what a man
But oh what a woman
A woman God-planned.

A Call to Arms!

VISIONARIES, COME FORTH!

Identification...Revelation...
Intimation...Stimulation.
Gratification...Impregnation.
All visionaries, man your battle station!
Song of Solomon 1:2; Isaiah 54:1; Esther 5:1-8

Calling all arms for Visioned Victory!
Fight! Intercede! Make that plea!
Travail and mourn for true prophecy!
Bear down for birth, pray fervently!
*Galatians 4:18; Romans 8:26; Micah 4:10; Isaiah 66:8;
II Kings 19:3; Romans 8:26; Exodus 1: 17-19;
Jeremiah 9:17-21*

Write down the Vision, make it plain
Be ready to learn and skilled to train
Force not the Vision, just let it come
It's a call for arms to Gilead's balm.
Jeremiah 8:22; Habakkuk 2:2

Prepare! Equip! Defense! Attack!
Rise up royal ones and take it back!
Calling all arms to the battlefield!
Visionaries, courageous, holy and real!
Quickly gather to His holy hill!
It's birthing time, warriors come kneel!
The baby's coming, our Father's will!
To be done in the Earth, tarry until!
Quickly gather to His holy hill!
It's birthing time, warriors come kneel!
Calling all arms to the battlefield!
Visionaries courageous, mighty and real!
Warriors bold and spirit-filled!

A Call to Arms, continued

Called ones pregnant with destiny?
To birth your Vision, this is the key...
The strategy of birthing intercessory...
Procuring twelve steps to delivery:

Step 1, first, there must be intimacy.
Prayer, Praise and Worship precede victory.

Step 2, the signs of a pregnancy.
A little hard to believe, seek true prophecy.

Step 3, the hair and nails start to grow.
The vision is clearer and you begin to know.

Step 4, the skin and face have a glow.
The success of the vision will start to show.

Step 5, morning sickness makes you queasy.
Eat (study) frequent meals (the word) to make it easy.
Job 23:12; Galatians 6:9

Step 6, fatigue and tiredness, time is near.
Satan tries to wear you out and discourage, but do not fear.
Psalms 27:13/ Proverb 24:10

Step 7, stay close to restrooms for necessary breaks.
Stay close to strong believers, stay away from fakes.
Hebrew 10:25

Step 8, constipation/hormones will slow digestion down.
The vision stands still, seems you're going around and around.
Psalms 37:7

Step 9, 2nd/3rd trimester, headaches, colds and flu...
Beware of germs of unbelief, let true believers pray with you.
Matthew 18:19

Step 10, Sickness? call your doctor to come back around...
Choose anointed intercessors, people free not down or bound!

A Call to Arms, continued

Step 11, swelling, fluid and toxic weight gain...
Watch what you do, see, eat, -- does it lift God's name?
The vision is enlarging, it will increase, expand...
Don't surrender to the carnal, but to the spiritual man.
Isaiah 54:2; Hebrew 12:1

Step 12, hemorrhoids, backaches, leg cramps, heartburn
Do not force the vision, though it tarry (labor), the head will turn.
Habakkuk 2:2; Psalms 46:10

If you pass these steps, your delivery will come
That vision, that dream, that BABY will be born!
After the vision is born, nourish it and protect..
And remember God did it, never ever forget.

Reader, I pray that you believe, receive, conceive and you will achieve.
Amen.

Man your battle stations!!!

Jesus' Baptismal Place

*The lower Jordan, near the spot
For Israel's entrance to Canaan
Where John the Baptist preached
Where Jesus began his ministry
To the East, the towering heights of Nebo
Where Moses saw the Promised Land
Where God buried him.
Where Elijah was taken by heaven's chariots
To the west, the walls of Jericho fell down
Above Jericho is the Brook Cherith
Where Elijah was fed by ravens
Further up, at Bethel, was Abraham's altar
Where Jacob saw a ladder of angels
Where Jesus was tempted there by Satan
Southward, same mountain ridge lay JERUSALEM
The city of Melchizedek and David, the king
To the south, passed the Dead Sea lie the ruins of Sodom and Gomorrah
Central east hill was Moriah where Isaac was offered, but saved
Same place 1000 years later, Solomon built the Temple
On the north east hill, 1000 years later,
Jesus was Crucified in there
Jerusalem, the city that brought Him forth.
Oh the Memories here
Hold them close and dear
Know that the Kingdom is near
So keep "thyself" holy and pure.

CULT

The Pharisees (left)
Nicodemus with Christ (right)

How sad and evil, pitiful, yet strong
Not even subtle but obviously wrong
Out left field, left brain, I don't know
"It's ridiculous, honey, let's up and go.
There's so much pain in this place.
Look at the hurt on everyone's face.

The art of deception, a cult of lies.
Is there not wisdom for the wise?"
Misguided leaders of evil error,
Devil's advocates full of terror.
No toleration for any man's advice
Not a word to them will suffice.

Committed condemners against all else
Judging fingers pointed never at self

Like the Sadducee and the Pharisee
And the Israelites, you refuse to be free
"How deaf and blind some choose to be
Why won't you listen, you refuse to see
Some of you understand what 's right
But refuse to act--what a pitiful sight
(Isaiah 42:18-25)

Cult, continued

Strongholds of tradition and ambition
Please realize your saddened condition.
But there's a way and an open door
If you want to escape evil, live and soar
Remember Nicodemus, ruler of the Jews
God has given all men the power to choose

Nic went to Jesus in the calm of the night
Being wise to know that something wasn't right
Yet many choose death set in cultist ways
Deadlocked in lies deceived all their days
They know they're mean and walking in rage
Content in the captivity, bound in a cage

From generation to generation
Sending down lies and degradation

Oh that men would open their eyes
Just ask for wisdom to be wise
For knowledge sometimes can be a trap
When it gets mixed with alot of crap
Understanding and wisdom's what we need
For knowledge is but a planted seed.
It must be nourished with all truth
Letting God's wisdom reveal its proof.

Ignorance, dictatorship, need and greed
Cultists persecute Christians of every creed

Biting and devouring, slandering everyone
Oh what a fire of that flaming tongue.
Look straight forward close into the mirror
You know that it couldn't be any clearer
Face the facts that you're living a lie
You should know better, why would you die?
The ball's in your court, still you ignore.
One day in time, cults will be no more.
And this, I tell you, is as sure as day

Cult, continued

For Christ will return and He will pay.
Do you preach Love for God is Love and Love is God
Do you have hatred deep down inside your heart?
Do you teach everything lingering on mostly a verse?
Does it cause division and it's yesterday's rehearse?
Over and over you drill it, and drill and drill
Are you trying to convince yourself that your stuff is real?

Snap out of it my sister, my friend and my brother
Ask God to show you that you're on the right track
Read that Holy King James Version Bible
Do it for yourself and don't you ever look back!

Phillipians 2:8; Acts 2:24

FROM DEATH UNTO LIFE

He obeyed death and loosed it's pain
So that death for Christians would only be gain
Death hath no dominion for Christians shall reign
And judge the world in Jesus' name
Death is swallowed up to no more stain
The second man Adam has defeated it's aim
So that when Christians die it's to a higher plain
To a heavenly place hell can't contain
No need to worry or fret, living right's not vain
Inheritance is ours for us to claim
To the weak, the worn, the sick, the lame
You have a fortune too marvelous to explain
Death be not proud for you're only a flame
You touch only the body, the human frame
Our souls are from God, we are without blame
We're precious to Him, so shall we reign
The second man Adam, Jesus Christ the same
Conquered Death's dominion enduring the shame
The grave has no victory for Death can't restrain
The Christians are redeemed by His Blood and Name
He has the key earned by His passion and pain
All Christians rejoice, let your voice proclaim
From Death unto Life, the Christians shall reign.

Watch What You Eat

From ancient times until right now
We need to watch the food that we eat
For just as Adam and Eve faltered
We too can die from foods of deceit.

If we follow the bible's guideline
For long life, health and strength
Genesis 1-3 gives the food mix
All foods of the earth heaven-sent.

For long life, we must be cautious
Of all things that affect our temple
This temple which is our body
God laid it out plain and simple.

The Israelites ate God-given foods
Foods that grew from the ground
Fruits, juices, herbs and vegetables
They stayed younger, strong and sound.

For fuel, our body needs vitamins
Minerals and just a tiny bit of fat
All fruits and lots of carbohydrates
Yes, it's simple and easy as that.

Animal foods are still okay though
According to Bible but in moderation
The healthiest people of ancient times
Served meat for only feasts or celebration.

Heart disease, cancer and arthritis
Catastrophes such as the heart attack
Low blood, obesity, and strokes
Warns us to bring good traditions back.

Watch What You Eat, continued

That is the tradition of eating wisely
Of the health-rich foods of the Bible
To repair and strengthen our bodies
It will take a peasant's menu revival.

For the peasants and the Israelites slaves
Were forced to eat bland herbs and grain
The privileged ate meat with fatty sauces
Their eating habits yielded death and pain.

Read the bible and you will find out
A peasant's diet was the best for health
But the rich feasted all the time on fats
The death of them was their very wealth.

Forty years the Israelites lived in wilderness
But they stayed healthy to the very end
Those who died it was only for disobedience
Their idol worship, for murmuring and sin.

Consider the diet consisting mainly of apples
Garlic, cucumbers, melons and wheat
Lentils, barley, radishes and seeds
Food can be deadly - watch what you eat!

A great healing, traditional fruit
Actually can keep the doctors away
It dates all the way back to the Bible
That sweet apple - eat one every day.

Cucumbers, melons and garlic
Prevent illness, maintain and restore
Onions, leeks, lentils, and barley
To remedy illness, first seek it's core.

Watch What You Eat, continued

God wants to bring us into good lands
Read Deuteronomy in chapter eight
A land of olive trees, wheat and honey
Don't let a diet determine your fate.

A food extremely rich in nutrients
Apricots promote longer life span
Berries are rich in insoluble fiber
Eat as much of them as you can.

But remember again, use moderation
For the apricot is naturally sweet
It's rich in beta-carotene and sugar
For bursts of energy, it's seldom beat.

There are healing powers in these fruits
The berries, cherries, currants and figs
Isaiah used figs to heal King Hezekiah
But beware of animal foods such as pigs.

If you need the perfect pig-out foods
You may eat these to you heart's content
Fruits, vegetables, grains and herbs
So stop defiling your body and repent.

Our Father would not create a world
And then forget that we need to eat
He initially wanted us to live forever
But Adam faltered for food of deceit.

ABIGAIL, A FOOL'S WIFE

“From a Battered Wife to a Queen”

Abigail was a smart, beautiful woman
And a woman in love, I'm sure
In opposition to her husband
Her dealing and motives were pure.

But Nabal was full of ignorance
His name alone said it all
He was wealthy but so foolish
How fitting that “fool” means Nabal.

“Please pardon my ignorant husband,
Abigail said these few words
To David when Nabal rejected him
He's ill-tempered and most absurd.”

David had shown Nabal brotherhood
So Abigail said there's one more thing
Nabal is wicked and he is cursed
Simply because the man is so mean.”

So she kept Nabal from his demise
Death from King David's own hand
Yet Nabal was quickly struck dead
Causing Abigail marry a great man.

David never forgot her kindness
And the words that she had said
David immediately sent for her
When he heard that Nabal was dead.

Abigail, wife of a batterer and fool
Became first lady and wife of a king
So don't despair, oh battered woman
Practice good and become a queen.

Mark 7

*Jesus said, "It's not food, but it's your thought-life...
Not your knowledge, but thoughts stir up strife..."*

*It is not that which cometh from without any men
But that which defileth him cometh from within*

*Covetousness can not defile him from without
But an evil eye can from within with no doubt*

*Sexual immorality, hatred and evil thoughts...
Greed and adultery, anger, rage and wrath...*

*Wickedness, deceit, murder, abuse and greed...
Adultery and pride, and lustful need...*

*Slander, foolishness, jealousy and theft...
All evil thoughts, so Man, examine thyself.*

Sermon on the Mount

Matthew 5, 6 and 7

He saw the great multitudes gathering
So he went up into a mountain to teach
These are some of the wise things He told them
To every listening ear He said to them "I Beseech":

Blessed are thee, Blessed are they, Blessed are ye
O' Rejoice and be exceedingly glad
For great is your reward which is in Heaven
Till all is fulfilled till heaven and earth pass

Ye are the earth's salt and light of the world
So let your light so shine and swear not at all
But let your communication be yea, yea, nay, nay
If your eyes offend you pluck them out or fall

Except your righteousness exceed scribes/Pharisees
Ye shall in no case enter into the heavenly place
Anger will put you in danger of the judgment
Saying "Thou fool" shall put you out of this race

Committing adultery is looking with eyes of lust
Not hate but love, bless, pray for your enemies
Be therefore perfect as your Father in Heaven
For bad - good, prayer, & love are the remedies.

Sermon on the Mount, continued

When you pray do it with less speaking and secretly
Father knows what you need before you ask
And pray, Our Father which art in Heaven
Unlike hypocrites, also be secretive when you fast.

There is no way you can serve God and mammon
So have no thought of your life for food or drink
Seek first the kingdom of God and His righteousness
For of tomorrow is what the Gentiles think.

Judgment and measure you mete you meet again
Give not things Holy of God unto the dogs
Check your own eyes before your brother's
Unless for trampling, don't cast your pearls to hogs.

Beware of false prophets coming in sheep's clothing
You will know them by fruits they yield
Not everyone saying Lord, Lord shall enter Heaven
Only the few who does My Father's will.

Whosoever heareth Me and doeth these sayings
I call him a wise man who builds upon a rock
I call him a foolish a man who builds upon the sand
He's like every one that heareth Me and doeth not.

MAZE / LABYRINTH

Almighty God of wisdom and grace
Rescue us from the evil maze
Like a sheep that's prone to stray
Amongst wild animals an easy prey
Intricate paths where will they lead
Tangled webs weave to impede
Stones and sticks that will not bend
Walls and hedges that will not end?
So much conflict and everywhere confusion
To stupefy, distract and cause delusion
Circuitous journeys round and round
Wilderness wandering idly-bound
Locks and keys, chains and rope
Do not dismay, keep having hope
For the Lord our God is full of grace
He will deliver us from the maze
Ask Joshua and Caleb, the only two
Thousands died but they followed thru
They crossed the Jordan to the other side
And this was after Moses had died
Joshua was charged to take Moses role
God told him to be courageous and bold
Many deterrents were on Joshua's route
But grounded in God he had no doubt
One such obstacle was the Jericho wall
Joshua marched until he made it fall
The victorious march was God's design
For six days once then the seventh time
Shout! The city was theirs to possess
Don't die in the maze - withstand the test
From Egypt land, the labyrinth, a phase
Gave opportunity to witness God's ways
If you're in a maze, focus and fight
Don't falter to the left or to the right
Let go of your fear, any doubt, or anger
Remember anger is just one letter short of danger
Joseph was blessed with peace and so was Paul
In their Christian life, many walls had to fall

Maze/Labyrinth, continued

Since God is so merciful and surely full of grace
If you ask just ask, He will deliver from the maze.

And there are no shackles, chain, or labyrinth
That is greater than God Our Father's strength.

THE PRODIGAL DAUGHTER

Just look at this
I'm coming to myself
My father has the best
And I'm walking in death

I've left the best behind
I stood with the great
But now I'm in this pen
With slop on my plate

I eat with the hogs
All I see are snakes
And everywhere I turn
There are only fakes

It's scandalous outrage
Lies, cheating and tricks
Satanic tools and tactics
Political games and picks

False doctrines and creeds
And rotten words said
Evil looks and actions
Everything here is dead

I'm the Prodigal daughter
And I'm going back home
Back to the holy place
Where I know I belong

Going back to my father
Back to the holy choir
Back to the holy assembly
Back to the Potter's fire

Restore me once again
Cleanse my dirty hands
Take me back Father
And heal my broken lands

Receive me back Father
Please take me back in
I love you and I need you
Without you I know I'll sin

I can't live this lie
I won't continue here
I will not wallow in mud
And in constant fear

These hogs eat anything
Without quest or proof
So many errors, untruths
From the floor to the roof

Negation and abuse
Deceits and conceit
Pride and lust
Things I can't repeat

I'm the Prodigal daughter
And I've had it rough
This is pure foolishness
And I've had enough

I am the Prodigal daughter
But my father's a king
I'm going back to my father
Where I had everything

I am safe at last
In my Father's arm
Now I have peace
And protection from harm.

Pulpit

In mid-autumn before October eight
A high wooden platform was made
Ezra, the priest, stood on this creation
The foundation we call pulpit was laid.

He read aloud to all the people there
The pulpit built put him in full view
The people clapped, wept and rejoiced
For this was something to them new.

From early morning to noontime
All the people stood to their feet
Facing the new-built high platform
So excited they couldn't take a seat.

Instead after hearing God's word
They bowed down to the ground
They lifted their hands to heaven
They had too great joy to sit down.

Ezra had six men on each side of it
All standing to listen to the Word
They ordained the day a "sacred day"
For hearing things they'd never heard.

So when you step up into the pulpit
Please know it is a sacred place
Don't mistake the Pulpit for highness
For to the humble He giveth more grace

We who stand in God's holy pulpits
Precious souls are crying in our hands
Sweet to the soul are pleasant words
Healing are they to the dying man.

A good messenger enlightens, empower
Give a word to help to pull us out
Speaking with the spiritual fire of God
Renouncing evil, healing our doubt.

Throw out the lifeline O' ye messengers
Shepherds for God's people, His flock
Are you not ordained and appointed
Like the Apostle Peter, the rock?

God is building his church on you
You are His mouth, His feet, His hand
Pulpit words you proclaim and profess
Are supposed to give salvation to man.

Rest in Him

All things are working together for us
Says Romans Chapter eight
Even the smallest little detail
Has a bearing on our fate.

It's all working together
And it is for our own good
Hear, hear, for it's God's word
Let it be read and understood.

All things working together
Together for what is really best
He wants us to trust him as Shepherd
To believe Him with tranquil rest.

It's all working together for us
Yes everything is in our stead
So don't drag or lag behind Him
Or force yourself to get ahead.

When Jonah ran away from God
He ended up inside the belly of a whale
When Jonah ran ahead of God
He was rebuked or destined to fail.

Rest in Him, continued

But when Jonah walked with God
He experienced God's peaceful rest
So don't run away from or before Him
Or you'll find out that He knows best.

God's way, it is the best way
So believe Romans chapter eight
God is working the whole thing out
He's on time, not too early or late.

Trust in the Lord with all thine heart
Let us rest in Him day and night
For He is God and we are His people
Children in whom is all His delight.

It Takes Two

There are...

Two Classes of People
Yes the Bible says tis' true
Read what John said in
Revelation 21 and 22

So...

And of all the world's religions
Verily, I say 'tis sure
There is only one right way
And that way must be pure.

So...

All the world's races
Red, black, yellow, and white
God sees only two
The wrong and the right.

And...

Remember the 10 commandments
Christ made them brand new
He condensed them way down
Read Matthew 22.

Therefore...

Two classes of people
Did you find this it true?
And only two destinies
For me and for you.

So...

Just two final destinies
Just two choices to make
Just two classes of people
All simplified for man's sake?

Therefore...

According to the scriptures
Yes, the Gospel truth
True character will surface
When the bud issues fruit.

A VIRTUOUS MAN

Who can find a virtuous man?
Where oh where can he be?
Search over land, over the ocean
The mountain and over the sea.

Who can find a virtuous man?
Pure, holy, wise and true
And man of standard and integrity
Who holds a righteous view.

He treats his wife with great respect
He gives his children no neglect
In troubled times he knows no fret
He causes his loved ones no regret
He's wise in handling all his debt
He prays daily against the evil net.

Who can find a virtuous man?
Where oh where can he be?
Search over land, over the ocean
The mountain and over the sea.

Virtue is moral excellence, goodness

Prophetic Poetry

It is He that sitteth upon the circle of the earth, and the inhabitants thereof are as grasshoppers; that stretcheth out the heavens as a curtain, and spreadeth them out as a tent to dwell in: that bringeth the princes to nothing; he maketh the judges of the earth as vanity. Yea, they shall not be planted; yea, they shall not be sown: yea, their stock shall not take root in the earth: and he shall also blow upon them, and they shall wither, and the whirlwind shall take them

To whom then shall I be equal? One. Lift up and behold who things, that host by number: by names by the might, for that he not one faileth.

away as stubble. will ye liken me, or Saith the Holy your eyes on high, hath created these bringteth out their he calleth them all greatness of his is strong in power; Why sayest thou, O

Jacob, and speakest, O Israel, My way is hid from the Lord, and my judgment is passed over from my God? Hast thou now known? Hast thou not heard, that the everlasting God, the Lord, the Creator of the ends of the earth, fainteth not, neither is weary? There is no searching of his understanding. He giveth power to the faint; and to them that have no might he increaseth strength. Even the youths shall faint and be weary, and the young men shall utterly fall: But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint. Isaiah 40:22-31

A Call to Trust

You who have hope, have faith and seek
You who are lost, oppressed and weak
He said He'd make all things brand new
Even perform miracles to bring you thru
To the other side where sorrows disappear
Where there'd be peace, no confusion or fear
Joy and gladness, only happiness is there
And songs of thanksgiving to fill the air
Mercy and justice shall follow after soon
Healing the land, He makes the deserts bloom
He's coming to comfort us once again
Salvation and peace to earth for Man
Look to the skies - He gazes down below
Father does this because He loves us so
With Abraham He gave us a great nation
Causing prosperity to every generation
Abraham trusted God without asking why
And God showed Abraham that He couldn't lie
He said: "I am God who stirs up the sea
Who is my equal? Who compares to me?"
For I am God and I am God alone
I send down Angels My Heavenly throne
I call you to trust Me to set captives free
I call you to trust Me for the victory
I call you to trust Me to heal all your pain
I call you to trust Me and believe My Name
I call you to trust Me to take troubles away
I call you to trust Me each and every day.

Many Gifts But LOVE is greater!

II Corinthians 12-13

*One body, many parts
One church, many gifts
Teacher, envy not the prophet
Miracle worker, envy not the healer
Helpers, envy not the apostle
Can I brag on my hands
That they are better than my feet?
Can I compare one finger against another finger?
Or a foot or toe against another?
Can I brag on my deacon against my usher?
Can I compare the evangelist against another evangelist?
Or an artist or musician against another?
Imagine our own body--Compare with me the body of Christ
What if we said, "This finger on my right
hand really did a great job in helping
to pick up that cup? Or my middle toe helps
me to walk better than all my other toes?
Or my tongue helped me to talk better
than my mouth and
lips? How can my body be divided?
Foot, envy not the head...
Head, envy not the foot...
Gifts should not be a grading scale of spiritual favor.*

The Holy Spirit, Ghost of God, distributes and He decides what gifts a person should have. As the body has parts so does the church, by gifts. All these gifts and body parts we must remember, are temporary, only a means to survival. The body parts for the body—the spiritual gifts for the church. For the church is the body of Christ and the saints are the members. As are the fingers, hands, feet, mouth, arms, legs, breasts, head, ears, eyes, and nose for the body.

For instance, apostles are the head who inspires us to hear the mouth of the prophet as the evangelist travels and proclaim while the miracle worker perform great acts of the hands of God and assist the healer as the arm of God thru teaching causes steadfastness along with gifts of tongues and interpreters who exhort and edify.

All for the perfecting of the saints and all working for ONE reason: To Ordain, Proclaim, Maintain, Sustain, not just Entertain the BODY of Christ, the church. Therefore, it is Love that will count in the end, not GIFTS. The Living Word 8/14/99

A New People

John saw a new heaven and a new earth
I see a new people and a new birth
Of a peculiar people, children full of might
Transformed in God's image, Our Father of Light...

*Partakers, inheritors of the saints in light
Changed in God's image, new children of might*

A chosen generation translated by Christ
Blameless and harmless sons of God shall rise
In the midst of a crooked and perverse nation
They will be the firstfruits who endured tribulation...

*Partakers, inheritors of the saints in light
Changed in God's image, new children of might*

Begotten with the WORD deemed holy creatures
A people illuminated bearing the Father's features
From glory to glory, they will soon manifest
Angels gather north, east, south and west.

*Partakers, inheritors of the saints in light
Changed in God's image, new children of might*

John saw a new heaven and a new earth
I see a new people and a new birth

Apparel

You who see only the apparel
Your mind is closed and narrow
Man looks on the outside
But God sees what you hide.

The clothes that people wear
Does God really, really care?
God's looking at the heart
Not an outfit from K-Mart..

You who point and judge
Stubborn ones who won't budge
How carnal that you are
And your heart is full of war.

If you can not see yourself
You're pointing at someone else?
It is God who sees our soul
And it is God who's in control..

Don't run God's child away
Or you will have to say:
Have mercy on me Lord
I've destroyed a soul of God.

10/27/00

The Right Apparel: Since God chose you to be the holy people whom he loves, you must clothe yourselves with tenderhearted mercy, kindness, humility, gentleness, and patience. You must make allowance for each other's faults and forgive the person who offends you. Remember, the Lord forgave you, so you must forgive others. And the most important piece of clothing you must wear is love. Love is what binds us all together in perfect harmony. Colossians 3:12-15

Appointment with Destiny

Take me to the other side of the Jordan and Red Sea
Open doors, pave the way; Lead me to my destiny
Let nothing else or no one, Nobody to ever again
Stop me or hinder me, no woman, child, or man
I've left it all for You, you know my love is true
Pull down the strongholds, help me to follow thru
I came back cause I love you and this love is for real
I've tried to do my best so Thine will be fulfilled
Anoint me to move forward; Hurry, Lord I do plead
Your holy anointing power; Right now is what I need
Bless me to break deadlocks, rescue me out of traps
Meandering makes one fragile; mend me and repair the gaps
O just to live in peace; Confident and assured in word
Down thru the years, not so; Life's been vastly absurd
I gave and gave and gave; they took and took and took
I kept on getting trapped; I kept on being forsook
No matter how much I gave; Enemies would take and take
Human sharks, bloodsuckers; People who were but fake
So many liars and hypocrites; wolves, snakes and dogs
I know now to cherish things and cast not pearls to hogs
I love you and I need you; Don't ever leave me alone
I am flesh of your flesh; I am bone of your bone
You created me human; A breathing, living soul
A time is set, appointed; Father shall make me whole
Totalistic and absolute to uttermost capacity
Emancipated, released; My appointment: Destiny!

A TALK WITH GOD

by Christopher Cooper

*I had an interesting conversation with God last night
He spoke to me in my dream and told me I wasn't living right
He said it would be such a shame for a person like me to go to Hell
Because Hell isn't where I belong, that is where the true sinners dwell
God told me I was a good person with a heart as pure as gold
And contrary to what I believe, He could easily cleanse my soul
He told me the first thing I must do is to stop giving Satan any more time
Because the more I let him in the more he'll confuse my mind
He told me I must forgive and forget all the things done to me in the past
Because if I walk around with hatred, my faith will never last
He told me not to get involved with the chaos of this earth
He's just letting the Bible fulfill itself from the beginning to the last verse
He told me not to get discouraged since I seem to have one problem after another
If I live right and do His will, I would be blessed like all of the others
God said He must be going, but before He started on His way
He wanted me to speak with His son Jesus because there's something He had to say.
JESUS APPEARS INTO THE ROOM AND THEN HE SAYS TO ME
Chris, I didn't come to judge you, but I will tell you the deal
If I can sacrifice my life for the world, you should be more than willing to do God's will
We have expectations of you, because we see you know the way
But you must hurry and make preparation, because tomorrow could be your last day
Before I could open my mouth to speak they were gone without a trace
But before I could wake up from this dream, I noticed something else standing in their place
I didn't even have to look up to know what was in my path
I've encountered Satan many times before, but this time would have to be the last
He told me that I was a fool to even listen to what a false God had to say
But this time I said that he was the fool and I awaken and began to pray.*

HORSES, MULES, THE SHEEP

"Do not be like the horse or the mule who lack understanding..." Psalm 32:9

THE HORSE

Are you like the horse?
Who love to run, run, run
Forever and always driven
When trials or trouble come?

Do you get overzealous
And tend to outrun God
Like Moses and Noah did
And was rebuked by the Lord?

Is someone riding your back
With a jockey leading the way
Horses are used by the riders
To come and go as they may

They will lead to evil ambition
Or make you pursue selfish pride
Even to bitterness and hatred
If the horse's jockey is your guide

Wise up and understand
They are making you a slave
Come on out of that pit
Get on out of that cave.

THE MULE

Are you like the mule
As stubborn as can be
Always pulling away or back
From his true destiny?

To get him to move forward
You have to always entice
Or trick him with a carrot
Or give him something nice

Are you always pulling back
To some old law or tradition
Biting and kicking for your way
Then you're a mule in transition.

Are you driven, are you ridden
Like the horse and mule with bit
Go ahead, put your shoes on
If you know these shoes fit.

THE SHEEP

Stop the running and the kicking
Stop fighting and pulling away
Follow Christ as a little sheep
Let Him guide you where He may.

The sheep always walks forward
With Christ Jesus leading the way
He keeps his eyes upon Him
Never driven or running astray.

No circumstances or problems
Whatever situation is at hand
The sheep follows the Shepherd
Who protects in every way He can.

Would you rather be running
When the going gets tough
Or would you rather just kick
Have you not had enough?

Give in to the Lord of Lords
Give up the horse and the mule
Their characteristics, not for winners
But the sheep and Shepherd rule!

DEMOCRACY

Life, love, equality and happiness
Claims the government of our nation
Then why so much death and hate
Depression and degradation?

We, the people, who have given
Huge tax deductions they take
But when we're old or disabled
We, the people, are forced to wait.

Our children are lost and angry
They turn to violence and drugs
Our daughters prostitute themselves
And give their bodies to thugs.

Whether social security or disability
Or any benefits which we've paid
We are rewarded with cold responses
When requests for benefits are made.

The rich, the poor and middle-class
The divisions in all the races
All over this our great America
Are saddened and hungry faces.

America, it's time to give back
To your own people and own lands
To people who have nourished you
To the forgotten hurting Americans.

What happened to our democracy
A government of, from, and by
We're the people of blessed democracy
Or is democracy just a dirty lie?

ONE SINGLE NIGHT

Just in one, Yes, One single night
Know this God will make it right
For this battle, it is not your fight
It must be won by faith, not sight
Trust, believe with all your might
Rise up now to the highest height
In His Spirit of Love's pure light
Giving your hearts for His delight
Awe His passionate bloody plight
He yet lives after dying one night

Christ-Centered

From the Old Man to the New Man
Christ in you and me, the Hope of Glory
He is all and in all and we are His
We, His holy and beloved, His elect
Putting on Love
The Bond of Perfection
Changes us in the Image of the Creator
Newness in Him
Living in Him
Walking In Him
Rooted in Him
Building in Him
Perfected in Him
Hidden in Him
Renewed in Him
Dying with Him
Raised with Him
Appearing with Him
Christ-focused. Christ-driven. Christ-centered.
Christ-filled. Christ-anointed. Christ-sealed.
All the days of my life.
Amen.

Mama,

There are so many, many people who are thankful for you
For you have fervently prayed the souls of thousands through
When I was your little girl, I often caught you crying
But no matter what the situation, you never stopped trying.

Your first-born child, Bettye, she was not expected to live
But you spoke to God saying, "This child to You, I'll give"
So God spared the premature babe, healed and made her well
God has always intervened for you—for you, He'll never fail.

For you have suffered sorrowfulness, pain, toil and trouble
Because of your fiery faithfulness, Father blessed you double!
You've conducted many revivals for years from week to week
And God used you miraculously, yet you're humble and meek.

Sinners, they've seen visions of you, lovingly warning men
Those men became them, as they were delivered free from sin
Now they stand in churches, as pastors and children of God
They're all calling you Mother, for leading them to the Lord.

Your faith's like that of Deborah's with courage and no fear
From great danger you rescued Perry, your son so very dear
You rushed into the house on fire, it swiftly burning down
Only a Saint could do this - you made it safe and sound.

That night before the terrible fire, I saw you sitting there
Reading your holy bible, my little eyes gave you a stare
You did not notice me standing there, I was only age three
You guided Perry to holiness, after that awful tragedy.

You have Queen Esther's wisdom, disciple Tabitha's skill
The beauty of Lady Sarah, and a righteousness that's real
God gave you visions, Mother, when you were very small
The little lamb at your feet - 'twas God's confirming call.

When I was severely ill, and the doctors gave me up to die
"God, spare her, take me!" are the words I heard your cry
There's no one else quite like you, Mom, no, not any other
You're truly awesome, Love, you're more than a mother!

A Psalmist Joy

Troubles surround me
Too many to count
They are so numerous
O how high they mount

He lifted me out
Of the pit of despair
Out of the mud
And out of the mire

Out of the den
And out of the cave
Out of the dungeon
And out of the grave

You caused me to listen
So now I understand
Your wonderful deeds
Are as grains of sand

I've waited patiently
You've heard my cry
The Lord God is great
I shall live and not die.

We're the poor and helpless ones
From a lying and evil generation
He'll protect His daughters and sons.

13.

O Lord how long tell me
Will my enemies have the upper hand
Don't let them rejoice over my downfall
Anoint me to rise and defeat them again
Turn and answer me, Lord my God
Restore the light lest I die
I must trust your unfailing love
Rejoice and ask you not why.

14.

Foolish hearts will say
That there is no God
Yet God is looking down
With His righteous rod
He's searching the Earth
Looking for the One
Who has the understanding
His will shall be done.
This is the one He shelters
For he calls on His Name
He is His holy refuge
But fools shall be in shame.

15.

Who Lord may worship You
In Your holy sanctuary
And enter Your presence
O Lord this is my query?
*Those who live life blameless
And who does what's right
Who loves the Lord God
With all of their might
Who honors all the righteous
Living clean lives in Thy sight*
These are the people
And they are the ones
If they do these things
They shall never be moved.

16.

I will bless the Lord
He's My refuge and My guide
I know that I will win this war
For I have the Master on my side.
The saints, we're His delight
My lot You will maintain
My path of life, You will show me
I have no reason to complain
In Your Majestic Presence
Is the fullness of my joy
At Your right hand are pleasures
And treasures forevermore.

17.

I plead for true justice
Lord, I'm crying for help
Because of evil and cruelty
Many nights I have wept
For my murderous enemies
Are eager to tear me apart
They hunt and track me down
Closing up their fat hearts
Uphold and keep me Lord

As the apple of Thine eye
Why they chase me Father
I really do not know why
They speak such proud lies
As they surround and hound
Lurking in the dark places
To cast me to the ground
Arise My Lord and stand
Bring them to their knees
I have done what's right
O Lord make evil cease.

18.

He opened the Heavens and came down
My cry had reached His ears
The ropes of death had surrounded me
But He healed me of all my fears
At my weakest moment they attacked me
But you rewarded me for doing right
You armed me with strength for battle
And together we won the fight.
All of Your promises are true
With You I can scale any wall
You delivered me from my enemies
Not one or two, but them all.

19.

Day after day, the heavens speak
Night after night, they make Him known
The sun burst forth with radiance
They worship Him in silent song.

20.

God hears you clearly
In your distress and trouble
But from the sanctuary
Zion strengthens double
All of your petitions
The Lord knows how to fulfill
He remembers sacrifices

Rejoice in His divine will
He hears His anointed
Causing them to rise
But trusting Him not
The soul shrivels and dies.

King Saul-King David

Prince Jonathan

A change in the body of Christ is taking place
God's calling for order, a Church brand new
A church willing to sacrifice, give up old things
Who will look at itself through Heaven's view.

The Davidic Covenant speaks against traditions
Awake! This is the day, the time and the hour
God is calling us to come out of the house of Saul
If we obey, He will magnify Zion's power.

The house of Saul is the spirit of tradition
The house of David symbolizes the Spirit of God
God is calling us to be like Prince Jonathan
Who was willing to move in the Spirit of the Lord.

If we choose to ignore and harden our hearts
God will take away His presence and glory
Come out of Saul's house and live in David's
This is the revival of a prophetic story.

No Looking Back

Don't let me look back
But straight forward and far ahead
For if I start looking back
I may remember what people said
All those ugly and mean things
That should stay buried behind
May then begin to linger
And defile my Christian mind
Then I'll find myself not forgiving
And begin to build resentment or hate
Of which God would identify
And say at judgment to me "Too Late!
You've looked back and you've sinned.
You can't go back with Me!
If you had kept looking forward
You could live life eternally."
I will not take that chance
But shall keep my eyes on the prize
I'm in this race to be a winner
I must forget all the enemy's lies.
